Literary and Library Association.

We publish elsewhere, in this paper, a call signed by thirty-three of our citizens, for the formation of a Literary and Library Association. This step is in the right direction. Nothing is so much needed in Lancaster. Our people have so long been destitute of any public means of intellectual improvement—so long been without any proper place to spend their winter evenings profitably, that they have fallen an hundred years behind the times.

Our old men, having nothing to divert them from the pursuit of the "mighty dollar," little of interest to call out their intellectual powers, have become "fossils," so completely incrusted in selfishness, as to require a sledge-hammer, heavily plied to do effective service.

Our young men having no place to spend their evenings profitably—meeting with no encouragement from their fathers, have gone to the billiard saloon, and there spend, in acting balls, the time they ought to spend at books.

Our ladies, old and young, have come to sleep, or fritter away, over the euchertable, the time they ought to devote to reading or to intellectual conversation — In short, the whole community has become dead to its highest and best interest —intellectual culture.

The step about being taken will inaugurate a new era. It will arouse and invigorate the now dead intellectual element of this community. It will strike a light that will illumin the intellectual darkness that now broods over the city. It will afford a stimulus that will arouse us from the lethargy of mind that has seized possession of us all. It will furnish books to read, and a place for our young men to spend their leisure moments profitably—thus keeping them off the streets and supplanting the inevitable tendency to idle and dissolute habits.

We earnestly hope our citizens will obey this call. We earnestly hope to see a goodly number, nay all who have at heart the well-being of this community, at the Court House on Friday evening, November 2d, 1860.

Let us organize this Society. Let us have it to say that Lancaster is no longer behind her sister cities. That her people no longer sleep.

CITY HALL.—DONNELLY'S Company still remain at the above place and have delighted the elite of our citizens by their chaste and artistic performances. They are undoubtedly the most finished troupe that has ever visited our city. The citizen's due appreciation of Mr. DONNELLY'S efforts to afford them intellectual amusement, has tendered him a complimentary benefit; the call is headed by our most prominent citizens, and we are sure the praise-worthy object will be entirely successful. We promise Mr. DONNELLY the largest house of the season. The beautiful play of the *Marble Heart*, or the *Sculptor's Dream*, will be performed, with other entertainments, making it the most attractive programme of the season.

THAT METEOR.—The meteor of Wednesday last, that so greatly exercised our correspondent is at last ferreted out.

The monster was put in motion by our enterprising young friend, Gust Gebeline. Gust touched the thing off with a match and quaintly called it a sky-rocket.

☞We invite the attention of our readers to the fact that ANDREW REID, at the New Cash Store, has just received his second supply of Fall and Winter Goods. His goods are of the best quality, and his prices seem to suit, judging from the manner in which people carry them off.—If you have not yet called on Mr. REID, drop in, and we are "satis-fi-e-d" that you not regret it.

☞If you want to see the Prince of Wales shown up in all his glory, by way of illustrations, go to Billinghurst's News Office and get a copy of the New York Illustrated News, Frank Leslie, Harper's Weekly, (german or english,) or any other of the weekly illustrated periodicals.

The Irving Magazine, a periodical full of interesting stories and miscellaneous reading can be had at the News Office.

☞CADWELL, the Optician and renowned Spectacle Man, is once more in town with his Improved Glasses. Those wishing to provide themselves with an article that has *no* superior, and have them adjusted by one whose skill in that art is unsurpassed, will do well to imporve this opportunity. Rooms at Cook House. *

☞We invite attention to the advertisement of Hall & Outcalt, found elsewhere in this number of our paper.

They have bought (as will be seen,) the entire stock in trade of our well-known fellow-citizen, Geo. L. Eckert. AL and JESS are young men of enterprise and deserve success. We bespeak for them a liberal share of public patronage.

"Strayed" or Stolen

The "FIRESIDE."

We publish below, and invite special attention to the Prospectus of the "*Fireside.*"

This journal supercedes the "Age of Virtue," and is to be purely literary.

From our knowledge of its editor, (A. P. Miller, Esq.,) we can safely say to our friends that the "Fireside" will be all its prospectus promises and more.

A. P. Miller is a young man of superior literary attainments; a poet by birth and profession, possessing a practical knowledge of printing as well as the wants of community.

Under his supervision, the "Fireside" must succeed. We congratulate Mr. Miller upon his undertaking, and the public upon the rare opportunity they have now offered them of a first class literary journal in their midst.

PROSPECTUS OF "THE FIRESIDE."

