Today's Market Quotations

RAILWAYS SHOW STRONG ADVANCE

But War Issues Still Occupy First Place in Stock Market—Studebaker at New Mark.

New York, Sept. 18.—Stocks of leading railways figured importantly in today's short but active session, after lagging behind at the opening. Advances ranged from 1 to 4 points and infused greater confidence into the speculative position. War issues continued to occupy first place, however, though here and there indications of further releasing were plainly seen. Automobile issues attracted renewed attention by reason of their sustained advances, General Motors rallying 10 at 290 and Studebaker advancing 6½, making a new record of 120½. There was a further rally in the final dealings, which carried some of the specialties and railways to best prices of the day. The closing was strong. Bonds were steady.

War shares and issues allied with them came within less than three points from the features of interest today. General Motors gained 10, initial advance of 6 points to 284 occurred, marking a new high quotation on the season of 120, to 120½, and Great Northern Ore subscribed yesterday's market, gained 4½ to 47½. Its issue price to some extent Colorado Fuel, Republic Steel, American Beet Sugar and others of that group took fresh hold, advancing to a point. United States Steel moved within a narrow limit on small dealings and railways showed up strongly, Illinois Central, Missouri, Kansas and Texas and Great Northern Ore gained further advances in the first half hour.

DECIDED SAG IN PRICE OF WHEAT

Free Offering of Canadian Product in Liverpool and to American Mills Main Cause.

Chicago, Sept. 18.—Wheat prices underwent a decided sag today, influenced by reports that Canadian export were being freely offered in Liverpool at the lowest quotations ever to American mills as well. The market here was also materially affected by the fall in Liverpool, cash sales of which were reported to be very small. Heavy weather appeared to have lost most of its influence for the bulls. Opening prices, which ranged from ⅛ to ⅝c lower with December at 94⅝c to ⅞ and May at 97⅞ to 98c, were followed by a slight rally and then a fall lower than before.

The close was weak at 1½@1⅝ net lower, with December at 93⅝@⅞ and May at 97⅛@⅞.

Corn trading was small in volume. Prices followed those of wheat. After the opening it seldom rallied from the low quotations.

The close was steady at ⅛@¼ net lower.

Oats followed the course of other cereals.

Cash business in the pit was fair. Prices, however, were lower.

Provisions were dragged down by the decline in the grain and in the cash.

Chicago Cash Grain.

Chicago, Sept. 18.—Wheat: No. 2 red, [illegible]. No. 2 hard [illegible].

Corn: No. 2 yellow, [illegible].

The Day in Davenport

Smallpox Case in School.—A case of smallpox developed in Fillmore school Thursday and one room was closed all day yesterday pending fumigation by the health department. Louis Dudley, aged 7, residing at 1125 West Third street, was sent home Thursday afternoon after he had complained of being ill. A physician was summoned and it was later learned the boy was suffering with smallpox. The room in which he had been attending his classes was ordered closed by the city physician and Health Officer Lee Valentine. Two other cases of smallpox were reported the same day. One is that of Miss Shook, residing at 610 West Fifteenth street, and the other is George W. Miller, flat No. 3, Collonade flats, on Rockingham road. There are still less than a dozen cases in the city.

—o—

Hand Smashed; Loses Finger.—Slipping on the oiled floor at the Roddewig-Schmidt Candy company Thursday afternoon, Anna Jaeger, 19, threw her right hand into the machinery and the member was so badly crushed that amputation was necessary. The pain was so great that the girl fainted and the hand, held vise-like between the machine cogs, was all that prevented her body falling to the floor. A scream, before she lost consciousness, stopped the machinery, and the girl's hand was extricated. She was bleeding badly. Miss Jaeger was rushed to St. Luke's hospital and an immediate amputation of the hand was at first thought necessary. Dr. P. A. Bendixen, the company physician, saved the hand with the exception of the index finger, which was removed. The girl's condition is much improved today, and she will be taken to her home, 1217 West Third street, within a few days.

—o—

Bad Roads Are Cause of Death.—Iowa's bad roads yesterday caused the death of 11-year-old Alice Burrows, daughter of Mr. and Mrs. Bert Burrows, living near Tipton, Iowa. Thursday her father was preparing to go squirrel hunting and his daughter Alice accompanied him to the back porch of their home to watch him clean his shot gun. The gun was accidentally discharged, seriously wounding the girl. She was rushed immediately to the State University hospital, but the bad roads proved too much for the auto, the machine being stuck with heavy gumbo, and delayed an operation, which resulted in her death.

—o—

Naturalization Case is Decided.—According to a decision handed down yesterday by Judge Wade, John Nonolos and George Christopolous are not citizens of the United States. The case has created considerable interest in the federal court here, the government claiming that as the men failed to take out their first papers they were not entitled to citizenship. The case has been held up pending a decision for several months.

—o—

Missing Muscatine Man is Sought.—Chief of Police Hans Sorensen has received a letter from H. A. Vollberg 665 Walnut street, Muscatine, asking assistance from the local police in his search for his brother who disappeared about three months ago. The missing man, William E. Vollberg, left Muscatine about the middle of June to look for work in Davenport. He is a carriage painter by trade.

—o—

In District Court.—On grounds of drunkenness, Lulu F. Frack has been granted a divorce from her husband Clyde Frack, by Judge Letts. J. A. Hanley is attorney for the plaintiff. A decree of divorce has been granted by Judge Letts to Corena Nickels on the ground of cruel and inhuman treatment. Walter Nickels was named as the defendant. Fred Vollmer is the attorney for the plaintiff, who was given the right to assume her maiden name, Corena Doyle.

