SALISBURY MAN DIED ABROAD

Pvt. Nelson Conant Was Previously Reported Missing in Action

TOTAL CASUALTIES TO-DAY NUMBER 104

There Were No Vermont Or New Hampshire Men Included

Washington, D. C., April 2.—Today's casualty list contained 104 names, divided as follows: Killed in action, 8; died of wounds, 4; died of accident or other cause, 43; died of disease, 20; wounded severely, 6; wounded (degree undetermined), 5; wounded slightly, 16; missing in action, 2. There were no Vermont or New Hampshire men included.

Cabled corrections contained the following name of a Vermont man:

Died, Previously Reported Missing in Action.

Pvt. Nelson Conant, Sallisbury, Vt. ...

Mr. and Mrs. George F. Brown celebrated the 50th anniversary of their marriage at their home in Rutland on March 29.

Pale, weak, nervous people, or those suffering from weakness incident to war excitement or the dreadful epidemics, need the prompt, pronounced, permanent effects of iron, manganese, nux and pepsin as combined in Peptiron. The run-down and debilitated find they pick up quickly when they take Peptiron. Get it today and begin taking it at once.

19-6

WHEN you are attacked by Influenza or Pneumonia, or any other disease caused by germs, your blood has to fight the battle for you. If your blood is pure and rich, you recover. But, after the battle your blood is weak, deficient in vital elements, unable to nourish the body, rebuild tissue and restore strength, But

BOVININE

The Food Tonic and Strength Giver

supplies exactly what the blood needs, in the best form for immediate use, just what Nature provides to rebuild, restore and re-invigorate the body.

BOVININE is not so much a medicine, as a concentrated food. It contains no drugs, but supplies natural elements that the body needs and is able to make use of.

Doctors know Bovinine—and have been using it for over 30 years.

Druggists like to sell Bovinine—they know its value.

Write for Booklet "Bovinine for Strength"—it's free.

12 oz. bottle $1.15; 6 oz. 70c.

THE BOVININE COMPANY, 75 W Houston St., New York

The battery condition shown here happens with every other battery but the Vesta. The illustration shows the wooden mats broken down—the plates touching. Short circuits result—the battery is killed.

But this *can't happen with the Vesta*—the plates are locked apart by **Vesta Indestructible Isolators.**

The construction and the advantages of these Isolators will be explained to you at any Vesta Service Station. This remarkable invention gives the Vesta *doubled life* and has placed the Vesta above all other storage batteries.

The materials used in most storage batteries are the same. Any manufacturer can buy the best antimony, lead oxides, tested rubber jars and hardwood battery boxes. Most manufacturers do.

But, materials alone do not make the battery.

The secret of a good battery lies inside the battery itself, in the inside, unseen construction.

The top quality materials used in Vesta Batteries provements cannot be duplicated.

But, Vesta Experience and Vesta Patented Improements cannot be duplicated.

Vesta Experience in the manufacture of automobile batteries extends over a period of 18 years.

FOUR GREAT VESTA TRIUMPHS

The three great improvements in battery making are: **Indestructible Isolators, Impregnated Mats, Poro-Hard Plates,** and the use of **Titanium.** All of these improvements are covered by U. S. basic patents and can be used by no other battery manufacturer but Vesta.

All makes of batteries recharged and repaired. Call in before buying your new battery and examine the Vesta.

New batteries for all makes of cars.

Windham county—Clifton D. Dalrymple, Marlboro; John A. Davis, Dover; Burton J. Wright, Newfane.

WATER RENTALS INCREASED

In Bennington, System Brought in $91,914.02 Since 1913.

Bennington, April 2.—Since 1913, when the water system through the gift of the late Henry W. Putnam became the property of the village of Bennington, the net returns from rentals turned over the Henry W. Putnam Memorial hospital association hae amounted to Hospital one hundred thousand dollars, to be exact, $91,914.02.

Clerk W. P. Hogan Saturday turned over to the association the sum of $4,010.35, making a total of $16,747.25 for the year.

It is probable that the net annual returns from the water system rentals will remain in the vicinity of $16,000 for some time to come. There is but little building in the way of residences and the only prospect of increased income is from the industrial plants. Returns from the metered water used at the factories were responsible for the increase of several hundred dollars during the past year.

RANDOLPH

Mr. and Mrs. A. N. Culver, Mrs. A. G. Putnam and Mrs. Lilla Dunham were in Bethel Tuesday to attend the funeral of Charles Waldo, whose death occurred on Sunday.

