Never send a dollar away from home when the article that dollar will purchase can be obtained at home. Money is our commercial blood. Its circulation keeps the body alive. Bleed that body by sending the money away and business will put on a look of lethargic inactivity. Always trade at home. Watch the bargains offered by our enterprising advertisers, and you will learn the best place to spend those home dollars, and the enterprising merchant will find it greatly in his interest to buy the products of our farmers, rather than the products of eastern farmers. Keep our wealth at home.

The write-up of this county as we are now publishing in pamphlet form, is the most complete description and history of Kittitas county ever put into print. "Why, one of the saints approves of dancing," said the comedienne. "One of saints?" responded the minister, quite astonished. "Why, yes—St. Vitus," answered the little actress, with a twinkling of the eye.

By local applications as they cannot reach the diseased portion of the ear, there is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh. Send for circulars; free.

FAIRVIEW.
I. X. L.

Mud is very deep.
Our teacher was missing on Monday morning after the high water and did not make his appearance until Tuesday morning. We thought it of no use to track him as the tracks and trails had vanished.
Mode Cook lost a few cattle in the high water.
Mr. Bonny lost some of his sheep in flood.

It was reported that Bob Scammeron has 250 head of sheep drowned in the "Kittitas flood." Heretofore he has had good luck, and this will seem a heavy loss as he is a new beginner in the sheep business.
Mr. Thomas dismissed school the first three days of last week on account of high water and washouts.
Rice Gage came near getting drowned in attempting to cross a swift stream last Sunday.

Gus and Ed Fleck started out with about twenty-five hundred head of sheep for Mr. Bonny—bound for the Columbia river.
Mrs. Brown arrived from California to visit her brother, Mr. Chas. Smith.
Harold Horrosen Monahan, son of J. A. and Lilly Monahan, died Monday morning, Feb. 21, aged two years, 6 months and 9 days. He was a bright little fellow and will be sadly missed by those who knew him.

THE NORMAL.
NEMO.

Both teachers and students enjoyed a holiday on Tuesday, but no further evidence announced the 22d of February.
Miss Irvin, of Garfield county and Miss Fox, of Douglas county are our latest additions. Miss Fox is the first student we have had for some time from Douglas, though Miss Steiner, one of our

brightest graduates was from that county.
Miss Dorr is at her home in Dayton this week, to be in attendance at the marriage of her sister.

A good time is reported at the dormitory party Monday evening.
Seventy-five pupils were in attendance at the training school Wednesday which indicates an abatement of measles.

There was a better attendance than usual at the literary society last Friday evening. More visitors were present, and we trust that as the weather improves, they will find these meetings of sufficient interest to attract them thither.
Mr. Scott read an essay fraught with wholesome true thought, on Self-made men. Rev. Barid rendered Hamlets soliloquy to the enjoyment of all, and Mr. Marvin delighted the audience with her solo. In addition to these numbers Miss Hutchens, and Miss Frances Young recited, Miss Klockstead sang, Miss Ida Young read an essay, while Miss Norman and Mr. Richmond read the school paper.

SPARTA.
X RAY.

Patriotic exercises were held at the school house Friday afternoon.
There was to be a dance at the warehouse Friday night but it was postponed on account of inclement weather.

Miss Myrtle Kineth, Alice Mills, Beryl and Kolla Yocum are among the latest victims of the measles.

Mr. Bud Coleman and Mr. McKee of Ellensburg have taken charge of the Reed ranch. Mr. McKee will move there immediately.

Miss Frances Wilson is visiting with the family of Mr. Mills. She returned with Misses Mills when they came back from their recent trip to Roslyn. She expects to make quite an extended visit.

Two of the older boys have withdrawn from school—Otis Cox and Claude Cook. The former, whose home will be in Ellensburg hereafter, will attend school there. The latter leaves to take a trip to the Columbia.

We express the sympathy of the neighborhood for the family of Mr. Mills, in their great bereavement. Little Gay was the youngest and the pet of the family. She was a bright, pretty child, and beloved by all who knew her.