—o—

Obituary Record.—The death of Mrs. Catherine Knuth of 3129 West Thirteenth street occurred Thursday evening at 10:45 after a lingering illness. The deceased was born in Schleswig-Holstein, July 8, 1848, and came to America and direct to Davenport in 1882. Here she had lived ever since. She belonged to the Woman's Relief society of the German Lutheran church. Feb. 28, 1878, she was united in marriage with Peter C. Knuth, who with the following children survive: John P., Otto, Dora C., Henry, and Hugo Knuth, and Mrs. Elsie Fitzpatrick, and many grandchildren. The funeral will be held Sunday from the family home at 2 o'clock in the afternoon, with interment in Pine Hill cemetery.

Yesterday morning at 6:30 at Mercy hospital occurred the death of Mrs. Anna Martin, an old and respected citizen of Scott county for the past 60 years. The deceased was born in Ireland Feb. 15, 1829, being 86 years of age at the time of her death. For the past 60 years she had lived in Scott county, until 14 years ago on a farm four miles east of Eldridge. Her husband, James Martin, preceded her in death many years ago, he having passed away May 3, 1898. Two years later she moved to Davenport. She is survived by one son, William J. Martin of Davenport.

Mrs. C. B. Dougherty of 421 Brady street received word yesterday morning of the death of her brother, William Eley, in Hastings, Mich. The deceased was born in Clinton in 1869 and had lived in Davenport part of the time. He was a member of the 7th Illinois in the Spanish-American war. His body will be shipped to Davenport for burial.

Legal.

Notice of Final Settlement.

Estate of George C. Barnes, deceased.

Public notice is hereby given that the undersigned administratrix of the estate of George C. Barnes, deceased, has this day filed her final report and settlement as such in the probate court of Rock Island county, and hearing on said report has been set for Tuesday Sept. 21, 1915, at 10 o'clock a. m., at which time persons interested may appear and make objections thereto, if any, if no objections are filed, said report will be approved at that time, and the undersigned will ask for an order of distribution, and will also ask to be discharged.

Rock Island, Ill., Aug. 27, 1915.

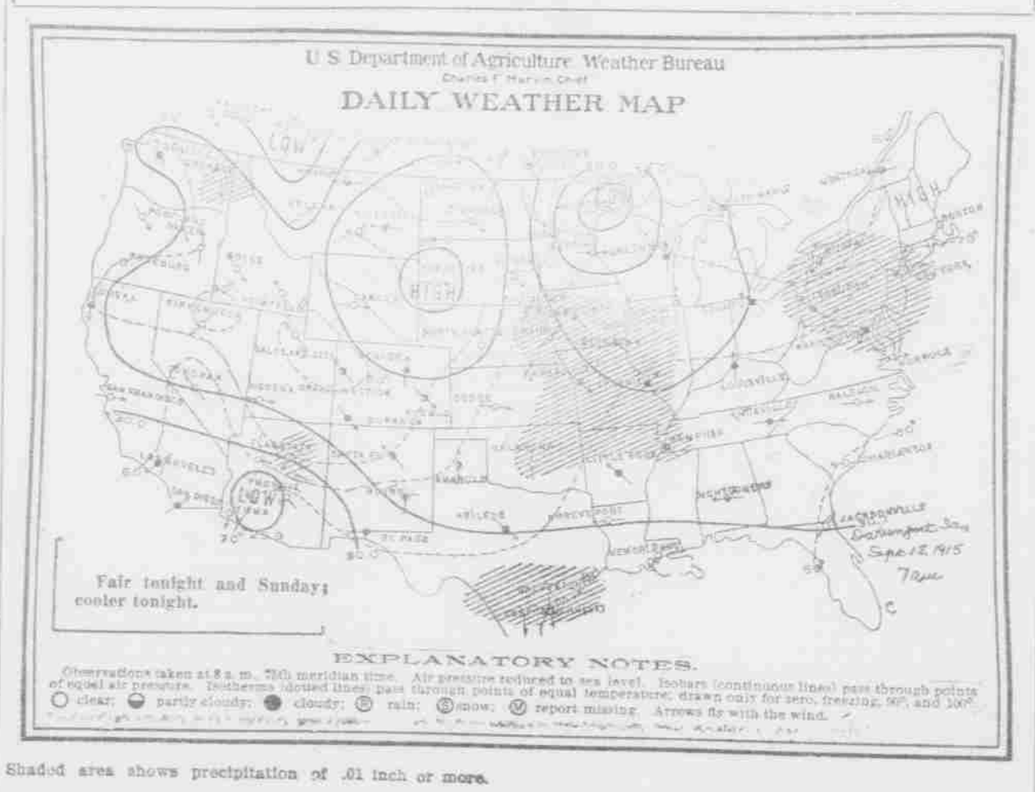
Daily United States Weather Map



Shaded area shows precipitation of .01 inch or more.

WEATHER OBSERVATIONS.

The northwestern area of low pressure has moved from Saskatchewan to northern Wisconsin, causing showers and thunderstorms in the lower Missouri and upper Mississippi valleys. Showers have also courred during the past 24 hours in the west gulf sections, the middle Atlantic states and the lake region. An area of high pressure and cooler weather is central over western South Dakota and mostly clear skies are noted west of the Mississippi. Moderately high pressures also prevail from the Atlantic coast to the lower Mississippi valley. The eastward movement of the Wisconsin storm center and of the northwestern high will be attended by fair weather in this vicinity tonight and Sunday, with cooler tonight.
