

MORE MONEY—LESS MISDRY.

"Brick" Pomeroy can't stand it any longer to publish a monthly, and in order to say more and say it oftener, harder and hotter will with the New Year bring his paper out as an eight page weekly, six columns to the page at one dollar a year. It will be a hot advocate of the free coinage of silver into full legal tender money for all debts. Will urge the entire cessation of all Government bonds. It will be one of the liveliest and most interesting family newspapers in America. One dollar per year. Three copies one year two dollars. Ten copies one year \$10.00. If you are for silver and against a national debt, this is a paper you want for a fact and for its facts. Send at once to M. M. Pomeroy, Rooms 204, World Building, New York City.
