OFF TO SAN FRANCISCO

The Okanogan county booster excursion to the San Francisco exposition diminished to a corporal's guard when it came to a show down Monday, the date fixed for the departure of the special train that was to convey the roystering bunch on their merry way. The special train also shrank to a single special car, attached to the regular south bound passenger train. The train, however, did not leave until 8 o'clock which was in exact accordance with schedule. Few were at the train to bid the "boosters" bon voyage, and the nucleus starting to build up the whole party from the north end was kind of lost in the interior of the big passenger coach. Nevertheless, when the entire company was at last rounded up at Wenatchee it turned out that more people were billed from Oroville and vicinity than represented any other point on the line. Indeed the Oroville delegation, or more properly speaking, the delegation that made the start from Oroville, constituted about half the entire excursion party. Those who left here Monday morning, billed through to San Francisco, were Mr. and Mrs. S. F. Rounds, Mr. and Mrs. Wm. Almquist, Mr. and Mrs. J. C. McDonald and son Irwin, J. B. McDonald and J. Wisser, of Molson; Mr. and Mrs. E. N. Grigg and Miss Agnes Wessel, of Oroville, Mr. and Mrs. J. S. Young, of Fondoran. Others had visions of going when the excursion was first mentioned, but the illusion reached no further than a vision.
