AUCTION SALE

As I have changed my place of business from my East Montpelier farm to the Kent farm recently purchased by me, just out of Montpelier on the Northfield road, and as I have an abundance of stable and other barn and storage room for the accommodation of horses, other stock and personal property of all kinds, I have decided to hold combination auction sales as often and at such times as may seem practical. I have also been offered horses, cows and other property to sell on commission, so have decided to, aside from selling my own property to dispose of all classes and kinds of personal property for any and all that may have horses, cattle and other personal property which they wish to turn into quick money. I shall in the future as well as in the past try to merit the confidence of the public by square and fair dealing and on the live and let live plan. I am sure that these sales can be made a mutual affair, as you have property that someone else wants and perhaps someone else has property that you want, so by bunching our property together at public sale we can meet the demands of all. My first sale will be held on

Friday, April 14, 1911

at 10 o'clock in the forenoon, on the premises where I now live at 96 Northfield street, Montpelier, Vt. On that date I will sell:—**25 HORSES**, consisting of fresh and second hand stock, ranging in weight from 800 to 1500 pounds. In this lot you will find heavy draught horses, and those suitable for the farm, the express wagon, the livery business and the family. Some good pairs that have worked in the woods and on the road all winter. 2 saddle ponies, weight 800 pounds each; in fact, you ought to be able to find just what you want. Also **22 COWS**—those that are now fresh and to be soon, and in the fall. Two 2-horse dump carts, 1 new sulky plow and a number of wagons of all kinds—farm wagons, top and open buggies, new and second hand harnesses, robes, stable and street blankets, whips, halters, etc. Also a lot of other property that will come in before the sale. I shall endeavor to give you a correct statement and description of all property sold as to age, condition, etc., and try to make everything satisfactory to all. Come everybody, and see how we do it. Remember the date—April 14th, at 10 o'clock in the forenoon, 96 Northfield St., Montpelier, Vt. Terms at time of sale.

THE REAL TEST

Of Herpicide Is In Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vigors may look nice and smell nice, but the point is—do they eradicate Dandruff and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

About the State

Burlington has fallen in line with other cities all over the country and, beginning next Sunday, the carriers' windows at the postoffice will be closed.

J. Avery Davis of East Charlotte, who passed his 85th birthday anniversary in February, became suddenly and totally blind Sunday afternoon and has not recovered his sight.

Joseph White, employed on the Hotel Vermont at Burlington, was injured Tuesday by being struck on the head by a door, which fell through the elevator shaft, a distance of two stories The man was rendered unconscious and was taken home in an ambulance. His head was badly cut.

St. Johnsbury Democrats and others are considerably excited over the announcement that William Jennings Bryan will deliver a lecture on May 28, arrangements having been made with him by the trustees of the St. Johnsbury academy. Mr. Bryan was there four years ago.

A teachers' agency, the first of its kind to be established in the state, is located in Burlington, conducted under the direction of Miss F. M. Crandall at 192 College street, and its principal object is the placing of teachers in good positions and the filling of vacancies in the surrounding districts.

Reciprocity being a favorite topic of discussion now, among the farmers, it is interesting to note what a vast amount of hay is imported into this country through the customs district of Vermont, according to the records kept at the customs house at Burlington. Since the first of August, 1910, there were 117,216 tons of hay imported through this district up to the first of April, as follows: August 5,260 tons; September, 18,204 tons; October 13,141 tons, November, 14,668 tons; December, 22,371 tons; January, 14,653 tons; February, 12,236 tons; March 18,871 tons. The duty on hay is $4 per ton, and the total amount collected during the eight months mentioned, was $468,867.

Another insect pest, the clover mite, has been found in Brattleboro. After the recent discovery of the San Jose scale in more than 100 places, Selectman John Galvin cut off plum tree branches and sent them to Washington. The reply stated that the branches were heavily infested with the scale and also the minute red eggs of the clover mite. The mite effects fruit and shade foliage trees and plants and has been confounded in the West with the red spider. The eggs may be destroyed easily in winter by spraying with kerosene diluted with five parts of water.

Never Out of Work.
The busiest little things ever made are Dr. King's New Life Pills. Every pill is a sugar-coated globule of health, that changes weakness into strength, languor into energy, brain-fag into mental power; curing constipation, headache, chills, dyspepsia, malaria. Only 25c at Red Cross Pharmacy.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials
