Sprains, Bruises Stiff Muscles

Sloan's Liniment will save hours of suffering. For bruise or sprain it gives instant relief. It arrests inflammation and thus prevents more serious troubles developing. No need to rub it in—it acts at once, instantly relieving the pain, however severe it may be.

Here's Proof

Charles Johnson, P. O. Box 105, Lawton's Station, N. Y., writes: "I sprained my ankle and dislocated my left hip by falling out of a third story window six months ago. I went on crutches for four months, then I started to use some of your Liniment, according to your directions, and I must say that it is helping me wonderfully. I threw my crutches away. Only used two bottles of your Liniment and now I am walking quite well with one cane. I never will be without Sloan's Liniment."

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Charles Hoadley of Tinmouth, who is over 90 years old, attended town meeting Nov. 3 and voted for his son, William Hoadley, who was elected representative of that town.

Col. Harry M. Parker, Republican candidate for representative at Bradford, was defeated by two votes.

Much of the concrete work on the Newport village sidewalks will have to be done over as it is crumbling, probably as a result of being laid in too cold weather.

There are at present 188 prisoners at the house of correction, Rutland, and in the Rutland county jail. This is the largest number which has ever been in this institution at one time.

Mr. and Mrs. B. F. Fassett have given to St. Matthew's Episcopal church in Enosburg Falls the sum of $2,000 for the erection of a parish house and a building committee has been named to push the work.

Barton claims the biggest checklist in Orleans county this year, showing over 900 men eligible to vote at the two polling places, Barton and Orleans. Barton has for several years had the biggest vote both in national and state elections, and has sent the largest number of delegates to the state and county conventions of any town in the county.

Brigham T. Phelps, aged 73 years, died Friday at his home in Westminster after a long illness. Mr. Phelps had served in both branches of the legislature and was also a veteran of the Civil war. He was a Republican in politics. For 10 years he served as deputy sheriff of Windham county, and also in many offices of the town.

The new pulpit for St. Paul's Episcopal church in Burlington, which has been given anonymously in memory of Daniel W. Robinson, for 26 years senior warden of the church, by some of his friends, will be blessed next Sunday morning by Rt. Rev. Arthur C. A. Hall, who will preach the first sermon from it.

The board in charge of locating a military students' camp has decided to have it in Plattsburg, N. Y., next year. The reason for changing to Plattsburg from Burlington, where it was located this year, is that Plattsburg is an infantry post and that there is a far greater area of wild land in its neighborhood than at Burlington.

A special city meeting has been called in Burlington for Nov. 18 to see if the city will vote to issue negotiable bonds for enlarging and improving its electric light plant. Some $40,000 was spent for that purpose two years ago and the money borrowed from the Chittenden County Trust Co., and the present action is to dispose of the question of paying 6 per cent interest on the sum borrowed.

An attempt was made to hold up and rob John Fowler of Wilmington, a distributor for the Standard Oil Co., on the road between Wilmington and Jacksonville Friday night. Two shots were fired, one bullet taking the visor off Mr. Fowler's cap and the other passing through the shoulder of his heavy coat. Mr. Fowler had with him that night about $400 and it is supposed the holdup men were residents of that locality who knew his route and the time he passed that way. The matter was not reported to the police and Mr. Fowler feels sure, because of the darkness, that he could not recognize the men, of whom there were three, should he see them.

Joseph Farstanea, aged 25 years, was badly injured near the big dam in Somerset Saturday. Farstanes was riding on the cowcatcher of an engine attached to a work train and in front was a car loaded with logs. Before he could escape he was crushed between the cowcatcher and the logs. One of his legs was terribly crushed, the bones being broken in several places. The knee was also badly wrenched and it is feared that his hip was knocked out of joint. At the hospital in North Adams, Mass., it is thought the leg can be saved.

The annual meeting of the Vermont Fish and Game league for the election of officers and transaction of other necessary business, will be held at the Pavilion hotel in Montpelier on Monday, Nov. 30, at 8 o'clock p. m. A motion will be made to adjourn this meeting and the election of officers to a later date, when, in connection with a sportsmen's convention, a larger representation of members may be expected.

STOMACH UPSET?

Get At the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the *real* cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested food, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.
