The The The  
**Best. Rest. Test.**

There are two kinds of sarsaparilla: The best—and the  
rest. The trouble is they look alike. And when the rest  
dress like the best who's to tell them apart? Well, "the tree  
is known by its fruit." That's an old test and a safe one.  
And the taller the tree the deeper the root. That's another  
test. What's the root,—the record of these sarsaparillas? The  
one with the deepest root is Ayer's. The one with the richest  
fruit; that, too, is Ayer's. Ayer's Sarsaparilla has a record of  
half a century of cures; a record of many medals and awards—  
culminating in the medal of the Chicago World's Fair, which,  
admitting Ayer's Sarsaparilla as the best—shut its doors against  
the rest. That was greater honor than the medal, to be the only  
Sarsaparilla admitted as an exhibit at the World's Fair. If you  
want to get the best sarsaparilla of your druggist, here's an  
infallible rule: Ask for the best and you'll get Ayer's. Ask  
for Ayer's and you'll get the best.
