Holt County Sentinel

WALDO, MISSOURI, FRIDAY, NOVEMBER 13, 1908.

# FIRST IN 40 YEARS!

Herbert S. Hadley, Republican, is Elected Governor of Missouri. The First Republican Elected Since '68.

As we go to press, indications point to the election of Herbert S. Hadley, Republican, to the governorship of Missouri, by a majority of 10,000 to 15,000, and is the first Republican elected to this position since 1868. Indications now are that Taft has carried the state also by 3,000

The legislature will be Democratic by a dangerously small majority, which will insure the re-election of Mr. Stone to the United States senate, having beaten Mr. Folk by 20,000. It is believed the Democrats elect the remainder of their state ticket.
