We call your attention to the
 letter of P. H. W. Ross.

THE DAWN proposes to keep up
 the skinning of two-legged skunks.

TAXATION without representation
 is tyranny. Give us equal suf-
 frage.

The Ellensburg W. C. T. U. will
 give their third medal contest in
 the M. E. church Monday evening,
 Jan. 14th, 1895. Excellent speak-
 ers have been secured to contest
 for the medal. Good music will be
 furnished under the auspices of
 Mrs. Ella Emerson. A cordial in-
 vitation is extended to all to come
 and bring your friends.

Again we are led to ask
 if the county central commit-
 tee ever intend to meet and
 settle up their bills. We hold
 accounts against parties that
 the old committee of 1892
 turned over to us to the tune
 of several dollars that remain
 unpaid. Its all bosh to talk
 about waiting always to settle
 up such bills. We need what
 is due us, and must have it.

It was understood that all
 work was cash jobs. Norton
 can make all the excuses he
 wants to, but excuses are not
 legal tenders. We dislike to
 talk so plain, but duty de-
 mands it.

We have been reliably in-
 formed that the committee do
 not intend paying our bill.

If this matter is not settled
 at an early date, we propose
 to place the bills in the hands
 of an attorney for collection.

There is an extremely small deck-

Several parties from the upper

Have you read the advertisement

There seems to be some appre-
