RUTLAND'S DEBT GROWS.

An Increase of Over $20,000 During The Past eYar Says Mayor.

Rutland, Jan. 23.—Mayor Henry O. Carpenter yesterday afternoon filed his annual report at the city clerk's office.

Mr. Carpenter estates that because of the new addition to the high school and the building of the Woodstock avenue sewer the city's indebtedness has been increased $26,000 by the bonds for these improvemnts. It has been decreased by theannual appropriation and interest earned by the sinking fund. The bonded indebtedness is now $614,000, less a sinking fund of $143,517.94, making the net debt $470,842.06 on December 31, last. This is an increase of $20,978.55 in a year.

Mr. Carpenter speaks of the work done during the year in the various city departments in water supply.

The mayor believes that with a little more work and the stoppage of waste the present water system would carry the city along for some time to come but it is his idea that Rutland will sooner or later have to accept the recommendation of Mr. Whipple, the expert who recently examined the system.

The mayor includes among his recommendations for improvements in the city repairs to the pavement on Merchants Row and to the Rutland Free library and the employment of a city engineer exclusively by the city. Engineer A. C. Grover has in recent years been permitted to take outside work.

WELL KNOWN SWANTON MAN.

Death of B. M. Bliss, Superintendent of Water and Electric Systems.

Swanton, Jan. 23.—Burt M. Bliss, superintendent of the Village Water and electric works, died at his home on Canada street at 4 p. m., Thursday, after a few days' illness of double pneumonia at the age of 46 years.

Mr. Bliss is survived by a wife, three sons and one daughter. Mr. Bliss moved here from Montpelier about 20 years ago, and had charge of the water and electric plant for many years. He was an expert mechanic and was well posted in everything pertaining ao the water and electric business, and it will be hard to fill his place.

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

WILL CURE DYSPEPSIA

Digests All Food Leaving Nothing to Ferment.

DON'T SUFFER A MOMENT

Many Folks Here Unnecessarily Suffering From Stomach Trouble—If You Had Some Diapepsin You Would Not Suffer.

Miserable indeed is the man or woman whose digestive system is unstrung—who goes to the table and can not eat or what little is eaten seems to fill them and lays like a lump of lead in the stomach, refusing to digest.

If you, dear reader, suffer this way and will put on your wraps now and get from your pharmacist a 50 cent case of Pape's Diapepsin and eat one 22 grain Triangule after your next meal you would appreciate, five minutes later, how long you suffered unnecessarily.

There will be no more indigestion—no misery in the stomach—no sour risings or belching of gas, no heartburn, flatulency or eructations of undigested food and acid or feeling of nausea, fullness, headache or other symptoms of a weakened stomach.

Stomach trouble and indigestion vanish like snow before the blazing sun.

When Diapepsin works your stomach rests—gets itself in order. Diapepsin purifies and sweetens a sour stomach and freshens the intestines without the use of laxatives, and what is more, it increases the gastric juices. This is what your stomach is begging for—more and better digestive juices. This is what makes you hungry and want to eat, and you can rest assured what you then eat will be taken care of properly and not left in the stomach to ferment and turn to gas and acid, apd poison the breath with nauseous odors.

Get a 50 cent case from your druggist now—You ought to have Diapepsin about the house always. Should one of your family eat something which does not agree with him or her, or for a sour stomach or excessive gas, one triangule will always give immediate relief.

Munn—Avery.

Bradford, Jan. 23.—The Munn home was the scene of a very pretty wedding when at eight o'clock Thursday evening Jan. 14, in the presence of about fifty guests, Edward Evaston Munn and Miss Abbie Brown Avery were united in mariage by the Rev. Ernest A. Legg of Bradford, Vt. The bride was attired in a gown of soft white silk trimmed with lace, and carried a large bouquet of English violets. She was attended by Mrs. Roland G. Swasey of Concord, N. H., as maid of honor, who wore white silk, and also carried English violets. Dr. Erdix T. Smith of Springfield, Mass., was the best man.

