ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Albert Atwood, aged 69, a member of company A, 14th Vermont, died Friday at the soldiers' home in Bennington. He was a native of Chester.

Willis Brown of South Ryegate recently found a valuable heifer in the pasture dead from a rifle bullet and a careless or wilful hunter was responsible for his loss.

Mrs. Dennis Fountain, sr., of Windham, is dead of diphtheria, and Randall Rhoads, son of Henry Rhoads, is ill of the disease. Both places are quarantined, and the Center school is closed.

The freemen of Danby used the new town hall at the corners for the first time Tuesday, November 3. Enough money remains of the $5,000 appropriated to paint the building and install modern lights.

Among the voters of Stowe Tuesday were the two oldest men in town, Byron Russell and S. W. Barrows, both nearly 88 and both staunch Democrats. Others over 80 were A. H. Slayton, Eliakim Bigelow and N. A. Aldrich.

Alfred A. Simpkins, aged 72 years, a member of company A, 5th Vermont, died a few days ago at his home in Enosburg Falls, of heart failure. Mr. Simpkins enlisted Sept. 16, 1861, and was discharged June 1, 1864, for disability.

Leonard Tims, formerly of Burlington, is on duty in England with a troop of English boy scouts, guarding a powder magazine. With his mother he went to England in the summer of 1913, and was residing at Sutton-Coldfield at the outbreak of hostilities.

A horse driven by Mrs. Fred E. Starks of Bartonsville slipped on the street in Bellows Falls a few days ago and bit its head on a curbstone, killing itself. Many animals have fallen where the accident occurred and the trustees of the place took charge of Mrs. Starks' horse.

While chopping wood in the woods of South Windham, Tuesday, George Abbott was badly injured. His axe glanced, striking him just above the ankle, cutting to the bone. As he turned to get his jumper to bind around his leg, he caught his foot and fell, breaking the leg and causing a compound fracture.

Mr. and Mrs. C. H. Darling observed the 25th anniversary of their marriage in Burlington Friday evening. The 200 guests assembled were unaware of the nature of the reception which Mr. and Mrs. Darling gave until an appropriately decorated cake was produced. Mr. and Mrs. Darling were married in Bennington, went to Washington, D. C., in 1901, when the former was appointed assistant secretary of the navy, and in 1905 came to Burlington, where Mr. Darling is collector of customs.

Five of the 22 mileage books stolen from the railroad station at Jonesville two weeks ago have made their appearance on Central Vermont trains and have been promptly discredited by the conductors. The thief tore out from 80 to 150 miles from the books and then sold them to unsuspecting dealers, who in turn rented them to innocent persons. Every conductor has been advised of the numbers of the stolen books and when one appears it is promptly taken up and the bearer required to pay his fare.

Some changes have been made in the runs of conductors on the mail line of the Central Vermont railway. Thomas Culley, who has been running on freights, appears on the mail trains, running opposite Charles Grandfield. George Wells will run on the New England States Limited opposite John Maun. John Fitzgerald, who has been on the mail, will go to the night train, running opposite Conductor Shepard. Conductor Connors is the only man affected much by the various changes, having been the only one "bumped" off a passenger run. No change is made on the Barre branch train, Charles Simmons and James Kanally retaining their runs. Changes are to follow in the assignments of freight conductors and trainmen in the passenger and freight service.

New Industry for Rutland.

A new industry in Rutland, already of considerable importance and promising to become one of the leading lines of the Creamery Package Manufacturing company of this city, has been established by that concern, of which Charles P. Cooper is local manager. This is the furnishing of round coal bins or silos for retail yards, to take the place of the old-fashioned coal pocket or coal dock. This form of coal storage provides larger capacity for the money invested and is a much more convenient method of handling the coal than has been done by other devices and the new arrangement is rapidly being accepted by dealers throughout the East.

