Lesson From Recent Events.

[illegible] All the young people are invited. There was a good attendance last Sunday night.

We are grateful for the splendid audiences at both the morning and night services last Sunday. It is an inspiration to the pastor to see all the seats filled. A goodly number of brethren from the Methodist, Evangelical and Christian churches were present, owing to there being no services in these churches. There was, however, preaching in the Evangelical church at night.

A cordial welcome is extended to all who have no other church home, to worship with us. Strangers in the city are gladly welcomed. Our church is centrally located, opposite the court house.

"O come, let us sing unto the Lord; let us make a joyful noise to the rock of our salvation. Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms. O, come, let us worship and bow down; let us kneel before the Lord, our Maker." Psalms 95.

The pastor is in attendance at the Synod of Missouri this week, as a commissioner from the St. Joseph Presbytery. It meets Tuesday, Wednesday and Thursday, at Carthage, Mo.

Preaching at Christian Church.

There will be preaching services at the Christian church, both morning and evening, on the last Sunday of this month, Oct. 31st, by Rev. A. J. Baird, of Union Star, Mo. All members are urged to be present, and every one invited to these services. **Brother Baird is well known in this district, this being his sixth year at Union Star, and he may be called to this church in the near future. Obituary

[illegible]

Calm, and beyond the sea.

The funeral service was conducted by a former pastor, C. F. Hard, at the Methodist church of Oregon, Mo., and her body was laid to rest in the Maitland cemetery. XX

What It Has Done.

Remember this fact, that from 1842 up to 1920, your courthouse has cost you a total of $25,450—$9,850 of which was paid by the citizens of Oregon and vicinity and the balance $15,600, by the taxpayers of the county, and you have as modern and substantial a structure as there is in all North Missouri.

The first cost $650 and was paid for out of the money derived from the Oregon town lot sale.

The second was built in 1851 and cost $6,000; paid for by the taxpayers of the county.

The third was built in 1881 by the taxpayers, and cost $9,600, and the life of Moses Bennett.

The fourth—an addition—cost $9,200 and was paid for by the citizens of Oregon and vicinity.

As a taxpayer, whether a resident of the farm or of any town in our county, we believe it to be to your interest to **scratch the word yes** on the proposition to remove the county seat from Oregon to Mound City, because you certainly do not want an additional bond tax to run for 20 years in addition to the 22 different federal taxes, and 14 different state and county taxes. **Scratch yes on this proposition,** and you will but be doing your part toward not only keeping down your own taxes, but those of your neighbors; doing your part toward preventing the alienation of kindred; the severance of the ties of friendships and the fostering of sectionalism in a county of only 14,084 in population. You will be doing your part toward preventing the practical confiscation of 50 per cent of the valuation of all the property in Oregon and Forest City. Do your simple duty toward your fellow man by **scratching yes** on the proposition which will be found at the end of your constitutional ballot.

—Mrs. Emma Guthrie of Lincoln district and Mrs. Geo. Derr and children, of Divide district, have returned from Horton, Kan., where they visited her sister, Mrs. Will Wiseheart, and other relatives.

To the Qualified Voters of Holt County, Missouri

I hereby announce myself as Candidate for Assessor on the Democratic Ticket.

I feel that I am thoroughly qualified for the office, having taken a business course at the Chillicothe Business College. Have spent my entire life on a farm, except one and one-half years that I was in the government employ, buying walnut, and one year in the service.

I will appreciate any support that you can give me.
