GREAT SCANDAL DEVELOPED BY ARREST OF PROMINENT LAWYER

HOBOKEN, May 13.—Charles K. Cannon, a prominent lawyer and supreme court commissioner in chancery, also a director of the First National bank and a vestryman of Trinity Episcopal church, was arrested this mocning on the complaint of four girls ranging from 10 to 14. Cannon is a widower and has two children, both college graduates. His arrest has caused a great scandal and developments are breathlessly awaited.

METHODISTS AND DANCING

LOS ANGELES, May 13.—A question of important bearing which has come prominently to the fore in the Methodist general conference proceedings during the past 12 hours is that involving a change in discipline to the extent of entirely removing the church ban on the pleasures of dancing, card playing and theater going. It seems not unlikely that the conference will vote to remove the present rigid restrictions regarding the indulgence of these recreations.

Under the prevailing rule the member of the church who attends a dance or theater is guilty of desecration of the rules of the church and may be punished by expulsion, but if the recommendation now proposed is adopted this penalty will be rendered entirely optional with the authorities. The committee on state of the church has not decided definitely just what form the recommendation of the committee to the general body will take, but it seems assured that it will propose some radical changes in the discipline along the line outlined.

Today the conference is killing time while awaiting reports from standing committees.

TIGERS SHOW SIGNS OF LIFE

PORTLAND, May 13.—In a ten inning game yesterday the tables were turned and the Tigers came out of the fracas with a majority of the scores on their side of the board. During the first two innings things looked easy for Portland but Tacoma got into the game in the third inning and the ninth inning was finished with seven scores on each side. In the tenth inning Tacoma ran in two scores.

The game lasted three hours and was the slowest exhibition of baseball ever seen here. It was utterly devoid of features.

Score:		R.	H.	E.
Tacoma	0 0 3 0 0 0 0 3 1 2	9	17	3
Portland	0 5 0 0 2 0 0 0 0 0	7	14	7

SEATTLE, May 13.—Seattle bunched her errors at the same time San Francisco bunched her hits. The result was a walkaway for 'Frisco's bunch. San Francisco outplayed Seattle at every point in the game. Yerkes held the Seattle sluggers at his mercy except in the fourth, when four hits, one a double by Brashear, gave three runs.

A FALL CAUSES SERIOUS INJURIES

Yesterday afternoon while Duncan McKenzie was walking along the railroad track near the Cold Storage building he fell over the bluff and was picked up some hours later at the foot of the steep embankment in an unconscious condition. He was removed to the police station and later was taken to the county hospital where his bruises and injuries are being treated.

Mr. McKenzie is an old man nearly 70 years of age and lives at Old Town.

One side of his body was found to be paralyzed when examined by the doctors and it is now thought that his accident was the result of the stroke, which caused him to lose his balance and roll down the steep incline.

OUTDOOR VAUDEVILLE

A park theater will probably be added soon to the list of Tacoma play houses. Parties from Seattle, who are interested in the Empire Park Theater company, were in the city today for the purpose of securing a permit to open a park theater here.

The new play house will probably be erected on the four vacant lots south of the city hall facing on Pacific avenue. A twelve foot board fence will be erected around the lots and the roof will be of canvas, giving the play house the appearance of a tent.

The Seattle park theater is reported to be a clean vaudeville and Tacoma's new play house will be conducted on similar lines.

The White Funnel liner Ning Chow will leave today for Oriental ports and Liverpool. The non-arrival of the steamer Charles Nelson, which was bringing a cargo of sugar in for the Ning Chow, caused the delay in sailing.

The tug Bermuda arrived from Marble Bay yesterday with 280 tons of copper ore for the smelter.

A change in the Flyer time card takes effect Saturday. The boat will leave Tacoma at 9:40 a. m., 1:15, 4:50 and 8:25 p. m.

IT WAS A RECORD-BREAKER

Munter & Johnson, proprietors of The Leader Department Store on Tacoma avenue, are well pleased with the results which followed the appearance of their page advertisement in The Tacoma Times two days ago.

In response to the announcement of the dissolution sale and the low prices quoted for many lines of goods, throngs of people visited the store yesterday, coming in such numbers that at times the doors had to be closed. Up to a late hour last evening the crowds continued to carry away merchandise, making a day's record for purchases seldom if ever equaled by any store in the Northwest. The buyers were well pleased, too, with the excellent goods that they secured so cheaply in this bona-fide dissolution sale. ***

DENY THAT WARE IS OUT

WASHINGTON, D. C., May 13.—At the White House this morning it is officially denied that Pension Commissioner Ware has resigned as reported in the morning papers.

SENATOR GUILTY

ATLANTA, May 13. — State Senator Dodd was convicted of embezzling two hundred dollars of state money during his recent tenure of the office of county school commissioner of Gordon county. He was sentenced to two years in the penitentiary.

ARMENIANS KILLED

CONSTANTINOPLE, May 13.—Turkish troops have burned villages throughout the Sassoon district of Armenia, killing the inhabitants. The French, British and Russian consuls have been sent to Ezeroum in the hope of limiting bloodshed.

WEATHER FORECAST

Weather Forecast—For Saturday, fair, warm and breezy.

