ISLANDERS DOWN MOLINE; 21 AND 3

Indians Are Dazzled by Puzzling Attack of Independents in Second Game of Season Yesterday.

UNABLE TO SOLVE TRICK PLAYS

"Nips" Murphy Makes Three Long Runs for Touchdowns—Every Player on Local Team Stars.

BY CARL ED.

Unreeling a string of dazzling plays, forward, triple passes, the Rock Island Independents literally swept the Molline Indians off their feet yesterday afternoon at the Island City park, humiliating the Plow eleven to the tune of 21 to 3. Three points was the little satisfaction secured by the Indians, through Adams' place kick toward the end of the first half. "Nips" Murphy, the great little director general, shot across the coveted goal line on three occasions, once after a sensational 94 yard run, and Brindley, the Des Moines star, added three points with his trusty toe.

It was a big day for the Rock Island fans and the local eleven clearly demonstrated its superiority over the Moline machine in every department of the game. Four thousand interested fans watched the proceedings. Although a lion's share of the victory goes to "Nips" Murphy, the little quarterback was ably assisted by his fellow players. Each and every man on the Rock Island team played the game of his life.

The day was perfect for football. The temperature was about right for players and spectators alike. Coin's Murphy won the toss and chose to defend the south goal. Adams of Moline kicked off to Guyer, who returned the ball 20 yards. Swanson plowed through for five, but Salzmann received a bad pass on the next play and was held. Brindley punted to Adams, who fumbled but recovered the ball on his own 20-yard line. Moline was held and then Speedy Vic Bredimus ran the oval clear back to the 20-yard line. On the next play, a triple pass, Salzmann to Brindley to Murphy, "Nips" scooted around left end for a touchdown. Moline was completely fooled on the play, not a man getting near Murphy on the run. Brindley kicked a perfect goal, swelling the total to 7.

Brindley kicked off to Snider Whisler, who was downed on his own 30-yard line. Moline was held and Meerman dropped back to punt. Guyer blocked the kick, but Moline recovered. Moline was again forced to punt and Rock Island secured possession of the pigskin in the middle of the field. Murphy lost five yards on a fake interference play. "Nips" made up for this loss on the next play, however. He grabbed a 15-yard pass from Brindley and ran 45 yards through a mass on field for the second touchdown. Brindley added another point with his toe. Rock Island, 14; Moline, 0.

Coach Cavanaugh then made numerous changes, Murphy being taken out and Bredimus sent to quarter, Quinn going in at half. Swanson was hurt and Jorgensen replaced Alst at full. The changes seemed to allow the Rock Island and they failed to score in the second quarter. In this period Meerman intercepted a Rock Island pass and Moline advanced the ball to the 20-yard line. Failing to gain in three downs, Adams dropped back and put a drop kick over the cross bar. Rock Island, 14; Moline, 3.

Second Half.

Murphy returned at the start of the second half. Brindley kicked off to Meerman, but a Rock Island player was offside and he was forced to kick over. Brindley kicked off again to Meerman, who ran to his own 40-yard line. A pass failed for Moline and the Plows tried another, which Murphy intercepted, running to Moline's 40-yard line. Rock Island was penalized 15 yards for holding and Moline was given the ball. Meerman went through for 20 yards, but Moline fumbled on the next play and Salzmann recovered it. Harty bucked through for 10 and Brindley added five more. A triple pass, Harty to Guyer to Murphy, and then a forward pass to Bredimus netted 20 yards. On the next play, a delayed pass, Umpire Grogan got in the way and Bredimus fumbled, Meerman recovering the oval. Meerman went through for 20 yards. Bredimus intercepted a pass on his own 20-yard line. Rock Island was held and Brindley kicked to Spider Whisler, who ran the ball back 20 yards to the middle of the field. A pass, Whisler to Soderstrom, placed the ball on Rock Island's five yard line. Bredimus saved the day for Rock Island, making a great tackle on this play.

Three times did Moline slam into Rock Island's line and three times did the Indians find a stone wall. In desperation Whisler tried a pass which failed. The ball went over the line and the oval was put in play on the 20 yard line as time was called for the third quarter.

