REPUBLICAN EXTRAVAGANCE

IN THE MANAGEMENT OF STATE AFFAIRS SHOWN BY COMPARATIVE STATEMENT COMPILED BY AUDITOR GORDON.

DEMOCRATIC ECONOMY

Means a Saving of a Quarter of a Million Dollars Per Year to the Taxpayers.

AN APPEAL TO THE RECORDS.

The following comparison of the expenses and receipts of the offices conducted by Republican and Democratic State officials for a like period of time was made by the Hon. John P. Gordon, Auditor of Missouri. The figures were compiled from the records in the Auditor's office, are authentic and official, and speak for themselves:

THE GOVERNOR'S OFFICE.

CONTINGENT EXPENSES.

Under Governor Folk, a Democrat, for twenty months, from Jan. 1, 1907, to Sept. 1, 1908, ..$2,216.11

Under Governor Hadley, a Republican, for twenty months, from Jan. 1, 1909, to Sept. 1, 1910 ..... $3,982.29

Which shows that it is $1,766.18 cheaper for the people under a Democratic Governor than it is under a Republican Governor.

CURRENT EXPENSES OF THE GOVERNOR'S MANSION.

Under Governor Folk's administration for twenty months, from Jan. 1, 1907, to Sept. 1, 1908, $3,567.63

Under Governor Hadley for twenty months, from Jan. 1, 1909, to Sept. 1, 1910 ..... 4,653.32

Which shows that this department cost the people $1,085.69 more to maintain Republican Governor Hadley, than it did Democratic Governor Folk for 20 months.

For the same length of time under Governor Folk it cost the people for the maintenance of grounds at the Governor's mansion.... $ 746.25

While under Governor Hadley it has cost the people for the same time 1,671.10

Which shows that even in this department the Republican Governor cost more than twice as much or 924.85 more under a Republican Governor than under a Democratic Governor.

Under Governor Folk's administration, during the same four years, it did not cost the people anything to buy a team and surrey for him but it cost $832.75 to furnish a Republican Governor with a surrey and team.

We will give just a few items to show why a Republican administration of the Governor's office is more expensive than a Democratic administration. The people are paying Governor Hadley $12.00 a month board for the servants. This is something which no Democratic Governor ever asked, or was paid. He has his servants, who it would be $60.00 per month, and for his term it will cost the people $2,000.00 more than any Democratic administration in this State. Every Democratic Governor has furnished his own horses and surrey, but the first Republican Governor the State has had in forty years must have one furnished out of the pocketbook of the people.

Democratic Governors, when attending meetings out of the State, paid their own expenses, but Governor Hadley charged his expenses of a trip to New Orleans to attend a Chiefs and Women's Convention to the State. The record Republican Governor does not seem to think that goods made by men on labor are good enough for his use, consequently he has imported men on little linens from Scotland.

ATTORNEY-GENERAL.

CONTINGENT EXPENSES.

Under Attorney-General Hadley for twenty months, from Jan. 1, 1907 to Sept. 1, 1908 ..... $8,508.72

Under General Major for twenty months, from Jan. 1, 1909, to Sept. 1, 1910 ..... 7,418.27

Which shows that General Major has saved the people in this one item $1,090.45.

COST OF LITIGATION.

Under the Republican Attorney-General for eight months, from Jan. 1, 1907 to July 1, 1907 ..... $6,781.03

Under the Democratic Attorney-General for eight months, from Jan. 1, 1909 to July 1, 1910 ..... 20,027.13

Of the amount $20,027.13, $8,417.77 was inherited from General Hadley's administration, which shows that it cost $5,571.85 more to run this office under a Republican Attorney-General for eighteen months than it does under a Democratic Attorney-General.

GAME PROTECTION.

CONTINGENT EXPENSES.

Under a Democratic administration from Sept. 1, 1907, to Sept. 1, 1908 ..... $13,113.28

Under a Republican administration for the same length of time, from Sept. 1, 1909, to Sept. 1, 1910 ..... $3,205.67

Which shows that under a Republican administration it costs the people $9,907.61 more than under a Democratic administration.

We will give a few items of expense under the Republican Game Warden to show where the money goes:

He has spent in the last six months, for birds, which means pheasants $6,168.67

He spent for chicken hens, at seventy-five cents each 450.00

He has spent for telephoning and telegraphing about same pheasants 133.42

He has spent for express and freight the sum of 871.35

He has spent for chicken coops in the last six months the enormous sum of 2,707.40

He has spent for bird cages..... 2,770.15

His stationery and printing bill for six months is 1,005.20

He has bought horses for the Game Farm to the tune of..... 350.00

ADJUTANT-GENERAL'S OFFICE.

CONTINGENT EXPENSES.

Under a Democratic administration for twenty months, from Jan. 1, 1907, to Sept. 1, 1908....$4,871.20

Under General Rumbold, a Republican, for the same length of time, from Jan. 1, 1909, to Sept. 1, 1910 ..... 7,416.87

This is $2,545.58 more than under a Democratic administration.

