SATURDAY, FEB. 2ND, 1895.

KING county grants aid to 4,680 persons.

LEVI ANKENY is able to hold his hoodlers in line. Money has a powerful influence over some men.

THE Clallam county treasurer is \$2,000 short in his accounts. Another mangone republican.

THE responsibility of electing or failing to elect a U. S. Senator from this State, rests with the republicans.

THE Ellensburg Monthly DAWN has a dandy new heading now and is continually improved in appearance. Its subscription price is only 10 cents per year.—*Leader*, Harrington, Wash.

CONSIDER for a moment the absurd claims of the A. P. A. They appeal to the prejudices of the ignorant by assuming that the Catholics are working secretly systematically to gain control of this government, and transform it into a Catholic country like Spain or Austria. The absurdity of these claims is seen when we realize that of our 70,000,000 people, there are only 8, 000,000 Catholics.

THE county commissioners have a peculiar way of economizing.

They allow the Auditor two deputies; Clerk and Sheriff, one deputy each; and the Treasurer two—one more than has ever been allowed that office before. Each of the deputies for the several officers are allowed \$72 per month. Then, to cap the climax, they employ a janitor and allow him \$35 per month.

No officer should be allowed to serve who is too lazy to empty his own spittoon, dust his chair and sweep his own room. The "dear people" will remember who votes and pay taxes hereafter. We looked for some reform from the new board of commissioners, and we certainly had a right to expect it.

We shall speak of this matter at length, later on.

Republican Record.

THIS is the way the republican party in Congress voted on the repeal bill to demonetize silver.

EX-COUNTY CLERK—C. O. Downing—of Spokane, is under \$2,000 bonds to answer the charge of embezzling funds belonging to the county. He's gone republican too!

About 3:30 a. m., of Jan. 28, the steamer Elbe, of the North German Lloyd Line, bound from Bremen to New York, collided with the British steamship Crathia and the Elbe was sunk; 305 persons found a watery grave.

ON Thursday, the 27th, ballot for Senator stood:

Ankeny, 28; Wilson, 29; McMillen, 14; Allen, 7; Lewis, 6; Belt, 23; McCroskey, 1; Sturtevant, 1.

Thursday night's caucus John L. Wilson received the nomination.

THE Populist administration in Spokane county will save to the tax-payers of that county \$490 per month or \$5,880 per year. This shows the "blighting effect" of Populism. Don't you wish such a blight would strike this county?

KING GROVER, the fat, wants to issue \$500,000,000 more of gold bonds; wants to cancel treasury notes and pile up the interest bearing debt. He wants to leave a legacy for the nation's posterity while he leaves his millions of bribe money obtained from Wall street for his children.

"Sound Money."

What is sound money?

It is a catch-word to turn the world over to the devil. It is the talisman of the miser whose world is gold.

It is the slogan of the usurer who is eating out the vitals of humanity.

Of course every body is in favor of sound money.

No one wants money that is not money.

Money is medium of exchange.

That which facilitates exchange best and most equitable is the best money.

But the "sound money" talk of gold bugs is the deceitful whisper of the devil.

It is only "sound."

It is as "sounding brass" and tinkling cymbals."

It is sound enough for the rich but it is hollow mockery to the poor.

It robs labor of its reward.

It robs virtue of its purify.

It robs enterprise of its success.

It is treason under mask.

It is "death on a white horse and hell following after him."

It is respectability in league with hell.

It pushes the aged into the grave.

It starves children.

It drives virtuous womanhood into a life of shame.

"Sound money!"

How many sins have been committed in thy name!

"Sound money!"

The dollar that will buy three bushels of wheat.

The dollar that will buy twenty-five pounds of cotton.

The dollar that is worth two of the original contract dollars.

Sound money!"

Dearer than flesh and blood!

Dearer than home and country!

Dearer than liberty and prosperity.

Dearer than hope of heaven!

Bring out the band!

Sing paeans of praise to "sound money!"

Ring the church bells!

Preach the gospel of "sound money!"

All praise to "Sound money,"

Shylock and the devil.

Going, going, going.

Patriotism, morality, humanity,

Christianity, all for sale.

What do we hear?

A bid!

Who bids?

The Devil and Shylock!

What's the bid?

"Sound money!"

Going, going, going, and gone—

for "sound money."

Get on the wagon!

All aboard for hell!

Sold for "Sound money."—Buss-Saw, Hardy, Ark.
