HOLD GIRL FOR OBSERVATION.

Taken from Train, She Attempted to Disrobe.

Manchester, N. H., Aug. 15.—Without money or ticket and apparently suffering from a mental trouble, a pretty girl, not more than 21 years old, was taken from the White River Junction-Concord train late Wednesday night by the police.

A few minutes after she had been placed in the ladies' waiting room at the railroad station here, to await the arrival of the police automobile, she had nearly disrobed. She is being held at police headquarters.

When taken from the train she had in her possession a piece of pasteboard on which was penciled, "M. Sabin, Woodstock, Vt., c-o Louis Blanchard, Woodstock inn." Passengers on the train said they first noticed the girl after the train left Woodstock. She talked at random and to herself and seemed unaware of other passengers around her.

The girl speaks French fluently. She has dark hair and eyes and is apparently well educated. She was dressed in a blue and white dress, broad brimmed purple hat and wore a string of beads with a cross about her neck.

VERMONT LABOR CONVENTION NOTES

Jack P. Mason Was Promoted from Second to First Vice President—N. A. Malmgren of Rutland Has Been Treasurer 17 Years.

Automobiles and the departing trains Thursday afternoon carried the delegates who have been in Montpelier attending the federation of labor convention to their homes, and from the expressions of pleasure at their entertainment they were well satisfied with Montpelier.

William Standcumbe of Boston, of the cigar makers' union, has been a regular attendant at the Vermont conventions for years and stated Thursday morning that he was going to attend as long as his health permitted.

N. A. Malmgren, the treasurer for the last 17 years, is no lightweight. He will tip the scales at 250 pounds and then some. They lightened his duties Thursday by changing the form in which he will make his reports in coming conventions.

Jack P. Mason, who was talked about among some of the delegates as a candidate for president, admitted that, like F. H. Babbitt when Mason S. Stone was a candidate for lieutenant governor, it would be useless for him to compete with Fred W. Suitor for the honor. However, he was promoted from second to first vice president.

"Some job" was the remark made by Alexander Ironside when the convention allotted him the task of making the year book; and it will be, for only union merchants will advertise in the book.

The following resolution was adopted relative to the Waitt & Bond Cigar company:

"Whereas, the employes of the Waitt & Bond cigar manufacturers, Boston, Mass., have been on a strike for the past six weeks, endeavoring to obtain a living wage and uphold the American standard of life, and

"Whereas, the Waitt & Bond company have refused to meet their employes through conference or otherwise with the end in view that a fair and equitable settlement of their demands could be adjusted, and

"Whereas, the said Waitt & Bond company are preparing (or have already done so) to move their business to Newark, N. J., and are employing young girls to take the places of their striking employes, the girls to be instructed in the new departure by their overseers from the Boston factory, and

"Whereas, the Waitt & Bond company have made their enormous business through the a... and assistance of the skilled union cigar makers in the world conjointly with the great advertising power of the cigar makers' international blue label, therefore be it

"Resolved, that we, the delegates in attendance of the 18th annual convention of the Vermont state branch of the American Federation of Labor, disapprove the pernicious and vicious system adopted by them in their efforts to destroy the cigar makers' union and especially their attempt to make outcasts of their skilled employes, many of whom have spent their whole industrial life in the making of this great industrial concern, and further be it

"Resolved, that one and all of us delegates pledge to carry back to our respective organizations and the purchasing public in general the fact that this firm's attitude as regards their old employes is un-American and unjust; and that it is fittingly appropriate at this time that they stand discredited in the eyes of all members of organized labor throughout these United States and New England, in particular, and until such time as they may see fit to meet their employes in a fair and amiable manner

An Internol Treatment For Piles (Hemorrhoids)

Gives absolute relief from all pain and suffering. Has never failed. Guaranteed.

Many people have become despondent because they have been led to believe that their case was hopeless and that there was no remedy for their case.

Go to your druggist and get an original bottle of Miro Pile Remedy, the discovery of a clever Ohio chemist, that taken internally, passes unchanged through the stomach and intestines, and thus reaches the source of the trouble where, by its soothing, healing antiseptic action, it first allays and then by direct contact with the ulcers and piles causes them to heal and disappear forever.

It's positively marvelous how speedily it acts. Blessed relief often comes in two or three days, even in cases that have resisted all previously known treatments really wonderful results have been accomplished. It is one of the wonderful discoveries of recent years and anyone who is disappointed with its use can have their money refunded.

Just read what Mr. F. M. Smith of 2313 Broadway, Lorain, Ohio, says

"I gladly recommend Miro Remedy for Piles. There is no equal to it. I suffered for 18 years and tried everything that was recommended. I doctored for years and was a constant sufferer with bleeding piles. I took two bottles of Miro and was entirely cured. Any sufferer using it will never regret it."

All pharmacists dispense Miro or can get it for you on short notice. Surely it is worth the little trouble to obtain to be rid of piles forever.

IMPORTANT—What is known as itching piles are not piles in the true sense of the word, although this condition may accompany a true case of piles. For this condition Miro Pile Ointment has been prepared as in such cases it is not necessary to take the internal prescription.

If your druggist cannot supply you we will gladly send either of the above mail charges paid in receipt of price. Internal Treatment $1.60, War Tax 6c, Ointment 50c, WarTax 2c extra. Guaranteed Remedies Co., Elyria, Ohio.—Adv.

A Carload of
Engines

—just in. Confidence in the engine we are selling makes us order in car lots. We know we have the best engine value to be had, and farmers are beginning to get wise to what we are doing in the engine business. That is why we are not buying one, two, six, or a dozen, but a big carload at a crack.

You can save money on an engine, right here, now, this minutes; and you will have the satisfaction of knowing that no one has a better engine. More power for less money.

Come and see.