Having purchased the material of the "*Age of Virtue*" printing establishment, we propose publishing, in the city of Lancaster, a semi-monthly *Literary and Family Journal*, entitled the FIRESIDE; to be issued on the first and fifteenth of each month, in octavo form, each number containing *Sixteen Large Pages*, and forming at the close of the year, a handsome volume of *Three Hundred and Eighty four Pages.*

The FIRESIDE will contain a summary of the latest news, local and foreign; the cream of Poetry and Tales afloat; the best Historical and Biographical Sketches and Scientific Articles; the Wit, Humor and Healthy Sentiment of the World; and especially. Original Criticism, and information concerning Books and Fine Arts.

We promise to make the FIRESIDE a complete Journal of the times. It shall be alive all over, and all the gates and passes shall be guarded so as to admit no literature of the heavy and milk-and-water kind.

TERMS —The FIRESIDE will be furnished subscribers at $1,25 a year, *in advance.*

CLUBS—Ten copies, and one to the getter up of the club, will be furnished at $12,00; twenty copies for $24 00, and *two* copies to the getter up; thirty copies for $35,00, and *three* copies to the getter up.

☞The first number will be issued on 15th of November, 1860.

Political News.

ST. LOUIS, Oct. 13.—Senator Crittenden addressed a large audience, composed of all parties, at the Court House last night. He eulogized Douglas as a national man and statesman, and his course in opposing the Lecomp on Bill.

He urged the Union men of all parties to vote for Bell as the only candidate whose success would give peace to the country.

He could see no remedy whatever in dissolving the Union, or seceding from it; though the Republican party may elect their President.

We can out vote them and prevent harm from being done. South can find Constitutional safety in the Union, and preserve that greatest blessings to this country.

He concluded: "It will be my prayer that this Union may last beyond any calculation."

AUGUSTA, Ga. Oct. 30.—Senator Douglas is hailed enthusiastically all along his route in upper Georgia. Thousands greeted him at Atlanta.

MARRIED.

On the 25th Oct., by Rev. Thomas H. Hall, William J. Hunter and Mary Ann Grier.

By Rev. S. C. Tussing, on the 25th Oct., Henry Stame, of Fairfield county, to Miss Elizabeth Beery, of Perry county.

On the 21st Oct., in this city, by Rev. C. E. Felton, Mr. Andrew Gephart and Miss Gabella Aurand, all of Pickaway county.

On the 11th, Oct., in this city, by the Rev. C. E. Felton, Mr. Rainer to Miss Ebright, all of Pickaway county.

OBITUARY.

DIED—At the residence of her brother, Samuel Rudolph, in this city, Oct. 17th, 1860, Miss SARAH RUDOLPH, in her 59th year. For 30 years she was a member of the German Evangelical Church, where she was celebrated for all those virtues which characterize the real christian, and enable him, or her to say on the dying bed, "O Death, where is thy sting, and O Grave, where is thy victory?" Her disease was erysipelas, which she bore with the utmost resignation. The care that she would have bestowed upon a family, had she been so situated in life, was willingly exhibited in behalf of her relatives, who, of course mourn her loss, but rejoice in the belief that she is forever with Christ, where the wicked cease from troubling and the weary are at rest."

PERRY DAVIS' VEGETABLE

PAIN KILLER

The Great Family Medicine of the Age.

WE ask the attention of the trade and the public to this long and unrivaled *Family Medicine* for the cure of colds, coughs, Weak stomach and general debility, indigestion, cramp and pain in Stomach, bowel complaint, colic, diarrhœa, Cholera, &c., and for *FEVER and AGUE*, there is nothing better. It has been favorably known for more than twenty years to be the *only sure specific* for the many diseases incident to the human family. *Internally and Externally* it works equally sure.

What *stronger proof* of these facts can be produced than the following letter received *unsolicited* from the Rev. A. W. Curtis:

ROMEO, Macomb Co. Michigan, July 8. 1860.

MESSRS. J. N. HARRIS & Co.

Gentlemen:—The confidence I have in Perry Davis' Pain Killer as a remedy for Colds, Coughs, Burns, Sprains and Rheumatism, for the cure of which I have successfully used it, induces me to cheerfully recommend its virtues to others.

A few months ago I had recourse to it to destroy a felon; although I never heard of its being used for that purpose, but having suffered intensely from a former one, and having no other remedy at hand, I applied the Pain Killer freely for about fifteen minutes at evening, and repeated the application very briefly they next morning, which entirely destroyed the felon, and increased my confidence in the utility of the remedy.

Yours truly, A. W. CURTIS.

Minister of the Wesleyan Methodist Church.

