Curious, But True.
Few people would imagine that a Refrigerator is the proper place to keep crackers, cookies, etc., but it is a fact that if kept in a Leonard Refrigerator they will remain as fresh and crisp as when first baked. It is a regular drying machine, and cold dry air is necessary for the proper preservation of meats and provisions. Call and see these wonderful refrigerators at St. Paul Hardware Co.'s, 78 and 80 East Seventh street.

Pullman Vestibuled Trains.
The Chicago, Milwaukee & St. Paul railway takes pleasure in announcing to the traveling public that it is now running daily complete vestibuled trains between Chicago, St. Paul and Minneapolis.
These trains are the perfection of the car builder's art, and consist of baggage cars, day coaches, Pullman's best sleepers and the finest dining cars in the world. An inspection is invited and comparison challenged, the company assuring its patrons that the same splendid record which has given it the bulk of the business as against old and new lines, and which has induced the United States government to renew its fast mail contract, and extend it east as well as west-bound, will be maintained, and that when they travel by this line they are getting the very best accommodations that money can buy.
