# HUNDREDS ENJOY HALLOWE'EN FUN

**Annual Entertainment Staged in Y. M. C. A. Gymnasium Brings Out Some Unique Stunts.**

**CECELIA FRY BEST GUESSER**

**Comes Nearest to Determining Number of Kernels of Corn in a Glass Jar—Other Contests.**

The annual gym frolic at the Y. M. C. A. last night under the direction of Physical Director M. A. Cleveti and the members of the senior leaders' corps proved a success in every way.

The evening's entertainment opened at 8 o'clock with a handshaking contest, with a certain man in the audience. The idea was that the 75th person to shake hands with this gentleman was the winner. Miss Emma [illegible] was the lucky person.

After this the crowd divided into four groups and played the following games: [illegible] while the hungry ones continued to duck for apples in a tub of water.

For [illegible] pumpkin [illegible] seemed to be [illegible] popular.

At [illegible] people gathered in the [illegible] to witness [illegible] program. [illegible] which caused much merriment, followed by "The [illegible] County Fair," which made a great hit. Then [illegible] the hanging of a [illegible] which caused much fun.

**Jubilee Singers Heard.**

As a grand finale the "Canadian Jubilee Singers" [illegible] appeared and [illegible] in their organization.

[illegible] proved to be the best guesser in the crowd, winning the prize [illegible] within two of a number of kernels of corn in a glass jar. [illegible] were served for refreshments.

## TAKE GROUND FOE HAS LONG FIGHT TO WIN

(Continued From Page One.)

[illegible] of the positions of the German batteries [illegible]. To all appearances the Germans never had [illegible] pect. [illegible] the French were being [illegible] the battle of the Somme. [illegible]

what was intended for a small maneuver became a brilliant tactical success.

**Planned For 10 Days Ago.**

The attack was planned for 10 days ago. Artillery began preliminary work but rainy weather set in and grand headquarters ordered a postponement. When the time came the attack was delivered by four columns of a division each, first on the left between the southern slopes of Pepper hill and Thiaumont farm. This met with little difficulty. The attackers carried Thiaumont work and farm and the Haudromont quarries set as the objective and gained the [illegible] Douaumont road beyond. There the attackers stopped, having advanced about a mile. The second column was a colonial division under General Mangin from the corps which took Douaumont fort last May. The task assigned to it was to take Hill 320 northeast of Fleury and the edge of Caillette wood. The offensive there was even more rapid than on the left wing. General Mangin immediately saw he could advance farther and the commanding officer was therefore informed the preparations had been made to continue the attack. Hill 320 was reached by troops from Fleury, which approached Caillette wood through the celebrated ravine of death. They then crossed the wood and [illegible] approaches to Douaumont fort.

**Foe Gives Way Easily.**

Everywhere the Germans gave way before them. However, the garrison of the fort hurriedly prepared to defend the important point [illegible]. French troops surrounded the fort and extended their gains [illegible] without an instant's delay. [illegible] parties set to work turning the defenses so as to be ready to resist counter attacks.

**Carry Village at a Run.**

West of the fort the village of Douaumont had been carried at a run and passed beyond. Meanwhile a stiff struggle went on between the French and the defenders of the fort. The Germans refused to surrender and the French killed nearly all of them before they forced their way into the ruins.

Things went equally well on the right. The third column advanced half a mile, reaching the edge of Vaux pond and carrying the part of the Vaux-Chapitre wood still held by the enemy and [illegible] Fumin wood. The column stopped north of these woods on the outskirts of the village of Vaux.

**Vaux Nearly Encircled.**

The fourth column, which was ordered to operate in the vicinity of Vaux fort without taking it, followed out the program exactly. It drove out the Germans from Chenois and Laufee woods, [illegible] battery, and pushing around encircled Vaux fort on the east, south and west so that the defenders have no way of escape except to the north.

Mr. Tagg has been an instructor of manual arts in the Lincoln school for the last six years, and since the opening of the new Franklin school has officiated in that capacity there also. ## TERMS OF NEW LOAN TO BE MADE PUBLIC

New York, Oct. 25.—Official announcement of the terms of the new loan to Great Britain by American financiers is expected here before the close of this week. The amount will be $250,000,000 or $300,000,000, it is understood, bearing five per cent interest with the issuing price [illegible] and maturing in two years.

As security, collateral representing between $325,000,000 and $350,000,000 will be offered, under tentative plans made public unofficially today. This would consist of American stocks and bonds mobilized by the British treasury and Canadian issues and obligations of neutral countries.

The suggested terms are virtually the same as those arranged when Great Britain borrowed $250,000,000 in the United States last August.

## CASE SOLDIER'S RIGHT TO VOTE IS UP

## QUICK RELIEF FROM CONSTIPATION

**Get Dr. Edwards' Olive Tablets**

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.
