W. H. Chambers Says He Is Able To Work After Taking Tanlac

"Yes, sir, it's a fact, I gained thirty pounds on five bottles of Tanlac and I feel like a new man, "said W. H. Chambers, R. F. D. 2, Pinson, Ala., recently. Mr. Chambers served as a Deputy Sheriff in Jefferson county for about two years and most everybody in that county knows him to be a man "whose word is as good as his bond." He is now connected with The Imperial Coal and Coke Works, at Bradford.

"I'm now able to work, "continued Mr. Chambers, "and I want to say that I can hardly estimate the benefit my five bottles of Tanlac have been to me, for it surely put me on my feet.

"I suffered with rheumatism in my back and limbs, and my kidneys troubled me' "till I would have to be up and down five and six times every night. My stomach was in such a bad shape that I just seemed to stay in a bloated condition, and would have to belch up sour gas and food every time I'd eat anything at all.

"I had to be careful with my diet, and my appetite went to pieces. The rheumatism ached me and drew up my muscles. and I was going down hill all the time, and I actually fell off 'till I didn't weigh but 115 pounds, now, after taking five bottles of Tanlac, I weigh 145, and I consider 30 pounds some gain when I think of the condition I was in.

"I tried four weeks in the hospital along last February, but didn't get any relief, and when I started on Tanlac a few weeks ago it put me on the mend before I'd finished the first bottle. My kidneys don't bother me at all now, and my digestion is first rate. The fact is. I'm just about normal, and I just feel like telling everybody I meet about Tanlac and what it's done for me. Several of my friends are taking it and, getting almost as good results from it as I did."

Tanlac is sold in Carthage exclusively by READ BROS. and in Gordonsville by GWALTNEY & WILSON
