Realizing the Crown Policy.

We have a sort of marvelous how-dy and ready the lot on it about [illegible] The propagandist and foolish [illegible] which the people were [illegible] in the last political campaign [illegible] even in the interest of free [illegible] United States were fooled to the top [illegible] by the agitation and [illegible] politicians, and indeed the intelligent concentrator in the [illegible] found itself in the result of that [illegible] tion, committed to a design which [illegible] not any measure, but completely [illegible] less.

The McKinley bill was the highest [illegible] frightened the American people [illegible] their senses. No one pretended, in [illegible] results, that as they were [illegible] mitted on that measure. But [illegible] shadows could be [illegible] by the [illegible] made a decided. In [illegible] its appeal [illegible] the disaster and unsettlement in [illegible] and industrial life which was [illegible] so wonderfully as the [illegible] of its enactment. Of course, the [illegible] bill, so called, is still the law [illegible] land, and it will so remain unless [illegible] hybrid majority in the next congress [illegible] to take the responsibility of [illegible] established values and [illegible] the uncertainty which [illegible] years from tariff discussion [illegible] contemplated changes.

[illegible] many of the reformers' [illegible] have come to pass. All the [illegible] of life, we were secured [illegible] advance in prices. The [illegible] to [illegible] a [illegible] monetary [illegible] of bankruptcy. Corruption and [illegible] were [illegible] necessary [illegible] of government [illegible] on, and the ship of state was [illegible] securely [illegible] between the [illegible] of disaster before even a [illegible] the last expired. What has happened [illegible] The country is prosperous [illegible] people comfortable and [illegible] afraid to display an [illegible] of unfriendliness from a European [illegible] which leaves of the opportunity [illegible] country can point to the action [illegible] Why did congress with all [illegible] and [illegible] and prevent [illegible] an intelligent answer to [illegible] of the Republican party.

[illegible] for the outcome of the legislation [illegible] congress [illegible] conservative [illegible] and [illegible] people [illegible] national [illegible] upon Lent upon [illegible] that all [illegible] may not.

Yankee Dodderism.

[illegible] bement been based [illegible] the true language of [illegible] would have [illegible] and which would have [illegible] of Secretary Blaine [illegible] President Cleveland and Blaine [illegible] President announced that [illegible] event. He would [illegible] at all [illegible] Democrat would [illegible] that.

[illegible] factory [illegible] Pa. [illegible] beginning [illegible] extending his plant as rapidly as [illegible] He is putting his product on market at $6.00 per ton, while Eng[illegible] made of the same grade sells at $21 [illegible]

[illegible] Danube is 1700 miles [illegible] navigable for some distance [illegible] steamers and there are [illegible] people who inhabit the country [illegible] by it which account for the [illegible] months of the river.

Absurdities.

There are some good things in the way of politics about the Alliance movement which anybody may safely endorse. It is the absurd portion of the Alliance platform that is relegating a great majority of the people who have joined into the Alliance movement, into the ranks of the Democratic party, and it is the absurd portion of the platform which is [illegible] [illegible] Alliance movement [illegible] Democrat who declared that the tariff should be reduced till there was a deficit in the treasury, and that all surplus should be printed and issued to everybody. Well, now, let us see how this would work. A [illegible] bill [illegible] a matter of course, [illegible] [illegible] [illegible]
