AN OPINION WORTH READING.

To the Editor of the Gazette: It gives me great pleasure to be able to speak from my own experience of the skill and ability of Dr. W. C. Boecker, of this city, in the treatment of the eye, ear and nasal organs. I have found the Doctor invariably kind and courteous to his patients, and his success in the treatment of the eye, ear and nasal organs has been very marked. Many who were fast drifting into total blindness have had their sight restored by the skillful application of the proper glasses, and many others who were deaf have had their hearing restored by the use of his artificial ear drums. I cordially recommend Dr. Boecker to the people of this city and vicinity as a gentleman and a skillful specialist.

Very respectfully,

JOHN A. SCOTT,

President First National Bank.
