## DUKE AND DUCHESS SEPARATE.

### Marlboroughs Are Said to Have Agreed to Live Apart.

London, Oct. 29.—Saturday's papers here quote the Manchester Guardian as saying that a deed of separation between the Duke and Duchess of Marlborough has been signed, on the ground of incompatibility of temper, by the proprietors of which the duchess keeps Sunderland house, London, and her own dowry, but is precluded from going to Blenheim. The document, it is added, was signed October 22.

The duke is now at Blenheim and the duchess is staying at Sunderland house.

Although the principals concerned maintain silence, all indications tend to corroborate the stories that a climax has been reached in the domestic affairs of the ducal house of Marlborough. Both the London and provincial papers give circumstantial details, saying that the deed of separation between the duke and duchess has been signed.

### Mrs. Bridget Kaine Victim of Mistake of Youngsters Out Gunning.

The boys were gunning in the woods and it is said saw the woman hiding in the bushes, and thinking it was a skunk, both fired. The shot entered the woman's head and body. Before medical aid arirved she was dead. The boys were taken in charge by the pouce pending an investigation. Medical Examiner Quimby viewed the body.

## ABOUT THE STATE.

### Items of Interest Gleaned From Our Exchanges.

Ezekiel Goyette and his nephew, Edwin Goyette, who were thrown from their buggy near the county jail at Middlebury Wednesday night and who were picked up unconscious, were able to go to their homes in East Middlebury Thursday afternoon.

While digging a ditch last week George Bennett, of Danville, found a cent dated 1805, buried four feet beneath the surface. The coin was bright, indicating that it was new when lost. Not in the memory of anyone in Passumpsic has the ditch been opened to a depth of more than two and one-half feet.

The steamer Chateaugay has taken between 7,000 and 8,000 barrels of apples this season from Isle La Motte to Plattsburg and it is expected that 4,000 more barrels will be shipped from the Island before navagation closes. The apples are all shipped from Plattsburg to the New York markets and are of a fair quality. The recent high winds blew many of them off the trees, bruising them and reducing their marketable price.

Fire of unknown origin Wednesday night destroyed the mill and boiler house at the John Jones slate quarry, north of the village of Castleton, entailing a loss estimated at from $3,000 to $8,000, partially insured, and throwing out of employment temporarily the thirty men employed by the concern. The loss of the mill makes it practically impossible to operate the quarry until a temporary structure is erected and machinery put in.

The Bennington Falls Athletic club is building a club house just west of the cobblestone school-house in that nighborhood. The main room will be a frame structure, twenty-four by forty feet on the foundation. The main room will be fitted for games of various kinds and will also be used by the pupils of the school for exhibitions and other exercises. The money to build the club house has been raised largely by popular subscription. It is expected the building will be ready for occupancy by December.

### Ketchum to Write Another Book.

In a personal letter to a friend in Yergennes J. W. Ketchum, now a federal prisoner in Middlebury, announces his intention of writing another book in regard to the wrecking of the Farmers National Bank. In the book written a few years ago fictitious names were used but in the coming story people who were connected with the defunct institution will be called by their right names and additional facts and figures will be set forth. The writer promises that the public will have the facts in the case.

### Celebrated 90th Birthday Anniversary.

Daniel W. Tenney, of Morrisville, quietly celebrated his ninetieth birthday anniversary October 12. The presence of a son, the Rev. Herbert M. Tenney, of Oakland, Cal., and a grandson, Ashton Tenney, son of W. A. Tenney, of Granville, N. Y., who is attending Norwich university, Northfield, added much to the enjoyment of the occasion. These guests were taken by Mr. Tenney for a carriage drive to Johnson the next day, the latter taking much pleasure in the trip.

Although a native of Newport, N. H., Mr. Tenney has been a resident of Morrisville for the past sixty-four years, with the exception of short residences in Walcott and Johnson. He is the only surviving member of a family of thirteen children of Thomas and Susanna Tenney. September 9, 1844, he married Miss Henrietta Powers, daughter of Jonathan Powers, who was a brother of the late Dr. Horace Powers. Mr. Tenney has for many years been a member and regular attendant at the Congregational church. He is a great reader and keeps well informed on current events and matters pertaining to his town. Beside the children already mentioned he has a daughter, Mrs. Charlotte (Tenney) Davids, who is now enjoying a trip abroad with her husband.

## SATURDAY'S FOOTBALL GAMES.

### New Football Game Showed Some Remarkable Results.

With Saturday's football games, college teams all over the country began their real work. The season of practice games is over, and Saturday saw the first real test of the new rules, with strong teams matched against teams of nearly equal strength.

And some of them were surprises.

Some of them may, upon analysis, prove to be the ordinary fortunes of war and not necessarily brought about by the new rules. But the new football game did show some remarkable things Saturday.

### Fewer Deer Killed Than Usual Because of Leaves.

Brattleboro, Oct. 29.—The open season for deer closed Saturday night. Reports from the towns in Windham county indicate that about 20 deer have been killed in the county. This is a smaller number than usual, and is due to the fact that the leaves are not well off the trees.

## NORTHFIELD.

Dr. W. G. Huntley of Boston, formerly of this town, is here for a few days' vacation.

Prof. C. A. Carleton certainly had luck uncommon to most of the hunters this season. He started out Saturday morning at 9 o'clock with a shotgun and came in before twelve with a big deer weighing over two hundred pounds. Charles Barten, Willie McGrath and Fred A. Davis came home with a deer.

Cadet Barney has returned from his home in Springfield, where he has been since the football game with Andover two weeks ago. He gave his ankle a severe wrench during the game, which made it necessary to wear it in a plaster cast since. He will probably be out of the game for the rest of the season, which will weaken the team, as he is one of the fastest back on the team.

Miss Margaret Doheny of Barre spent Sunday in town.

Lyle Clark, the little 6-year-old daughter of Mr. and Mrs. Charles Clark, is very ill, threatened with pneumonia.

Miss Marion Tibbets is quite ill at the home of her grandparents, Mr. and Mrs. C. B. Tilden.

The death of Mrs. Mary Thresher, mother of Fred Thresher of this town, occurred at the home of her daughter, Mrs. Jennie Clark, in Montpelier, Friday after a short illness. Dyke. Miss Aletha Bailey, soprano, of the Methodist church of Randolph, will also sing. There will also be a graphophone and phonograph entertainment. Admission, 25 cents.

It has received the highest recommendation. The proceeds of the entertainment are to go for the benefit of the poor in this town for Thanksgiving day. The motive of the play alone, not considering the excellence, should draw a crowded house that night.
