CAN I OBTAIN A PATENT? For a prompt answer and an honest opinion, write to **MUNN & CO.**, who have had nearly fifty years' experience in the patent business. Communications strictly confidential. A Handbook of information concerning Patents and how to obtain them sent free. Also a catalogue of mechanical and scientific books sent free. Patents taken through Munn & Co. receive special notice in the Scientific American, and thus are brought widely before the public without cost to the inventor. This splendid paper, issued weekly, elegantly illustrated, has by far the largest circulation of any scientific work in the world. \$3 a year. Sample copies sent free. Building Edition, monthly, \$2.50 a year. Single copies, 25 cents. Every number contains beautiful plates, in colors, and photographs of new houses, with plans, enabling builders to show the latest designs and secure contracts. Address **MUNN & CO., NEW YORK, 361 BROADWAY.**

Batchelors going in the mountains for an outing should not travel in a buggy—too expensive to burn. Professor, you had better have the Schoolma'am take care of you.

Correction: One of the sports that was out fishing during the close season when Baird's train ran into them and smashed up some of their guns, says they did not have any shot-guns along, that they only had some small rifles with which they intended to shoot grouse if they could find any.

WEATHER REPORT.

SUNNYSIDE, WASH, Aug. 10, 94.
 For week ending Aug. 8th. Maximum temperature 100 deg. Minimum 48 deg. Mean for the week 81 6-7. The temperature and conditions generally have been all that be desired for the growing crops and securing the hay crop. There was no clouds during the week, or wind to hinder, except on two days. Cutting wheat has commenced and the out look now is for a heavy yield. **R. P. EDGINGTON, V. O.**

On Thursday of this week the body of a man was found in a drift about seven miles below town. He wore a Seattle Commonweal badge and was one of those drowned by the capsizing of a boat last spring.

DIED:—In Peshastin, on Wednesday, Aug. 8th, 1894, **John Earnest**, aged 77 years. The deceased was a native of Pennsylvania, came to this valley about twenty years ago, and for the past seventeen years has worked in the mines.

He was kind hearted but like most men who have spent years in the mines, he had his peculiarities.

He was understood to be unmarried. If he had any relatives their whereabouts are unknown as far as we can find out.
