THE poor of the big cities are being fed on a mixture of sawdust and rye flour. Great is charity.

THE corn crop of 1895 will yield 2,325,000,000 bushels, the greatest crop ever grown in the history of the United States.

THE vote of the People's party in this state increased 6,272 between 1892 & 1894, while the republicans gained only 673, and the democrats lost 15,786.

THE wheat crop of the United States is more than a hundred million bushels short and is selling at less than the cost of production, while millions of people are starving to death. Great is prosperity.

MY son, heed not the democrat that shall say unto thee, "I am for free silver," nor the republican that shall repeat, "I am also." Verily I say unto you, that grapes do not grow on the cacti plant; neither do figs grow on skunk weed.

A CALL has been made for a convention of the State Reform Press Association to meet at Spokane, on Oct. 3-4. The object of the convention will be to outline somewhat the policy of the reform press and to increase its efficiency for 1896.

HAVE you converted anyone to Populism? If not, why not? Are you going to be a drone? Hump yourself. Get a move on you. Do something. Don't be a holiday soldier. If you cannot do anything else get a dozen of your neighbors to subscribe for the DAWN.

YES, a Populist state administration is a terrible thing. In Kansas they saved to the tax-payers over \$500,000 annually, and in North Dakota, in 1893, made a reduction in the state taxes of \$125,000, and materially lessened the state debt contracted by the republicans.

We will send you the Dawn from now until January 1st 1897 for 50 cents.

THERE are some boys round town who, it seems, make a business of breaking in the windows of empty buildings wherever they find them. Would it not be well for the proper authorities to look after them a little? It is neither pleasant nor profitable for property owners to have their property destroyed for no other reason than that they are without tenants, and it can certainly do the boys no good.

STATE MEETING.

There will be a meeting of the State Central Committee of the People's party at Spokane, on Oct. 3, at 10 a. m. A full attendance of the committee is desired.

M. D. WOOD, Secretary.
M. P. BULGAR, Chairman.

EAST WASHINGTON W. C. T. U. THE THIRTEENTH ANNUAL CONVENTION.

The convention opened with the following officers present: President Mrs. Della C. H. Cox; Cor.-Sec'y Mrs. M. E. Claus; Rec.-Sec'y Mrs. M. F. Edgington; Treasurer Lucy R. Berry; Supt. of Depts. Mrs. E. C. Bodwell; M. F. Edgington.

Delegates: Kittitas county: Minaie Mohr, Roslyn.

Delegates from Local Unions:

- Mrs. Fannie Penn, Garfield
- Marie Mills, Thompson
- Sarah Gordon, Thompson
- Mattie Samuels, Dayton
- Susie Masters, Dayton
- H. Doty, Ellensburg
- Ella Emerson, Ellensburg
- McCumber, Damm
- E. Haight, Roslyn
- Bonsel, Roslyn

Mrs. Courtwright, from Palouse was a visiting member. Miss M. Brown, delegate from the I. O. T. of Roslyn. Many of the delegates were notified not to come, on account of the scarlet fever—only one half the number attended who had arranged to come were present.

The program was carried out as nearly as possible, that is the order of business. The public meetings were not as expected, some of the speakers could not be with us. Miss Page, of Olympia, could not be with us, much to the disappointment of all. The address of welcome in behalf of the ministers by Rev. S. D. Belt, was greeted with enthusiasm. Next in order was the address of Mrs. J. A. Laurendeau, in behalf of the W. C. T. U. which was one of her own chosen greetings. Mrs. C. E. Bodwell, of Dayton, in her usual happy manner, gave the reply to the address of welcome.

Excellent music was furnished by Mrs. Ella Emerson, little Miss Lena and Master Bun Emerson—each sang a solo—which was greeted with cheers. Now we come to the annual address of the President. I wish I had space to tell the many good reports and thoughts given but we who live here all know Mrs. Cox, have heard her lecture and can readily form an idea of all thoughts given were grand ones for the uplifting of humanity. She urged that we make a long pull—a strong pull—and all pull together—in that way we hope to accomplish much in the future.

Mrs. Penn, of Garfield, gave some good recitation. There were so many good reports I have no space to give, but these reports will go to show the good work being