Lucius Webb, who had been at the sanatorium for several weeks following a surgical operation, was taken to his home in East Granville on Tuesday by his son, Clarence Webb, in an automobile. The nurse, Miss Thompson, who has been caring for him, went with them to remain for a time, and his son will also assist in the care. Mr. Webb has not been improving of late, and it is hoped that the change may affect him favorably.

Mrs. Shaw of Northfield came Monday night to visit her sister, Mrs. H. W. Holden, for a few days.

Mrs. Ruth Sprague Freeman and Mrs. Pliny Morse left Tuesday for New York City, going at this time to meet Dr. Freeman, who is to arrive there from several months' overseas service. They hoped to be there to meet him on his arrival.

Mr. and Mrs. B. C. Hall came on Monday night from East Granville and assisted Mrs. Hall's mother, Mrs. B. C. Nickerson, in moving back to Braintree on Tuesday, having given up her rooms in the house of Mrs. Mabel Adams, which she has occupied for the winter months. Mr. Hall has been discharged from service and has not yet decided where to locate.

Miss Frances Hebard came this week to visit her parents, Mr. and Mrs. W. L. Hebard, who have returned to the Randolph house at Randolph Center, after passing several months in Massachusetts and other points during the winter.

Mrs. Ernest Sargent has come from Woodsville, N. H., for a short stay with her sister, Mrs. John Sherburne.

The barn on the premises recently purchased by Mrs. Mary Carr, known as the Blodgett barn, has been removed, and as soon as the weather is favorable, will be cleared away and the house moved to Weston street, to give way to a building which will shortly be erected on Main street for use as a moving picture theatre, which has been rented and will be occupied by Mrs. Kate Brock, who now conducts a business of this nature in the DuBois & Gay hall.

Clyde Kellogg, who has been in Plainfield with his brother for several days, returned here on Tuesday to attend to business of taking care of the house which his mother occupied, before returning to resume his business in Kansas City, Mo.

BAYER

HARDWICK

Up to Monday noon there had been only 68 dogs licensed. Last year there were 141 dogs licensed on or before April 1.

Mrs. Guy Sheldon of Farnham, P. Q., was a guest of friends in town over Sunday.

The boy scout orchestra goes to Johnson next week Friday evening, April 11, to play for a dance.

There will be an important scout meeting this week Thursday evening, and it is requested that there will be a full attendance.

F. A. Worthen was a visitor in Barre over Sunday and Monday.

Mrs. Marie DeFord was a visitor in Burlington the latter part of last week.

A son was born to Mr. and Mrs. R. H. Gowen at the hospital last Friday morning.

E. H. Clowse has been at home for the past few days from his school duties in Richmond.

Miss Gertrude Martin entertained a dozen of her playmates at her home in the Jackson block last Friday evening, the occasion being in honor of her 13th birthday anniversary. The evening was most pleasantly and enjoyably spent in playing games and in a social way. Refreshments were served and the guest of honor was the recipient of several tokens as remembrances of the day.

William Robb and Huntress Clark were in Morrisville last Friday night to attend the P. A.-Burlington basketball game.

Miss Martha Morse has been home the past week from Montpelier seminary.

Clifton Barrows of Morrisville has been appointed agent for the Metropolitan Life Insurance company, and began his duties Monday morning under the tutelage of James A. Impey of St. Johnsbury, who has had the business of the company in charge for several weeks past.

Miss Leah Cate of Burlington is visiting relatives in town this week.

The W. R. C. ladies held a successful food sale at the Memorial building despite the big storm last Saturday afternoon.

The order of Pocahontas will hold a masquerade promenade and social at their rooms in K. of C. hall this week Friday evening.

All those who desire to take in the H. A.-P. A. game at Morrisville this week Friday evening, provided a special train can be secured to bring the fans home after the game, will confer a favor by giving their names to any member of the academy team as soon as possible. Undoubtedly a great many would go if there was a certainty that there would be a return train, and the only way to secure that train is to get a certain number who will go.

E. P. Ainsworth has been home from his work in Springfield for the past few days.

The listers began their work Tuesday morning.

According to instructions from Red Cross headquarters, all yarn will be used for refugee work. Everyone who would like to knit please call on Mrs. Stoddard for yarn and instructions.

WATERBURY

Mrs. Earl Twombly has returned from Heaton hospital, where she submitted to an operation for appendicitis.

Mrs. E. F. Palmer is on the gain, having been sick with influenza.

Paul F. Sasey, constructing engineer for the General Electric company of Schenectady, N. Y., is spending a few days with his parents, Mr. and Mrs. C. D. Swasey.

Nellie Swasey, a student at the University of Vermont, is having a few days' vacation at her home.
