BACK GIVES OUT

Plenty of Barre Readers Have This Experience.

You tax the kidneys — overwork them—

They can't keep up the continual strain.

The back gives out—it aches and pains;

Urinary troubles set in.

Don't wait longer—take Doan's Kidney Pills.

Barre people tell you how they act.

C. A. Churchill, 35 Merchant street, Barre, Vt., says: "I recommended Doan's Kidney Pills publicly in 1897 after I had taken them a short time and found great benefit. I continued their use and was entirely relieved of backaches, pains across my loins and other symptoms of kidney trouble. I have advised the use of Doan's Kidney Pills to friends and acquaintances whom I have heard complaining of backaches."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

PREDICTS EARTH SHOCKS.

A French Scientist Gives Even the Dates.

Paris, May 4.—A French scientist, M. Deparville, announces that seismic disturbances can be expected to occur at the principal declensions of the moon. Years of observation have brought him this conclusion. To prove his contention he cites the dates of a number of earthquakes of this year, including that of Messina and the disturbance in Portugal. He says that shocks may be expected during the month of May on the following days: 2, 3, 4, 6, 7, 12, 13, 17, 18, 20, 23, 26, 27, 30 and 31.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

ABOUT THE STATE

N. H. Barrows, superintendent of the American Woolen Co.'s mills at Winooski for the last seven years, has resigned his position and May 15 will go to Waterville, Me., where he has purchased a mill.

I. N. Chase of Brandon, has been elected a vice-president of the New England Ayrshire club. At the annual meeting held in Boston recently, C. M. Winslow, of Brandon, read a paper on the advantages of breeding from stock that on both sides had official records of dairy performance.

Merton C. Robbins, formerly of Brattleboro, has recently resigned as Western manager of the Swetland Publishing Co. and accepted the position of advertising manager of the class Journal Co., New York, publishers of The Automobile of New York and Motor Age of Chicago. These are the two largest weekly automobile papers in the country. Mr. Robbins has moved from Chicago to New York.

A nurse in the Proctor hospital is famous as the central figure in what has been termed "the best picture ever done in America." This is the painting "Girl Crocheting," by Edmund C. Tarbell, of Boston, which has been awarded the Carnegie gold medal of the first class carrying with it an additional award of $1,500. The young woman in the painting is Miss Maud Harper of Montreal, who is at present a nurse at the Proctor hospital. In the course of one of her sittings for Mr. Tarbell, she was resting by sitting at a round mahogony table at his Dartmouth street studio, making the time pleasant and useful by knitting a pair of socks for a man in Canada. She wore a white shirt waist, a brown skirt, and a pair of low shoes. When Mr. Tarbell entered the room he saw at a glance her unconsciously artistic position, and the picture followed.

Society Elections at Vermont University

VERMONT FOOT BALL.

Wesleyan Put on Football Schedule and Williams Taken Off.

Burlington, May 3.—The advisory board of the university of Vermont have ratified the foot ball schedule for the season of 1909 as presented by Manager H. B. Cummings. The most noticeable change in the schedule is the substitution of Wesleyan for Williams. The reason why Williams does not appear is unknown to the Vermont management New Hampshire college and St. Lawrence are the only other new names.

Although the team will be handicapped by the loss of Thomas, Watkins, Dodge, Hughes and Buck, who played on last season's varsity, by graduation, yet there is much good material already in the university to take their places. At present it appears that there will be some fast men among the entering class next fall. Thomas, who has played at center on Brown two years, on Rutgers on year and on Vermont one year, has been elected coach. The captain of the team is James P. Reid, '10, of Dalton, Mass. Captain Smith of last year's team will be a candidate another year for the varsity.

The schedule is as follows:
October 2, Dartmouth at Hanover.
October 9, St. Lawrence at Burlington.
October 16, Wesleyan at Middletown.
October 23, Cornell at Ithaca.
October 27, Norwich at Burlington.
October 30, New Hampshire college at Burlington.
November 6, Amherst at Amherst.
November 13, Brown at Providence.
November 20, class game.

JUDGES ACCUSED OF MISCONDUCT.

Serious Charges Made Against Court in Missouri Maimum Freight Law Case.

Washington, May 4.—Making serious charges against Federal Judges John F. Phillips and Smith McPherson of the western district of Missouri, Representative Murphy of that state introduced a resolution yesterday to investigate their conduct in the litigation between the state and the railroad companies over the maximum freight law and the Missouri two-cent passenger rate law.

The preamble of the Murphy resolution claims that the two judges accompanied certain railroad attorneys on a fishing trip, on which occasion members of the party were arrested for violation of the game laws of the state.

The resolution charges that Judge Phillips neglects his duty by continued absence from the bench, and that when he does preside the court is in session for only four hours each day. Mr. Murphy desires the conduct of Judge Phillips investigated, contending that he is insulting to the attorneys, who are compelled to practice in his court, and also that he has instructed at various times that the jury bring in a certain verdict. If the jurors bring in a different verdict, declares the resolution, Judge Phillips becomes insulting and practically charges that they have violated their oaths as jurors.

HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs, it allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
