BISHOP SCORES ROOSEVELT AND TAFT.

Letter Read at Meeting of Negroes Denounces Action in the Brownsville Case.

New York, April 14.—In a mass meeting of negroes in Bishop's chapel, African Methodist Episcopal church, 135th street and Lenox avenue, a letter from Bishop Alexander Walters of the African church diocese of New York denouncing President Roosevelt and Secretary Taft was read.

"I believe that the hasty dismissal of the colored soldiers at Brownsville without trial," the letter stated, "was a part of a well-laid plan to discredit the race for the purpose of breaking up the solid South. My reason for this belief is that a few years ago, long before the dismissal of the soldiers, during a visit to the White House, I discovered that the policy of the president as regards the colored people had changed and that he was more disposed to placate the South than he was to give justice to the negroes.

"I got the impression that the president was awaitng the opportunity to strike the black man a blow. When the shooting affray at Brownsville occurred this opportunity presented itself. I believe we should resent to the extent of doing everything in our power to defeat the perpetrators of the outrage, and I believe this will be done.

"There are thousands of negroes who will never vote for Secretary Taft, for they know that a vote for Secretary of War Taft means a vote for President Roosevelt."

Plenty of Trouble

is caused by stagnation of the liver and bowels. To get rid of it and headache and biliousness and the poison that brings jaundice, take Dr. King's New Life Pills, the reliable purifiers that do the work without grinding or griping. 25c at Red Cross Pharmacy.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials

We firmly believe that there is not a case of Rheumatism in the world that will not yield to the wonderful effects of Uric-O, and we want to prove it to every doubter beyond all possibility. THOSE SCHOOL TEACHERS.

Chelsea Man Objects to Calling Them "Scrubs."

Editor Times: In reply to an article in the Barre Daily Times, headed, "Weak and Wasteful," by Professor Stone, superintendent of education, I beg leave to widely differ from the same. Professor Stone may be correct in saying the Vermont school system is weak in some respects, but when he assails the Vermont school teachers in a way he has by calling them scrubs, I for one will object to any such statement; for I know in Chelsea we have just as well educated, bright, intelligent and good-looking school teachers as they have in any other state in the union.

Woman Injured in Peculiar Way.

Miss Clara Barber of Pownal, was severely injured in a peculiar accident Thursday. The wooden conduit in the yard pump at her farm had gotten out of order and had to be taken out of the well to be fixed. This conduit is about fifty feet long and made in sections fastened together. While Miss Barber was assisting two of her hired men to replace it a part broke off and struck the woman in the back. On examination by a physician it was found that two ribs had been broken and other internal injuries are feared.

Miss Barber is the owner of one of the largest farms in Pownal which she manages alone. This farm usually produces as much maple syrup as any one in that part of Bennington county.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil—of sunshine—and of atmosphere,—seemed never to achieve a healthy growth.

A ton of manure will not help a plant that has a canker eating out its heart.

You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
