GREENBACKERS AT WORK!

GREAT ACTIVITY ALL ALONG THE LINE.

National Committee and Prominent Reformers to Meet in St. Louis, December 20th.

COL. HARPER'S LETTER TO MEMBERS OF NATIONAL GREENBACK COMMITTEE.

HEADQUARTERS NATIONAL PARTY, DANVILLE, ILL., Nov. 23, 1882.

DEAR SIR: The great political break-up which has just taken place, opens the way for the march of reform that should be embraced at once. Issues involving the very life of Free Institutions, are pressing for solution, as never before in our history.

Therefore, for the purpose of conference, consultation, etc., as to the best mode of pushing our principles to the front that people may grasp them, I ask the committee to meet me at the Laclede Hotel, St. Louis, Missouri, December 20th, at noon.

And I will invite a number of prominent reformers, business men, scholars, etc., if they affirm certain principles set forth in the circular sent them, to meet with us in conference. JESSE HARPER,
Chairman N. G. L. P.

COL. HARPER'S CIRCULAR.

DEAR SIR: We have called the National Committee together, as circular herewith sent will show you.

We believe that questions of the most vital importance must be settled in the struggle of 1884.

We believe that dangers to the Republic more fearful than any yet encountered, now threaten it. One of which is:

To *force*, by the Money Power, the Supreme Court, under such influences as brought forth the Dred Scott case, to decide that the

Greenback is Unconstitutional when Issued in time of Peace.

Another is: To familiarize the people, by false teaching, to the monstrous belief that a national debt is a national blessing.

To perfect this idea in the interests of the Bank Syndicate, measures will be adopted to *stop the payment of the National Debt.*

And to further aid this crime against civilization, the Constitution of the United States will be trampled out.

And mighty railroad and other corporations allowed to rule with despotic sway.

We believe it to be essential to our life as a free people that a party shall come into power who shall have for its object:

1. To destroy sectional strife.
2. To pay promptly the public bonded debt.
3. To reduce the taxes and expenditures.
4. To establish the unlimited coinage of gold and silver.
5. To substitute government legal tender paper for bank issues.
6. To overthrow corruption at the polls and in representative bodies.
7. To secure a free ballot and a fair count.
8. To control by law, and bring into subjection to the interests of the people, all corporations and monopolies which have corrupted the public service, and by combination and extortion have established absolute dominion over money, over transportation, over invention, and over land and labor.

Submitting the foregoing as a basis of action, if you affirm them, please join with us in conference to formulate a plan for their speedy accomplishment.

JESSE HARPER,
Chairman N. G. L. P.

CALL FOR A MEETING OF THE STATE COMMITTEE AT ST. LOUIS, DEC. 21, 1882.

ST. LOUIS, Mo., Dec. 1, 1882.

There will be a meeting of the State Central Committee of the National Greenback-Labor Party of Missouri, at the Laclede Hotel in the city of St. Louis, on Thursday, December 21st, 1882, at 10 o'clock a. m.

The object of this meeting is to devise and put into effect a more thorough plan for inculcating and disseminating among the people the doctrines and principles of finance, land and labor reform advocated by the National Greenback-Labor Party, in order that in the great Presidential contest of 1884, these principles may have that consideration which their importance demands.

It is desired that this meeting shall be not only a meeting of the members of the State Committee, but a general conference of all who are interested in and favor the triumph of the principles of right, justice and good government over wrong, fraud, oppression and a corrupt management of governmental affairs. To secure this end the following persons are cordially invited, and earnestly requested to meet with the State Committee and by their wise, intelligent advice and counsel to assist in the great work of advancing the principles of genuine reform:

1st. The editors and publishers of all National Greenback-Labor, Anti-Monopoly and Independent newspapers.

2d. The officers and members of all National Greenback-Labor and Anti-Monopoly congressional, senatorial, county and local committees.

3d. All active workers in the ranks of the National Greenback-Labor party, and advocates of the principles of Anti-Monopoly in every section of the State.

The 21st of December is selected as the time and St. Louis as the place for the meeting of the committee, in order to give all who may attend this meeting an opportunity to attend the meeting of the National Committee of the National Greenback-Labor Party of the United States which will be held in St. Louis on Wednesday, Dec. 20th, at which time it is expected there will be present leading members of our party from every State in the Union. We will thus have a grand two-days reunion of those who have devoted themselves to the noble and patriotic task of rescuing this government from the grasp of the Money Power and the Monopolies which are threatening the very existence of free representative government in this country, and making it once again what our fathers intended it should be—"a government of the people, by the people and for the people." JOHN M. LONDON,
Chair'm State Cent'l Com.
H. MARTIN, WILLIAMS, Sec'y.

CONGRESS convened Monday.

GEN. WEAVER and Ex-Congressman Gillette have purchased the Iowa State Tribune, the Greenback paper published at Des Moines. The Tribune under the management of these eminent gentlemen, will do great good for our cause. Their action in thus placing their time and money shows that they have the utmost confidence in the future of the Greenback party.

THE Cook brothers, Kansas desperadoes, were captured at Moberly, Monday. One was killed, one mortally wounded and the other badly wounded in making the capture. A lively skirmish was kept up for a considerable time between Lynch, marshal of Moberly, and posse and the desperadoes. The Cook brothers moved from Illinois to Kansas. They were wanted at various places for horse stealing and at Topeka for wounding the Sheriff and deputy in resisting arrest.

James Leeper, Nova Payton, Edward Payton, et al, defendants.

At this day comes the plaintiff by its attorney, and files its petition, alleging among other things that your defendants, Nova Payton, Edward Payton, Nancy Waples, Edward B Waples, Jordan Leeper, Horace Leeper, John G. Leeper, James D. Leeper and Cyrus S. Leeper, are non-residents of the State of Missouri, so that the ordinary process of the law cannot be served upon them.

Whereupon, it is ordered by the clerk in vacation that said defendant be notified by publication, that plaintiff has commenced suit against them in this court, the general object and nature of which suit is to enforce the lien of the State of Missouri, for back taxes due to said state, to the amount of $11.92, for the years 1871, 1874, 1875, 1876, 1877, 1878, 1879 and 1880, together with interest thereon at the rate of ten per cent. per annum, as prescribed by law, together with fees, commissions and cost of this proceeding against the following described lands, situate in Livingston county, Missouri, to-wit:

The south west quarter of the north west quarter of section twenty-eight (28), township fifty-eight (58), of range twenty four, and that said real estate, or so much as may be necessary, may be sold to satisfy such judgment as may be rendered herein; and that unless the said defendants be and appear at this court at the next term thereof, to be begun and held at the court house in the city of Chillicothe, in said county, on the 22nd day of January, 1883, and on or before the 6th day of said term, answer or plead to the petition in said cause, the same will be taken as confessed and judgment will be rendered accordingly.

And it is further ordered that a copy hereof be published, according to law, in the Chillicothe Crisis, a newspaper printed and published weekly in the city of Chillicothe, in said county and State.

I, James Wright, clerk of the circuit court within and for said county and State, hereby certify the above and foregoing to be a true and complete copy of the original order of publication in the cause therein named, as the same now appears in my office.