While the arrangement of using the round bins has been known heretofore such use had been confined to the men who purchased the round bins and installed them themselves and not until August of this year did the Creamery Package Manufacturing company take up the work as a separate line. Since then these systems for handling coal have been installed by the local company at Glen Olden, Pa., Stiffenter, N. Y., North Rose, N. Y., and Roselle Park, N. J.

The arrangement includes three or four large silos or bins under one roof and from these bins coal is passed over screens into the delivery wagon, all screened with one handling.

Successful Convention Held.

The thirtieth annual meeting of the Women's Home Missionary society of the Vermont conference was held at Morrisville, Nov. 3 and 4, with the president, Mrs. A. H. Webb, in the chair. There was a good attendance of delegates from the local societies of the churches and the session was considered one of the best ever held. Mrs. A. E. Campbell, the chairman of the entertainment committee, proved herself a delightful hostess and nothing was left undone for the comfort and pleasure of the guests in the hospitable homes of the people, to which they were conveyed in automobiles.

After the organization of the convention, the roll call of delegates gave many interesting facts of things accomplished. The organization consists of 42 auxiliaries, with 920 members, and several societies among young people and children.

The report of the treasurer showed that $2,986.90 had been cared for during the year and $183 had been collected from the mite boxes. There was expended for the Italian work at North Barre, $967. There seems to have been some advancement in all lines of work carried on by the society.

The official board of last year was re-elected by unanimous ballot, and Glenn Carpenter of Barre was elected auditor of accounts. Two thousand dollars has been assumed by the executive board for the work of next year. These pledges were adopted by the meeting and volunteers called for to assume part of them. In a short time more than half the special work was taken, which was a great encouragement to the executive committee.

A bountiful dinner was served in the church dining room by the women of Puffer Memorial church. This was followed by a business session of the executive board.

In the afternoon, papers were read on different phases of the work, which had been prepared with much thoughtful study and will prove doubly helpful as they are passed around among the local societies, wherever desired. Miss Grace Bayne, superintendent at the deaconess' home in Barre, gave a very interesting talk on what is being done for the young Italians, and spoke of the improved conditions as compared with four years ago.

Seventy-five boys and girls came in from the schools and entertained those present at the convention with songs and bright answers to the questions asked them by Miss Alice Foster and Miss Grace Bayne, two of the deaconesses who had charge of this exercise.

Thursday evening, Mrs. A. W. Gates gave "The Story of the Year," a birds-eye view of the eight days' national meeting of the W. H. M. S., which she recently attended at Syracuse, N. Y., as the conference delegate. It was very interesting.

The second evening, Rev. George A. Martin of St. Johnsbury gave a very carefully prepared address and Rev. G. H. Redding of Hardwick assisted in the devotional service. Resolutions of thanks and renewed consecration to the work, "for love of Christ in His name," were voted.

CHILDREN HATE OIL, CALOMEL AND PILLS

"California Syrup of Figs" Best for Tender Stomach, Liver, Bowels —Tastes Delicious.

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given to-day saves a sick child to-morrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Advt.

EAST MONTPELIER.

A box social and entertainment will be given at the village school house Wednesday night, Nov. 11. Ladies bring boxes. Come and help the children get articles for the school room.

Notice.

The aldermanic fire committee and the fire chief will conduct an examination at the city council chamber Monday evening, Nov. 9, for the purpose of filling a vacancy in the fire department. Applicants may obtain blanks either at the fire station or at the city clerk's office. Examinations begin promptly at 7:30 o'clock.

TAX COLLECTOR 74 YEARS OLD

Expected to Resign on Account of Feebleness—Gained Strength and Twenty-Four Pounds by Taking Vinol

Corinth, Miss.—"I am a city tax collector and seventy-four years of age. I was in a weak, run-down condition, so that I became exhausted by every little exertion. My druggist told me about Vinol and I decided to take it. In a week I noticed considerable improvement; I continued its use, and now I have gained twenty pounds in weight, and feel much stronger. I consider Vinol a fine tonic to create strength for old people."—J. A. Price, Corinth, Miss.