EASTON.
N. Y. X.

The thermometer has not been lower than 4 degrees above zero this winter, and that was in January.

Mr. E. R. Ellexson is trying to break the road between his place and Easton.
Who says we have not a little Klondike here of our own in Lake Valley. A team of dogs would be very valuable just now. It will be 30 days before the road is open.

The wagon road bridge across the Yakima river here is in a bad condition.
We have a fine literary society here. The school house is crowded every Wednesday night.

We have the biggest lot of measly people in this town of any town in the state.
N. Y. X. has been down with the measles for the past two weeks. They are measly sure enough.

The ranchers are snowed in, in Lake Valley and around Easton, on account of snow being so deep and crusty. They all have to come to town on foot.
Two carload of dogs passed through Easton Sunday morning.

Commissioners to Meet.
Mr. Newman says he wired Mr. McClimans to come over at once. He is expected in this morning and in case he arrives, a successor to Mr. Ellison will probably be appointed to-day or to-morrow.

A R. Darrington, the "Drummer Boy of Shiloh," was well attended last evening, and gave great satisfaction.—Carsen City Tribune. The Drummer Boy at Opera house, March 5th and 7th, under auspice of Co. A.

We have it on legal authority that either a batchelor county official or a deputy are of no use whatever. That they must either marry or die. We are told that some of them are thinking about—dying. 'Tis sad indeed.

populist ticket and was elected by a nice majority. He was always a staunch supporter of reform and prided himself on being among the first in the county to help in the organization of the people's party. He was a great peace maker and many times stepped in between his friends and put down trouble. He was, for a number of years, a member of the Christian church of this city, but after the organization of the church at or near Thorp, he went with the congregation at that place, and in the organization meeting was elected elder, which position he held up to the time of death. He leaves four brothers and a sister besides a wife and six children to mourn his death. The family and friends have the sympathy of everyone that knew him, and in this hour of greatest trouble—a trouble that can hardly be borne at best—we can commend them to him who doeth all things well—our preserver and benefactor in whom they can put their trust and know that it will not be misplaced. THE DAWN extends sympathy to the family of him that was to us always a bosom friend, whose name nothing but time can blot and efface from our memory and whose council will ever be fresh in our heart—the name—John C. Ellison.

The little two year old son of Mr. and Mrs. J. A. Monahan, of East Kittitas, died Monday morning, Feb. 21, 1896, after a ten days' illness of membranous croup.

Died.
On Monday evening, Feb. 21st, 1898, at 2:30 p. m., John C. Ellison, aged 45 years, 3 months, and 10 days.

Mr. Ellison was born in Miller county, Missouri, near Tuscumbia. His father, together with his family left Missouri in 1861 and settled in Kansas where they lived until 1875 when they removed to California. Not finding what he expected in California, they only stopped there about one year and came to this state, settling in the valley near the present little town of Thorp. In 1883 John C. married Miss Anna E. Childs, who was also one of the earlier settlers of this valley.

The result of the union was eight children, two of whom are dead. He leaves a wife and six children besides brothers and sisters to mourn his departure.

He was one among the first ranchers in the county to join the Farmer's Alliance when it reached this county in 1891. Was a delegate to the state Federation that met in this city Dec. 14, 1891, that gave birth to the people's party. At a meeting held early in 1892 for the purpose of organizing the people's party in the state, he was elected chairman of the party, which position he held with credit to himself and an honor to the party until the campaign of 1894 set in. He was nominated for county treasurer on the populist ticket in 1894 and received a handsome vote. In '96 he was nominated for county assessor on the

HEROLD, W. C., died Monday morning Feb. 21, of measles and a complication of diseases—bronchitis and asthma. Funeral Tuesday. He leaves an aged mother and a brother to mourn his calling to another world. He was well and favorably known to almost everybody in and around Ellensburg and was generally known as "Shorty" or "Stub" Herold. Peace to his ashes.
