

...We procured a sample of the cheese manufactured by the Cheese Factory of this city, and we think it a No. 1 cheese.

J. P. Flynn has his large and commodious house in Sunnyside under headway. When completed, it will be the largest and finest residence in the addition.

Plant fruit trees on every available piece of ground you have. A big orchard can be set very cheap. Trees are cheap, but fruit, when we have it to buy, comes high but it finds a ready sale and always will. If you want fruit trees of any age, size or variety, call at the Daw's office. We are taking orders for the Jewett Nurseries of Klickitat county.

Rev. S. M. Booth will hold communion services at the M. E. church next Sunday morning. In the evening, the Sabbath school will hold Children's Day services. A specially prepared programme "The Golden Gate" will be rendered.

Rev. W. A. Shanklin, D. D., pastor of the First M. E. Church at Seattle, preached the Baccalaureate sermon at the Normal Hall Sunday. Mr. Shanklin, though a young man, is one of the most eloquent speakers in the state. His theme was "Leadership" and he proved himself a leader. In the evening he preached to young men in the M. E. Church upon "Manhood." Both sermons were rich in thought, elegant in diction and eloquent in delivery. His visit to our city will not soon be forgotten by those who heard him.

At the present time, when low prices prevail, the farmer, orchardist or vineyardist who handles his routine work, as well as his crop, the most cheaply and expeditiously is the man who shows the best profit for the year. It therefore follows that, since the Ajax Coal Oil Gas Engine is the latest, best and cheapest power obtainable, that Palmer & Key, San Francisco, Cal., are in a position to help you add materially to the net profit of your ranch. Investigate and be convinced!

Strength and purity combined is what you get when you buy "Bossong Ground Before Your Eyes" spices.— Don't forget this!

35 to 50 per cent. saved if you use "Bossong's Ground Before Your Eyes" spices. If money is an object, and strength and purity desirable, I can satisfy you!

Remember that when you buy "Bossong's Ground Before Your Eyes" spices, you don't get ground peas and coconuts shells, but an absolutely pure article.

If you are struggling for an article of purity in the great sea of adulteration what a world of comfort in the magic words: "Ground Before Your Eyes" spices at Bossong's!

Just because there has been some discord in the Populist ranks is no reason why we can't come together now and all pull together—we must do it.

The only way the Populist party can be defeated is by the party allowing itself to be divided by the demo-republican side show party.

We acknowledge the receipt of a couple of beautiful silver badges from Mr. W. S. L. Fear of Union Springs, New York. They sell for 25 and 50 cents—owing to size.

They are Populist badges and seem to meet the requirements. Send for one—they'll please you.