As one grows old, their organs act more slowly and less effectually than in youth, circulation is poor, the blood gets thin, the appetite poor and digestion weak. Vinol, our delicious cod liver and iron tonic, is the ideal strengthener and body builder for old folks, because it creates a good healthy appetite, strengthens and invigorates feeble, run-down, nervous and aged people, and if it does not do all we say, we will pay back your money.

Floyd G. Russell, druggist, Barre, Vt.

NOTE.—You can get Vinol at the leading drug store in every town where this paper circulates.—Advt.

EAST CABOT.

Mrs. Inez Gill and daughters of Marshfield hill were recent guests of her mother, Mrs. Ida Houghton.

Enos Hopkins spent Tuesday at his old home in Calais.

Mr. and Mrs. Ira Read were business visitors in Plainfield recently.

E. E. Hall has had a real old-fashioned carbuncle on his neck, which necessitated the care of a physican.

Ira Read has a registered Holstein bull, which he recently bought of Bud Bruce of Cabot.

Mrs. Charles Austin and daughter, Marcia, were at Alvin Mackey's at Peacham recently.

Mr. and Mrs. Gilbert Hastings of West Danville spent Friday at Harry Chandler's.

S. B. Chandler is at Marshfield for a few days' stay.

Mrs. W. D. Barr spent Thursday at Peacham, the guest of Mrs. Flora Miles.

Alex. Cassidy is home after a two weeks' stay with his son, James, at North Danville.

Carl Durgan returned from Burlington Thursday evening. Mrs. Durgan had an operation Wednesday morning and he left her as comfortable as could be expected.

Sweet Potatoes, Southern Style.

The potatoes should be boiled on Wednesday. On Thursday morning they may be sliced and put in the greased baking dish in which they will be served. Cover each layer with a generous sprinkling of sugar (light brown is best), and dot over with butter. They should be baked in a moderately hot oven for from thirty to forty minutes, or until the sugar and butter melt and are in part absorbed by the potatoes. It is better to experiment with the dish, if you have never made it, before you try it on company.

Mashed white potato prepared in the following manner may be used instead: Boil and mash the potatoes, beating into four cups of mashed potato about a cup of hot cream or creamy milk. Season, beat until very light and creamy and heap the potato into the dish in which it will be served. Brush over the top with the beaten yolk of an egg and brown in a quick oven.—Heart of the House, in Women's World for November.

Sick Children Made Well

Every mother likes to see her children the picture of health and vitality.

I find that the stomach is a source of constant trouble to some children and there is a constant need of some safe remedy. A disordered stomach, too, frequently breeds worms, either stomach worms or pin-worms.

Trade Mark

You can absolutely depend upon Dr. True's Elixir to expel worms and tone up the stomach, bowels and general health.

Dr. True's Elixirr the discovery of my father, has been on the market for over 60 years. That's proof of its efficiency. Get the time-tried Dr. True's Elixir, the Family Laxative and Worm Expeller. Good for adults also. At your dealer's, 35c, 50c and $1.00. Advice free. Special treatment for tapeworms. Send for book.

ESTATE OF ALEXANDER HADDEN

State of Vermont, District of Washington, ss.
The Honorable Probate Court for the District Aforesaid:

To all persons interested in the estate of Alexander Hadden, late of the city of Barre, in said district, deceased, GREETING:

WHEREAS, said court has assigned the 19th day of November next for examining and allowing the account of the executor of the estate of said deceased, and for a decree of the residue of said estate to the lawful claimants of the same, and ordered that public notice thereof be given to all persons interested in said estate by publishing this order three weeks successively previous to the day assigned, in the Barre Daily Times, a newspaper published at Barre, Vermont.

THEREFORE, you are hereby notified to appear at the dwelling of Irving L. Slocum, in Washington, in said district, on the day assigned, then and there to contest the allowance of said account if you see cause, and to establish your right as heirs, legatees and lawful claimants to said residue.

Given under my hand, this 23d day of October, 1914.

GEORGE L. STOW, Judge.
