FOR SALE MISCELLANEOUS

TO THE PROGRESSIVE HOUSEWIFE.

HOW often do you hang your clothes on a line and have the wind blow them off? I beg your pardon, did you say you never did? Oh; excuse me, I thought you had. Very unpleasant of course.

If the opportunity presented itself would you even think of buying a line that positively holds the clothes even without the use of clothes pins of any kind, yes, one that costs but little more than the one you have and will last for years too.

Wouldn't it be easy to hang your clothes on the line from your porch and not have to walk on the wet grass or expose yourself to the wind needlessly?

Under the old system this is not possible but the pinless way is the way to make work on wash day as easy as possible.

Call at room 410 California Bldg. when down town or call Main 3688 and have us call and demonstrate the merits of our PINLESS clothes line. If out of town, write to P. O. Box 913, Tacoma.
