WEAK, WEARY WOMEN

Learn the Cause of Daily Woes and End Them.

When the back aches and throbs.
When housework is torture.
When night brings no rest nor sleep.
When urinary disorders set in
Women's lot is a weary one.
There is a way to escape these woes.
Doan's Kidney Pills cure such ills.
Have cured women here in Barre.
This is one Barre woman's testimony.

Mrs. J. L. Cummings of 80 Elm street, Barre, Vt., says: "About three years ago I began to have serious attacks of kidney trouble. The worst symptom was a sharp stitch just over my hips, and the effects would last for about three days. During these attacks I could not sleep nights and could hardly get about the house at all. If I caught cold it settled across my back and aggravated the trouble. I used a good many remedies, but nothing gave me so much relief as Doan's Kidney Pills, which I procured at E. A. Drown's drug store. They relieved the pain and strengthened my back and proved in every way a valuable kidney medicine. It is six months since I have had any backache and I am beginning to think that the cure is going to be permanent."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

FIGURES WON'T LIE,

but statistics sometimes are misunderstood. We may argue that "What is to be will be," the same as "What has been was." Some say there are five deaths to one five, and this seems to be reasonable if not mathematically correct. In spite of all this, many men with many houses and only one life, carefully keep the houses insured and slip the most important cog in the inventory. 57th year, doing business in 42 states. The Egg Question.

The problem of finding a cheap poultry food that will increase egg production during the winter, when eggs are high, has been solved by those farmers who purchase Green Cut Bone and Meat for their poultry. C. S. Page of Hyde Park, Vt., grinds many thousand pounds annually of this article and is this year selling it for $3.50 per barrel of 200 pounds, freight prepaid to buyer's railroad station. There is now no necessity for going without this staple poultry food. If you cannot use a barrel yourself, get some of your neighbors to join in with you. You will find it valuable as an egg-producer.

Laughing Millionaires Rare.

New York, March 10.—A London cable to the Sun says Andrew Carnegie has written to a newspaper declaring that the advantages of wealth are trifling. He says:

"Beyond a competence for old age, which need not be great, and may be very small, wealth lessens rather than increases human happiness. Millionaires who laugh are rare."

Doctors Are Puzzled.

The remarkable recovery of Kenneth McIver of Vanceboro, Me., is the subject of much interest to the medical fraternity and a wide circle of friends. He says of his case: "Owing to severe inflammation of the throat and congestion of the lungs, three doctors gave me up to die when, as a last resort, I was induced to try Dr. King's New Discovery, and I am happy to say it saved my life." Cures the worst coughs and colds, bronchitis, tonsilitis, weak lungs, hoarseness and la grippe. Guaranteed at the Red Cross Pharmacy. 50c and $1.00. Trial bottle free.

Howe's Lifeorama.

Again and with pleasure are Lyman H. Howe's superb moving pictures welcome. They will be shown in the opera house, on next Monday evening and undoubtedly will draw the usual big crowd. Mr. Howe has added the novel feature of sound, which augments the illusion to a marked degree, and the spectator finds his imagination taxed but little in being actually present at the scenes portrayed.

Among the views to be shown are the dangers of climbing the Alps. This series of pictures covers the incidents attendant upon the ascent of the Wetterhorn. A study in natural history will be supplied by views covering the animal, vegetable and mineral worlds. The oyster industry will be shown from the dredging for the shell first, to the opening of a tasty dozen and the feast. Naval maneuvers, and the wonderful life of the quaint little denizens of the insect world.

A visit to Morocco is another realistic picture, in which is shown the sultan's troops in parade and a charge of light cavalry, with other views of the country now so conspicuous in the public eye. A cruiser laboring in a heavy sea, and thee burning of a ship are interspersed with numbers of humorous scenes. Get tickets now at Red Cross Pharmacy.

AN OPTIMISTIC VIEW.

Washington Believes Outlook for Moroccan Treaty Good.

Washington, D. C., March 10.—Secretary Root carried to the cabinet meeting yesterday an encouraging report from Ambassador White, one of the American delegates at Algeciras, regarding the session held yesterday at which the Austrian proposition containing a scheme for the policing of Morocco acceptable to Germany was presented.

This government believes that the outlook for a new treaty is now favorable in view of this latest step.
