"OVER THE TOP" IN CITY AND COUNTY

Chairman Odell Says That Kandiyohi County Has Subscribed Its Quota of Victory Loan.

Kandiyohi County has gone "over the top" in the Victory Loan. The City of Willmar has also passed the mark of buying the Victory notes allotted to its people. While details are lacking, and there are yet some reports and odds and ends to be accounted for, this much is known that the people of both City and County have subscribed the full amount asked of them. There really was never any doubt about that they would, but still the accomplishment brings relief and satisfaction to County Chairman C. W. Odell and the committees charged with the responsibility of securing subscriptions.

SOLDIERS ATTEND SPECIAL SERVICE

Patriotic Service at Synod Church in Honor of Returned Soldiers.

The special service at the Synod church last Sunday evening for returned soldier boys was an impressive event with the building packed to the doors. Thirteen boys representing that many of the nearly fifty stars on the service flag of the church, attended in uniform in a body and there were other returned soldiers in the audience. Some of the boys are still in France and others are returning, but it was deemed best to have this service before those who have returned would be scattered.

Miss Marie Berg at the pipe organ played patriotic selections. At the first strains of the Star Spangled Banner, the audience arose and remained standing as the soldier boys marched from the basement to the pews reserved for them which were decorated in red, white and blue. Potted plants, flags and cut flowers made a beautiful effect in the church.

The opening service was conducted in the usual way. Rev. Andersen, the pastor, read the 100th psalm, which as a hymn of praise was most appropriate. The church had a special cause for thanksgiving, the pastor said, in the fact that of the nearly fifty boys which it had sent forth, not a one was represented by a gold star, neither from wounds nor disease albeit some had been severely wounded.

The theme for the pastor's discourse was, "What the War has Taught Us." One of the telling points made was that the war has awakened the latent patriotism of our people both naturalized and native born, and made all more fully realize what it means to be a citibzen of this American Republic. The speaker referred to the case of Jacob Riis, the author, who when lying ill in Copenhagen, was stirred by the appearance of an American flag in the harbor to realize fully that he had become, heart and soul, an American.

At the close of the address, the audience arose and sang, "God Bless Our Native Land." Mr. William Rykken sang two Victory songs, and the service closed in the usual way.

Tuesday afternoon, April 29th, the Ladies of the Bethel Lutheran church met in the church parlors and organized a local Home and Foreign Missionary Society. The conference organizer, Mrs. S. A. Ohsberg, secretary and treasurer; Mrs. Elmer Bergquist, corresponding secretary; Miss Englund, to solicit subscriptions for the Mission paper; Mrs. Charlie Carlson to solicit eggs for the Easter Mission offering; Mrs. A. H. Brown, chairman of the Charlotta Fund; Mrs: Anders Jönsen to solicit gifts for the China Mission; Mrs. Victor Nelson to sell dime books; Mrs. Carl Anderson to sel India laces; and Mrs. Martin Blomquist to sell calenders; Mrs. Andrew Hanson to solicit members, and Mrs. Eben Lawson, delegate to the Synod.

The officers elected for the Junior Department are: Mrs. Alma Knock, president; Miss Hattie Carlson, secretary and Miss Hilma Englund, cashier. The annual membership fee of the Senior Society is fifty cents, and of the Junior, twenty-five cents. This first meeting was a very enthusiastic one and all were made to feel the true missionary spirit.

A Novel Illusion.

A foxy contraption has been installed by Ben Benson in the window of his plumbing shop. A disconnected faucet fastened to a couple of wires is made to hang in midair, but from its mouth there comes a continuous stream of water. Where does the water come from? Is it an optical illusion or is it a real stream of water? It will bother you to figure out the problem.

ENJOYABLE CONCERT AT LUTHERAN SYNOD CHURCH

One of Willmar's native sons appears with three other representatives of the Mozart Club of Manitowoc, Wisconsin, in exceptionally fine musical program.

Willmar has reason to feel proud of many of her sons who have destinuished themselves in different fields of endeavor. Rev. E. A. Boyd of Manitowoc, Wisconsin, is a Willmar boy who came back last Wednesday evening, bringing with him, three other musical artists. They gave a concert at the United Lutheran Synod church and it was one of the best and most enjoyable concerts heard in this city for many a day.

Mr. Boyd first played the clarinet as a member of the Willmar Seminary band. Later he became clarinet soloist with the Luther College band of Decorah, Iowa, and today he ranks with the best of them as a concert clarinetist.

Every member of the company was an artist of the first rank. Orville Westfor on the violin demonstrated unusual ability and pleased his audience immensely. He rendered the most difficult selections in a masterful manner. His violin spoke so clearly and beautifully that no one could help but understand and enjoy it.

Miss Anna Kubosch, who has had grand opera experience, sang several selections. She has a beautiful rich clear voice and her singing pleased everyone.

Mr. F. F. Horstmeiers accompanied the soloists on the pipe organ and his work was of such a nature that the whole audience was talking about it when the concert was over. He has an exceptionally fine full strong base voice too and sang one solo and the only regret was that he did not sing more and offer a pipe organ solo. The pipe organ, violin, clarinet and soprano quartettes were exceptionally fine.

The concert lasted one hour and fifteen minutes and the only complaint we have heard is that it did not last twice as long.

It was given under the auspices of the Young Peoples Society.
