ABOUT THE STATE

Happenings of Interest from Different Sections.

Burnham Colby of North Troy is to be superintendent of schools in the Chittenden south district.

Mrs. Sophronia S. Smith, the oldest person in Wilmington, died Sept. 8 at the age of 96 years and seven months. She was a great reader and possessed of a wonderful memory.

Dr. Harry A. Garfield, war-time fuel administrator, has accepted an invitation to speak at the educational conference centennial day, Oct. 14, at Norwich university. His subject will be:, "The American College and Industry."

Employes of the Black Cat Textile company, to the number of 300, met Friday evening and voted to reject the proposal made by Manager E. J. Hansen at an earlier meeting. The employes have been on strike for four weeks.

On receiving complaints that escaping gas from the mains in St. Albans was killing trees on Elm street, the St. Albans Gas Co. made an investigation and found there were no leaks and the trees were being killed by an insect which infested the elms.

Since the Richford Home Builders, Inc., was incorporated in Richford, contracts have been let for 15 houses, which will all be ready for occupancy by May 1, and some of them this fall. This step was taken in order to handle the housing situation, which had become acute. Other houses will be built by the corporation if there is a need later.

The lease of the auditorium and festival hall, Brattleboro's principal playhouse, has been awarded to Mrs. E. C. Farrington, who held the lease the past year. There were two bidders and because of two ways of interpreting one of the bids, a division of public sentiment had been created since the bids were opened a week ago and there was much interest in the last meeting. Mrs. Farrington bid $3,001, Peter L. Latchis bid "$100 more than the highest bidder up to and including $3,000." Counsel for Mr. Latchis contended that his bid meant that he would pay a limit of $3,100, but this contention was opposed by Mrs. Farrington's counsel. The selectmen after making the award issued this statement: "The selectmen after long consideration decided to award the lease to Mrs. Farrington for $3,001 for the year. Their interpretation of Mr. Latchis' bid was that after the higher bid went beyond $3,000 he was out of the bidding."

Columbia Batteries

There are two reasons why we'd rather sell you Columbia Batteries for your doorbell, telephone, auto, engine or tractor.

First—It's a lively, full-powered cell. Second—It's so well-known that it sells faster, and for that reason we are able to buy fresh stock oftener.

Freshness is important in dry cells. Don't accept inferior, unknown or deteriorated batteries—buy Columbias and buy them here, FRESH.

Vermont State Treasurer's Report.
