ABOUT THE STATE

The Vergennes city council has decided that hitching posts must be done away with there and has passed a vote to that effect.

The three-year-old son of Mr. and Mrs. Dudley Wright of Manchester was playing with a file Monday and fell, the file entering his neck and causing his death in a short time.

Leon LaRoque of Burlington, nine years old, received his sentence to the industrial school for truancy with pleasure. He has a brother there and his letters have made the younger boy anxious to join him.

When William T. Doane of Benson was running a new corn husker recently, his hand became caught and most of his left hand had to be amputated, leaving only his thumb. He has six young children dependent upon him for support.

A. M. Allbe, who is said to have the distinction of being the oldest attorney in the state, celebrated his 90th birthday anniversary November 14. Mr. Allbe studied law with W. C. Bradlee, who was a member of Congress 75 years ago.

B. M. Newton of Felchville, county fish and game warden, prosecuted Geo. Graves of Springfield recently for trapping without a license. He was fined $14.05, and another warrant is out against Mr. Graves for trapping skunks in the closed season.

A doe was born the other day in the stream in the Carn district of Calais. The game warden investigated and found that the animal had two legs broken, but there were no signs of bullet wounds. It is probable that the doe had been chased by dogs and had been dead four or five days.

Edward Belmore of West Rutland, while going through the Castleton woods on a hunting expedition, slipped, striking his gun in such a way that a cartridge exploded and blew the index finger on his left hand so nearly off that amputation was necessary.

As Fred Lindsay and his hired man were working in the woods in East Barnet Monday morning, chopping and sliding down logs, the hired man in some way, possibly having a log hit him, stepped aside too near the edge of a ledge, or a limb may have hit him, and sent him over, and he fell nearly 125 fet. Some tree tops broke the fall, and that fact saved him. He was badly bruised.

The November supplement to the United States official postal guide announces several changes in Vermont postoffices. The name of the postoffice heretofore known as Mechanicsville, in the town of Mount Holly, has been changed to Belmont. Three postoffices have been discontinued. Fletcher, in Franklin county, will have rural delivery from Cambridge. Harvey, in Caledonia county, will have rural delivery from Danville, as will also South Danville, in the same county.

Floyd Kirkpatrick, who pleaded guilty in the United States court at Rutland Tuesday to using government envelopes for private purposes, was fined $25 and costs, which he paid. Thomas Barrett of St. Johnsbury, who pleaded guilty to the charge of attempting to obtain a pension by fraudulent means, was sentenced to serve six months in the county jail. James Durand of Burlington was fined $50 for selling diseased meat.

The number of boats to come into Burlington harbor this year will be smaller than for several years past. The number of lumber boats unloaded is 44, and nine others are on the way. Six boats of hay have been unloaded. Few new boats are being used on Lake Champlain for freight purposes, and the transporting of freight by rail is so much quicker and more universal that it seems but a matter of time when navigation of that nature on the lake will cease.

Keep the Kidneys Well

Health Is Worth Saving, and Some Barre People Know How to Save It.

Many Barre people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers. Here is a Barre citizen's recommendation.

L. W. Rowell, 37 Jefferson St., Barre, Vt., says: "I have no hesitation in recommending Doan's Kidney Pills as an excellent remedy for backache and all disorders of the kidneys. For several years I was annoyed more or less by kidney complaint and I had pains in my loins and kidneys. I had heard a great deal about Doan's Kidney Pills and finally deciding to give them a trial, I procured a supply. I used the contents of two boxes of this remedy and a decided change for the better was noticeable in my condition. I continued taking Doan's Kidney Pills until the pains were greatly lessened and finally disappeared entirely. I now have none of the old symptoms of my complaint but nevertheless keep Doan's Kidney Pills in the house at all times. This remedy cured me and I am glad to state that the cure has proven to be a permanent one."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A Father's Vengeance

would have fallen on anyone who attacked the son of Peter Bondy of South Rockwood, Mich., but he was powerless before attacks of kidney trouble. "Doctors could not help him," he wrote, "so at last we gave him Electric Bitters and he improved wonderfully from taking six bottles. It's the best kidney medicine I ever saw." Backache, tired feeling, nervousness, loss of appetite, warn of kidney trouble that may end in dropsy, diabetes or Bright's disease. Beware: Take Electric Bitters and be safe. Every bottle guaranteed. 50c at the Red Cross Pharmacy.