After the ceremony, delicious refreshments were served, and as each guest departed he received a dainty little box, containing home made candy, tied with white satin ribbon, and decorated with hand painted violets and old English M.-A. These were the production of Mrs. Josephine Jenkins, a friend of the bride and groom. The presents, consisting of linen, china, cut glass, and silverware were most beautiful and too numerous to mention. Special mention could be made of a extra fine and heavy set of table and tea spoons, also a beautiful French clock. These were the gifts of Mr. E. C. Gafford and wife of Boston relatives of the groom.

Miss Avery is a graduate of Bradford academy and since her graduation has been employed in the post office and has travelled in the West. At the time of the wedding she was engaged in Hunt's department store, Bradford, Vt. She is a member of the choir of the Congregational church. Mr. Munn is also an academyg graduate and for fifteen years was in the employ of Prichford & Hay, leading merchants in Bradford, Vt. He now is in the employ of the government as R. F. D. carrier.

He is well known in musical circles in this part of the state. He has an especially clear, pleasing tenor voice and is a favorite with all.

Among the guests from out of town were: Mrs. T. G. Bronson of East Hardwick; Mrs. H. A. Webb of Newbury; Mrs. R. G. Swasey of Concord, N. H.; Dr. E. T. Smith of Springfield, Mass.; Waldo atnd Marion Munn of West Fairlee.

The Munn house, which is to be their future home has been newly decorated in all the rooms, and modern conveniences aded. All wish Mr. and Mrs. Munn a happy, successful life.

ABOUT THE STATE

A former Vermont man, Henry M. Dutton, whose wife is a Burlington girl, had direction of the great banquet served in honor of President-elect Taft in Atlanta, Ga., last Friday evening. Nearly 600 plates were laid, and the banquet is said to have been perfectly served in every particular.

Miss Emily D. Proctor of Proctor, sister of ex-Governor Fletcher D. Proctor, and Mrs. Benjamin Williams, also of Proctor, were tipped out of their sleigh in Rutland Wednesday afternoon but were uninjured. The accident was caused by one runner getting caught in the street railway track.

Deputy Sheriff L. W. Ravlin of Winooski arrested a deserter named Bentley of Troop H, 15th cavalry, Wednesday and turned him over to the authorities at Fort Ethan Allen. The man was found at a house in Winooski, where he had been living since his desertn about two weeks ago.

At a meeting held in Vergennes Wednesday evening a Young Men's Christian association was organized. Addresses were given by State Secretary Hieb, A. I. Stuart, county secretary, and J. N. Barss, chairman of the Y. M. C. A., county commites, outlining some of the methods and lines of work generally carried out by the association. Temporary officers were elected as follows: President, Prof. Frank E. Sawyer; secretary, Staunton Woodman. A business meeting will be held Friday evening, January 29, when permanent officers will be elected.

State Laboratory Moved.

The quarters of the state laboratory of hygiene are now permanently installed in the old postoffice building in Burlington making ultimately one of the best equipped laboratories in the country. Two of the greatest advantages there, over the old location, are light and room. There are from three to five windows opening into each department and there is ample room for each department. The gas supply is also an improvement over the old location, the gas main at the latter place being too small.

On the ground floor are situated the director's office, general office, library and shipping and receiving rooms. In the basement are the rooms for heavy chemicals and volatiles and the heating apparatus. On the second floor are located the medico-legal and food departments, the water and general department, the camera, the photo-micrographic department, drug room, storage room for chemicals and offices. Above there is also a commodious atetic.

Noodles, the pet cat that makes its home in the laboratory, is perfectly satisfied with its new home and has shown no inclination to leave. He reams at will from floor to floor and from department to department and seems to summarize the whole thing as a cat heaven.

IT IS FOR LADIES, TOO.

They Can Stop Their Hair Falling Out With Herpicide.

Ladies who have thin hair and whose hair is falling out, can prevent the hair falling out, and thicken the growth, with Newbro's "Herpicide." Besides, Herpicide is one of the most agreeable hair dressings there is. Herpicide kills the dandruff germ that eats the hair off at the root. After the germ is destroyed, the root will shoot up, and the hair grow long as ever. Even a sample will convince any lady that Newbro's Herpicide is an indispensable toilet requisite. It contains no oil or grease, it will not stain or dye. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