On the very first play in the third quarter, a triple pass, Harty to Brindley to Murphy, worked again. Here "Nips" earned a name in the hall of fame by sprinting 90 yards for a touchdown. It was the most brilliant run ever witnessed on a tri-city field and probably will never be duplicated. In his course down the field Murphy was cornered at least 10 times by Moline players, but evaded them in each instance and kept right on, picking up his interference as he kept along. Brindley kicked goal, making the total 21 to 3. The ball see-sawed up and down the field the remainder of the quarter, neither side having a marked advantage. Brindley tried a drop kick from the 40 yard line just before the game ended, but the kick was blocked and recovered by Murphy.

Rock Island simply outthought, outguessed and outmaneuvered Moline throughout the entire game. The intricate plays of the Independents had the Indians dazzled and they had no idea where the ball was going. Murphy pulled off the three longest runs of the game, but Brindley, Swanson, Bredimus, Jorgensen, Quinn, Salzmann and Harty all showed brilliant at gaining ground. Bredimus led up a speedy team in all respects, allowing the ball almost flawless. Salzmann and Harty played a smashing game at the Island end, and Alst and Quinn were plowhorses. Jorgensen stepped in for Alst and showed up well. Guyer was blocked on the kick, but Moline recovered. Moline was again forced to punt and Rock Island secured possession of the pigskin in the middle of the field. Murphy lost five yards on a fake interference play. "Nips" made up for this loss on the next play, however. He grabbed a 15-yard pass from Brindley and ran 45 yards through a mass on field for the second touchdown. Brindley added another point with his toe. Rock Island, 14; Moline, 0.

FOLLY OF DOPING SPORT IS PROVEN

Surprising Upsets in Western Conference Do Not Place Either Ohio or Northwestern Out of Running.

Football is an uncertain proposition. A team which in form ranks head and shoulders above another often is defeated. A player considered by a coach to have only mediocre ability may turn the tide of a hard-fought contest. The successful execution of a forward pass or goal kick may upset the best laid plans of the best coaches. Such results have featured this season's play.

The fans in the west have followed the averages of every eleven in the conference. If any one had predicted with sincerity that Minnesota would lose Wisconsin 54 to 0, others would have said such a man was a candidate for an insane asylum. At the beginning of the year one asserting that Northwestern and Ohio State would meet for the conference title would have been regarded foolish or worse.

The conference banner will be awarded to the winner of the Northwestern-Ohio State game at Columbus next Saturday. Regarded at the beginning of the season as two weak members of the conference, both came through without defeat.

Thus the Purple is prepared to meet the Buckeyes with full strength was shown by the masterful way in which Coach Murphy handled his squad against Purdue. The Purple won 38 to 6, and Murphy not only saved his best players for the all-important contest, but he also took advantage of the opportunity to see the ability of other players, who are stated before, may always be the deciding factor in the conference.

DAVENPORT DEFEATS CEDAR RAPIDS 20 0

FOUR ARE KILLED AT SANTA MONICA

Driver's Legs Cut Off in Crash, the Victim Dying on the Way to the Hospital.

Santa Monica, Cal., Nov. 19.—Four persons were killed, one a woman, and three were injured Saturday afternoon in the seventh annual international grand prize automobile race. The start was made at Santa Monica, driving to round the Phoenix Willow, which was the most difficult turn in the course, and the average speed of 90 miles an hour for the 402 miles of the course will stand in Wilson's name. Wilson's time, a record in Wilson was 4 12 47.

The accident of the first round and third round of all average faster than the former grand prize record of [illegible] made two years ago on the same course of Eddie Rickenbacker.

Three minutes after Sickes' death Chevrolet averaged [illegible] miles.

Cooper, second, [illegible] average [illegible]; Dawson, third, [illegible] average [illegible]; Bell, fourth, [illegible] and Mulford, [illegible] driving for Wagenhals also [illegible] and Gantz made a good showing.

