DOLLAR SIGNS

When a young man starts to save money, it is a good sign that he is going to progress in the world. There are other signs which mark him for progress, but the ability to save money is one of the first tests.

The man who knows the value of money usually apppreciates the value of time also, and will not delay too long before starting a savings account.

We have only four more No. 12 Thor Electric sweepers in our overstock. We will sell these at cost and give you most liberal terms. Sweepers are **Guaranteed**, the same as any sweeper on the market.

The summer dust is almost here. Just a few moments each day with an electric sweeper is the ideal way to keep the home neat and clean. No dust from sweeping the electric way. Costs less than a cent for three hours of operation. Quicker, cleaner, more economical. It surely will interest you when you hear our terms even at this extraordinary low price.

This is one of those rare opportunities of getting a strictly high grade article at the cost of a cheap one.
