His daughters, who accompany him, are full of life and merriment, and have become great favorites with the guests. Buried Long Ago.

Yesterday while the men were at work excavating for a sewer to St. Joseph's academy, they found the body of a lady that had been buried there probably a good many years ago. The body was encased in an old-fashioned cast iron casket. When the men first struck the casket they fancied they had found the money chest of Capt. Kidd and were disposed to keep the discovery quiet, but that was impossible and the casket was unearthed. After removing the earth about it the iron covering over the glass plate was removed and the face of the occupant of the casket was plainly visible. The body appeared to be that of a young lady and was in was in a state of perfect preservation. It was buried in a silk dress, and the veil and dress were apparently in the same condition as when the remains were first placed in the ground. It is supposed that the body must have been deposited there not less than twenty-five or thirty years ago. The fact of its having been found was communicated to Messrs. McCarthy and Donnelly, and they had the remains removed to Calvary cemetery, where it will be buried to-day.

Preparations for a Great Gathering.

The German Catholic committee met at Assumption hall, Monday evening, and reported concerning the great gathering of the German Catholic Benevolent societies in this city in September, which will be represented by delegates from every state in the Union and by delegates from a number of the prominent cities. It is understood that Mayor O'Brien will make the speech of welcome and Gov. Hubbard will also be invited to address the convention. There will be an immense procession, seven street arches, and the gathering will be one of the largest ever held in the state, excursion trains running hither from all the principal western cities. Sixty-seven societies have already notified the local committees that they shall be present by delegates and members.

Sixth Ward Shooting Affray.

At about half past 11 last night Jack Slattery and a pal entered O'Connor's saloon on Fairfield avenue, West St. Paul, and demanding the beer, drank the same. Mike O'Connor, a seventeen-year-old brother of the proprietor, was tending bar, and the couple starting to leave without paying their bill, demanded the same of them when they began giving him some very ugly lip, he seized a club and hit Slattery a rap on the head and rushing into a little room procured a revolver and sent a shot after the flying debtors. The shot took no further effect than to summon Officer Ringwald to the spot, who secured Slattery, his pal escaping. The officer then proceeded to the saloon and arrested young Mike, and summoning the patrol wagon, both were locked up in the city hall.

LATE STILLWATER NEWS.

SERIOUS ACCIDENT LAST NIGHT.

C. P. Gregory Badly Injured by a Runaway Horse.

Last evening at 8:45, a horse and buggy occupied by William Saumprey and his wife were coming down Central street, and while passing a couple of young girls a dog they had with them attempted to catch the horse when he struck at the dog with the whip, which started the horse. When coming down the hill the horse got beyond his control and dashed across Fourth street in the direction of Third. C. P. Gregory was standing with his horse on the scales opposite O'Neils grocery store talking to James Gillespie. He saw the runaway coming and tried to drive his horse and buggy out of the way but before he could do so Saumprey's buggy struck Gregory's buggy, throwing Gregory into the air and he fell on the beam of the scales and dropped from it to the ground. Gregory is very seriously injured internally. Dr. Merrill cannot tell whether any ribs are broken or not. He was taken home and is doing better than was expected. Mrs. Saumprey was thrown from the buggy head first into the street but was uninjured and Mr. Saumprey was thrown on top of Gregory's buggy but was only hurt a little on one of his legs. Gregory's buggy was badly damaged but Saumprey's buggy came out all right. It is a wonder all were not killed.

Nearly every state in the Union, and nearly all important trunk lines of the county were represented. There were addresses of welcome by D. L. Sturgis, of the local committee, and several prominent citizens. The responses were by J. D. Welch, of Cincinnati, president of the association; Veteran Agent Capt. F. D. May, of Philadelphia, and others. James S. Reed, of Chicago, orator of the association, in an address gave an interesting history of the association from its inception at Buffalo in 1872 to date. He earnestly recommended that action be taken at this meeting looking to a co-operation of agents for the restoration and maintainance of tariff rates. Election of officers to-morrow. The ball at the American hotel this evening was largely attended.

HAY FEVER—I have been a great sufferer from Hay-Fever for 15 years and have tried various things without doing any good. I read of the many wondrous cures of Ely's Cream Balm and thought I would try once more. In 15 minutes after one application I was wonderfully helped. Two weeks ago I commenced using it and now I feel ENTIRELY CURED. It is the greatest discovery ever known or heard of.—Duhamel Clark, Farmer, Lee, Mass. Price 50 cents.