STOP THE LEAKS

Commissioner of Public Works Welsh has ordered an ingenious water meter, which will be used by the city employes in detecting all unnecessary waste of water, due to defective pipes or other sources. The machine has been used with much success in the East but has never been tried in this section.

The commissioner is desirous of checking up all of the water used in the city to know how much is wasted. The meter will be attached to the service box and if any needless waste is detected, the water will be turned off from the building until the leaks are stopped.

DISTRICT CONFERENCE

The first district quarterly meeting for the Tacoma district of the Free Methodist church will be held in the Free Methodist hall, 941½ Tacoma avenue, beginning tonight at 7:30 o'clock p. m. Preaching each day at 2:30 and 7:30 p. m. The meetings will continue till Sunday. Rev. B. F. Swalby, district elder, is in charge.

NEW PARK

The Tacoma Land company has announced its intention of giving to the city another park. It will comprise a tract of land which is known as the "Old Exposition Grounds." The new park will be called Garfield.

It is the intention of the Land company to make a great many improvements on the proposed park, but the nature of them will not be disclosed until later.

FEEDING THE HUNGRY

For up-to-date methods the ladies of the First Christian church can score hands down. They are serving luncheon today at the Davis Sherman Electric company's store and the way they are being patronized indicates that their plan meets popular approval. They will be prepared to feed the hungry again tomorrow.

GRAND COURT DELEGATES

The delegates from Tacoma who will attend the meeting of the Grand Court, Foresters of America, held in Bellingham, May 18 to 20, are as follows: Court Tacoma No. 1, W. Conblin and Bader Wilson; Court Defiance, No. 38, Rev. Harry Hudson, Dr. R. H. Harrison, Fred Chovil and Alfred Butt.

NEW COMMISSIONER ASSUMES OFFICE

Dr. L. Love has assumed the duties of the commissioner of health. He received his appointment over a month ago but as he was on a trip to the Sound, Dr. F. J. Seburg, the former commissioner, continued in office until Dr. Love should return.

The office of commissioner of health will be moved from the Equitable building to Dr. Love's quarters in the Luzon.

LUMBERMEN GOING EAST

The committee appointed by President E. G. Griggs of the Lumbermen's Manufacturing association go to Chicago tomorrow to meet the officials of the Great Northern, Northern Pacific, Union Pacific and Burlington railroads.

The following lumbermen compose the committee:

C. F. White, Grays Harbor.
George H. Emerson, Hoquiam.
Mr. McCormack.
C. D. Stewart, Ballard.
F.; K. Baker, Everett.
W. B. Ayer, Portland.
Senator Foster.

Messrs. E. G. Griggs and F. W. Beckman are ex-officio members of the committee and accompany their colleagues to the East. The Southwestern Lumbermen's association also have two members, Mr. J. A. Van Ness, Winlock, and F. L. Hubbard, Centralia.

These gentlemen go to Chicago to back up by their personal influence and argument a petition made to the railroad companies to grant a 40c rate on lumber to St. Louis and other points east of the Missouri river. The inducements they have to offer these railways for the concession are the increased traffic for the roads concerned and the development of this Northwest country.

The lumber industry is pretty much at a standstill now and it is absolutely necessary to its development to have an extension of the lumber market such as this 40 cent rate will give.

Amusements

EDISON THEATER.

For the week beginning May 16 the Edison theater management announces the engagement of "Ferry, the Human Frog." This is said to be one of the greatest vaudeville acts ever produced.

Other attractions will be Trask and Rogers, black face comedians; E. Will Bensley, juggler; Helen Trenville, soprano soloist; Frank Fay in illustrated songs, and the Edison Comedy company.

THE FOUR COHANS.

The Four Cohans and their company of seventy-two singing comedians, under the direction of Manager Fred Hiblo, will be seen at the Tacoma theater Wednesday, May 18, in George M. Cohan's latest musical frivolity, "Running For Office," which was one of the biggest musical successes in New York last season. The sale of seats starts Monday.

PRESBYTERIANS TO MEET

BUFFALO, N. Y., May 12.—Applications for accommodations received by the local committees in charge of the arrangements for the meeting of the General Assembly of the Presbyterian church in Buffalo next week indicate that the gathering will be largely attended. The session will commence one week from today and continue for ten days.

There is little talk as yet regarding the choice of a moderator, though several names are mentioned in connection with the honor and an interesting contest may develop before a choice is made. The question of amalgamation with the Cumberland Presbyterian church and the Reformed Presbyterian church, which has been a mooted question for years, will be thoroughly threshed out in the coming assembly and decisive action may be taken. It is believed that a majority favors such action, but it is admitted that a minority exists on both sides sufficient to cause considerable friction before the amalgamation can be accomplished. Aside from this matter, there is little but routine work expected at the assembly.

BUILDING PERMITS

Building permits issued yesterday are as follows: May D. Demorest, dwelling, Land Co. First add., $1,300; Mr. Linquist, dwelling, South Park, $650; E. Anderson, two-story dwelling $1,000; Fred Fredericksson repairs, $50; F. N. Bergen, one-story dwelling, 615, South E street, $700; N. A. Olson, barn, Sixteenth and Yakima avenue, $50.