NATIONAL GUARD EXPENSE.

Under a Democratic administration, from Jan. 1, 1907, to Sept. 1, 1908 .....$78,241.17

Under General Rumbold, a Republican, for the same length of time, from Jan. 1, 1909, to Sept. 1, 1910 ..... $6,276.71

Which shows a Republican Adjutant-General costs $8,035.56 more than a Democratic Adjutant-General.

NAVAL RESERVE EXPENSE.

Under a Democratic Adjutant-General for twenty months, from Jan. 1, 1907, to Sept. 1, 1908 .....$1,658.64

Under General Rumbold, a Republican, it has cost for the same length of time, Jan. 1, 1909, to Sept. 1, 1910,.....$4,145.17

Which shows that this department cost the people $2,487.16 more for a Republican Adjutant-General than it did for a Democratic Adjutant-General.

WAR RECORDS.

Under a Democratic Adjutant-General it didn't cost the people anything 000.00

Under a Republican, Gen. Rumbold, it has cost for twenty months $3,949.22

SALARIES.

Rumbold's expenses of trip to Los Angeles in September, 1909, at the expense of the State ..... $ 256.00

Automobile hire in June, 1909 ..... 25.00

Automobile hire at Camp Rumbold, August, 1910 ..... 150.00

January, 1910, two sub-target rifle machines 50.00

National Rifle Association meeting at Marshfield, O. 250.00

SECRETARY OF STATE.

CONTINGENT EXPENSES.

For twenty months, from Jan. 1, 1907, to Sept. 1, 1908, of the administration of John E. Swanger, Republican $8,566.02

For Cornelius Roach, Democrat, from Jan. 1, 1909, to Sept. 1, 1910 ..... 9,088.61

Showing that it costs the people to maintain a Republican Secretary of State for the same length of time, $477.52 more than a Democratic Secretary of State.

The records show (either there that the fees collected by the Secretary of State including incorporation fees, from Jan. 1, 1907, to Sept. 1, 1908, under John E. Swanger, Republican, the amount of $34,570.92

And from Jan. 1, 1909, to Sept. 1, 1910, under Cornelius Roach, to execute the amount of $41,193.41

Which shows that under a Democratic administration the people are saved to the extent of $6,622.49

Mr. Swanger's receipts include fees of the Banking Department which was then a part of the Secretary of State's Department. The Roach office's receipts during Mr. Roach's term do not include the Banking Department fees, as the Bank Department has been separate since January, 1909.

The record further shows that fees collected under W. W. Wilder, Republican, from Jan. 1, 1907, to Sept. 1, 1908, amounted to 1,616.00

And from Jan. 1, 1909, to Sept. 1, 1910, under John P. Gordon, Democrat 4,082.97

These are the official records, Mr. Voter, which will you endorse by your vote November 8th, the Republican record of extravagance, or the Democratic record of economy?

The above record demonstrates thoroughly that the Democratic party is the party of economy in Missouri, and that the Republican party is the party of extravagance. Democratic rule in Missouri reduced the tax rate from 50 cents to 17 cents on the $100 assessed valuation—last year the tax rate in the adjoining states of Nebraska, Kansas, Iowa and Illinois was 63 cents, 54 cents, 49 cents and 46 cents, respectively. Not being able to raise the tax rate in Missouri, the Republicans seek to raise the assessments in order to obtain money to meet their extravagances.

Gov. Hadley is an advocate of assessing farm lands at full market value, and urged the assessors to so assess it. When the question of the equalization of the farming lands of the State came before the board of equalization at its final meeting, Gov. Hadley was not satisfied with the work of the county assessors, as to the real estate, and worked and voted for an increased assessment, from about thirty-three and one-third per cent, at which farms are now assessed, to one hundred per cent of their value. Gov. Hadley made the mistake, although a lawyer, of considering the board of equalization a board of assessors. He didn't stop to appreciate the fact that the board could only equalize, not assess. Fortunately for the farmers of Missouri, the four Democrats of the board, Messrs. Cowgill, Gordon, Roach and Major, stood by the farmers and prevented the raise in their assessments of 300 per cent.

MONUMENTAL TALKS.

The agent for non-resident firms tells you what bargains he is furnishing in monuments; how in some way he is saving a deal of freight; selling work at wholesale, owning large manufacturing plants, and possibly owns a quarry or two.

But possibly he forgets to tell you what commission or salary he is getting for selling work, what his traveling expenses are per month; also that he would be of no use to the firm he works for unless he made them a profit in addition to these extra expenses; that in any saving of freight or some other expense it is the local dealer who has the advantage; that the best satisfaction and best terms in buying monuments are obtained from buying direct from some reliable dealer and not through agents; that the best work is not obtained from the "cheap John" talker, and cheap work is dear at any price.

We do not employ agents. Cramer's monuments are dependable in every way. Give us a chance to show you what he can do, then if for any reason you do not think to you best interests to patronize the home dealer we will be glad to give you the names of other reliable dealers. It is not necessary to buy through agents and pay the extra salary or commission.