The *Pain Killer* has been tested in every variety of climate, and almost every nation known to Americans. It is the almost constant companion and inseparable friend of the missionary, and the traveler, on sea and land, and no one should travel on the *Lakes or Rivers without it.*

Be sure you call for and get the genuine Pain Killer, as many worthless nostrums are attempted to be sold on the great reputation of this valuable medicine. Directions accompany each bottle. Sold by dealers everywhere. Price 25 cts., 50 cts, and $1 per bottle.

Severe Storm on the Plains.

ST. JOSEPH, Oct. 30.—By the Pony Express we have advices from Jalesburg, 450 miles west of this place, of one of the most severe storms that was ever known to have occurred on the plains at this season of the year.

On the 26th inst. it blew a hurricane accompanied by hail, 3 o'clock P. M, when a heavy snow storm set in, the weather rapidly growing cold. It was thought that emigrants above and below Jalesburg would suffer severely, and great loss would ensue. The Pony was detained five hours in consequence.

It is now blowing here furiously, and has the appearance of snow, and growing cold.

DR. S. O. RICHARDSON'S

Sherry Wine Bitters.

The celebrated New England Remedy for Habitual Constipation, Jaundice, Fever and Ague, General Debility, and all Diseases arising from a Disordered Stomach, Liver or Bowels.

THEY are used and recommended by leading Physicians of the country, and all who try them pronounce them invaluable.

DR JAMES L. LEEPER, writes from Navarre, Stark county, Ohio, "the Bitters are highly praised by those suffering from indigestion, dyspepsia and liver complaint."

E. S. DAVIS, Postmaster at Williamsport, Ohio, says, "they give great satisfaction. I use them myself, having taken cold, become prostrate and lost my appetite. It relieved me, and I can recommend it with great assurances of its merits."

DR. WM M. KERR of Rogersville, Indiana, writes us that they are the most valuable medicine offered. He has recommended them with great success, and with them made several cures of palpitation of the heart and general debility.

THOMAS STANROOD, Esq., Bloomtsville, Henry county, Indiana, writes us a long letter, under date of May 4, 1860. He was much reduced, having been afflicted for three years with great nervous debility, palpitation of the heart of the most severe and prostrating character. "after using a few bottles I was completely restored, and am now in robust health."

GEORGE W. HOWARD says he was afflicted with rheumatism for twenty years, in all its various forms, and at the date of his letter he had been two years well; the Bitters effecting the cure, when several physicians attending him could do him no good. He says, "for rheumatism, dyspepsia, liver complaint, kidney affection or dropsy, it is a specific certain remedy."

J. W. HUNT writes from Delphos, Allen county, Ohio, (a section where Fever and Ague prevails,) that he most cheerfully recommends them of decided merit in all cases of *Fever and Ague, Dyspepsia and General Debility.*

D. K. GALLEHERES, M. D. writes from Van Wert, Ohio, "I most respectfully recommend the Sherry Wine Bitters to the notice of Dyspeptic persons, and to all who require a stimulating medicine. *Such now we are receiving daily.* Full directions accompany each bottle. They are sold by Medicine dealers generally. Price 75 cents per bottle.

BLOOD FOOD

Health by human Blood upon being

ANALYZED

always presents us with the same essential elements and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain, deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success.

To all suffering from consumption, incipient or confirmed; or from debility of any kind; or from mental or nervous prostration brought on by any cause; or from scrofulous complaints; or from diseases of the kidneys; and to ladies suffering any of the many distressing complaints to which their sex are liable, and which engender consumption, the Blood Food is offered as a certain and reliable remedy. Differing in every particular from the patent medicines of the day, it is a chemical combination of Iron, sulphur and phosphorus, of very great worth, and many hundreds bear glad and grateful testimony to the benefits it has conferred on them.

We have changed the color of the Wrapper from Red to Yellow; and the size of the Bottle to 8 oz.

Be careful to see that the fac-simile of our signature is on the outside wrapper.

Price of the Blood Food, $1 per bottle. Sold by

MOTHERS

Thousands are daily speaking in the praise of

DR. EATON'S

INFANTILE CORDIAL,

and why? because it *never fails to afford instantaneous relief* when given in time. It seems if by magic, and *one trial alone* will convince you that what we say is true. It contains

NO PAREGORIC OR OPIATE

of any kind, and therefore relieves by *removing the sufferings* of your child, instead of by *deadening its sensibilities.* For this reason, it commends itself as the *only reliable* preparation now known for *Children Teething, Diarrhœa, Dysentery, Griping in the Bowels, Acidity of the Stomach, Wind, Cold in the Head,* and *Croup*, also, for soft
