The Unknown Heirs or Devisees of William Nave, Deceased, Defendants.

At this day come the plaintiffs herein, by their attorneys, Groom & McCoskey, and file their petition and affidavit, alleging, among other things, that defendants, the unknown heirs or devisees of William Nave, deceased, are, as plaintiffs verily believe, interested in the subject matter of said petition as such heirs or devisees of the said William Nave, as claiming by, through or under him, and whose names plaintiffs cannot insert in said petition for the reason that said heirs or devisees are unknown to plaintiffs, and that the interest of said unknown persons, if any, is that of heirs or devisees of the said William Nave, deceased, and that such interest is derived by inheritance, so far as plaintiffs' knowledge extends.

Whereupon it is ordered by the clerk in vacation that said defendants be notified by publication that plaintiffs have commenced a suit against them in this court, the object and general nature of which is to foreclose a deed made by James H. Gideon, sheriff of Taney county, Missouri, conveying or attempting to convey to John May all the right, title, interest and estate of William Nave of, in and to the n ½ nw fr ¼, and nw ¼ ne ¼, sec 25, twp 26 of range 22, lands in Taney county, Missouri, and also to decree title to said lands under the statutes of limitations, and that unless the said unknown heirs or devisees of William Nave, deceased, be and appear at this court at the next term thereof, to be begun and holden at the court house in the town of Forsyth, in said county, on the 9th day of April next, and on or before the first day of said term, unless further time be given by the court, and answer or plead to the petition in said cause, the same will be taken as confessed, and judgment will be rendered accordingly.

And it is further ordered, that a copy hereof be published, according to law, in the Taney County Republican, a newspaper published in said county of Taney, for four weeks successively, the last insertion to be at least four weeks before the first day of said next April term of this court.

Women's Christian Temperance Union.

The White Ribbon assumes all responsibility for the sentiments and statements herein.

Our Motto—For God and home and native land.
Our Watchword—Prayer—Scripture.
Our Badge—A knot of white ribbon.
Our Aims—Home protection; prohibition of the liquor traffic; a pure and true standard of morals for the nation; the spirit of better public sentiment.
Our Watchwords—Agitate, Educate, Organize.
Pres. Forsyth W. C. T. U., Mrs. Etta Boswell.

PLEDGE:

I hereby promise, God helping me, to abstain from the use of all intoxicating drinks, including wine, beer and cider, and to employ all proper means to discourage the use of and traffic in the same.

The Union met at the home of Mrs. Boswell Wednesday, March 19. Meeting was opened by singing, "My Faith Looks Up to Thee." Roll called by secretary. Several members were present, each responding with a scripture quotation. Scripture read by president. Prayers, closed by Mrs. Mollie Haven. This was an evangelistic meeting, using Bible reading entitled, "Character Building," which was fully discussed. Many good and helpful words were spoken. It was truly a spiritual uplifting for each one present.

The meeting was marred somewhat by the intelligence that Mrs. Haven was meeting with us for the last time, as she will soon start for her new home, still the meeting will be long remembered. We are sorry to have Mrs. Haven go from among us. Still, our loss will be someone's gain. She is an earnest temperance worker, and will wear the white ribbon wherever she goes; "And we shall still be joined in heart and hope to meet again."

At the close of the meeting the secretary passed the pledge book. Mrs. J. W. Hughes and Miss Mattie Jennings both signed the pledge and donned the white ribbon. We are glad to have them for members.

The next meeting will be held with Mrs. Tolerton. Meeting closed by singing, "Blest be the Tie That Binds," and repeating Mizpah.

We have at last been successful in raising the amount required for the anatomical chart for the school, and the chart has been ordered from Mrs. Emma Robertson. We wish to extend our thanks and appreciation to those who have in any way helped us in raising the money, and especially do we thank the board of directors for their assistance. We trust that the aid will be a benefit to the young of this place, and we know it will if it is rightly used.

Mrs. Tolerton has succeeded in organizing the Loyal Temperance Legion, with about 25 members. The children seem very much interested. We hope all parents will interest themselves in this work.

DO YOU KNOW?

Do you know that we have in the United States one hundred and seventy-seven thousand, three hundred and sixty-three churches?

Do you know that we have over two hundred and forty thousand saloons?

Do you know that we pay to the liquor traffic one hundred million dollars every thirty days?

Do you know that with the hundred million of dollars we send eight thousand souls to eternity every thirty days?

Do you know that fifty per cent. of every dollar tax you pay is because of the liquor traffic?

Do you know that two thirds of the crimes of this nation are because of the liquor traffic?

Do you know that we have twelve hundred and fifty thousand drunkards, with will, mind, character, hopes for this life and the future gone?—Searchlight.

A Most Liberal Offer.

All our farmer readers should take advantage of our unprecedented clubbing offer we this year make, which includes with this paper The Live Stock Indicator, its special Farmers' Institute Editions and the poultry farmer. These three publications are the best of their class and should be in every farm home. To them we add, for local, county and general news, our own paper, and make the price of the four for one year only $1.50. Never before was so much superior reading matter offered for so small an amount of money. The three papers named, which we club with our own are well known throughout the west and commend themselves to the reader's favorable attention upon mere mention. The Live Stock Indicator is the great agricultural and live stock paper of the west and southwest; The Poultry Farmer is the most practical poultry paper for the farmer, while the Special Farmers' Institute editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer, as it will hold good for a short time only. Samples of these papers may be examined by calling at this office.

One Minute Cough Cure
For Coughs, Colds and Croup.

The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.

Dr. Kilmer's **Swamp-Root** the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y. and mention this paper.