Lewis Jackson, a [illegible] driver, [illegible] was killed [illegible] the Sickes [illegible] during the course and caused the death of himself and three others and the injury of two [illegible].

HAROLD LINDSTROM, Los Angeles, mechanic.

LEWIS JACKSON, Los Angeles, driver.

H. H. JENKINS, motion picture cameraman.

LEANNA M. HATCH, Venice, [illegible] resident.

The injured:

[illegible] Jackson, Los Angeles.

[illegible] Hannigan, Los Angeles, spectator.

Miss Antonia Sicard, Santa Monica, [illegible] and cut [illegible] by flying pieces of the car.

Jackson was mangled the [illegible] pieces of a wrecked automobile [illegible] crushed [illegible] and pulp which was brought off sheet and wrapped itself about a [illegible] tree. In this wreckage Jackson was crushed and his body nearly severed. His mechanic, John Gianella, was thrown out and escaped dangerous injuries.

Edgerton was struck by flying parts of the wrecked car.

Hannigan also was struck by parts of the wrecked car. He and Gianella will recover.

Nineteen drivers started but only seven survived. Mechanical troubles caused most of the withdrawals. Eddie Pullen, holder of the former grand prize record, turned over on the second lap, but was uninjured. Dario Resta, winner of the Vanderbilt cup race and third of last year's grand prize race, withdrew on the ninth lap on account of mechanical trouble after leading at the fifth.

Jackson's fatal accident was preceded by a rather one which officials said might have weakened his car. Karle in the rain Jackson's car jumped the track on the turn where later he was killed and ran into the grandstand causing twelve dislocations, the race ended.

Jackson's mishap in turn officials, who gauge at an estimated speed of [illegible] miles an hour on the San Vincent back stretch at the time his car became uncontrollable. His left front wheel hit the concrete curb, which is about [illegible] inches high and crumpled. The car turned on its side and the car flipped along for 2-3 feet before it left the road.

The motor was thrown 50 feet and the radiator and hood 25 feet farther.

ST. AMBROSE CLOSES YEAR WITH VICTORY

The St. Ambrose football team of Davenport closed its football season Friday by defeating Lenox college of Hopkinton, Iowa, 19 to 0. The results for the season were as follows:

St. Ambrose, 19; Northwestern, 21.
St. Ambrose, 26; Platteville, Normal 0.
St. Ambrose, 7; William and Vashti, 7.
St. Ambrose, 0; Upper Iowa, 6.
St. Ambrose, 17; De Paul, 6.
St. Ambrose, 3; Dubuque, 13.
St. Ambrose, 7; St. Viator, 13.
St. Ambrose, 19; Lenox, 13.

Prospects for next year are very bright. Every member of the team will be back and the majority of them have several years to play. Starting with this experienced squad the Ambrosians expect to give TOUCHY fans a high class of football.

WAIT IN VAIN FOR ISLANDER SECONDS

The Rock Island high school seconds expect to appear for their game with the St. Ambrose juniors Saturday. A crowd of several hundred that came to the game staid until it was finally agreed the Islanders would not come and then left disappointed.

Several weeks ago the juniors scheduled a game with the Moline high seconds, but they also failed to appear and as Davenport has been staging some artful dodging in order to keep their second team from colliding with them, it would seem as if there is not second high school team in the tri-cities game to try their luck with Father Adrian's midgets, who average 127 pounds.

On The Sidelines

What can the Davenport A. C. think of their championship claims now? The Iowans will have to play the Independents another game to demonstrate their superiority. Three weeks ago the Indians played rings around the Davenport team. Wolters' men may keep the tri-city title on a technicality, but they can never convince the local fans that Davenport has a superior eleven. And get this, you squawkers over the river, who are hollering about rough and dirty playing: A local scribe asked "Honey" Meersman, captain and fullback of the Moline team, what he thought of the game yesterday. Here is Meersman's reply: "The game was one of the cleanest that I ever played in. The players on both sides fought hard, but I saw no dirty work, nor did my men."

"Nips" Murphy has won a big place in the hearts of Rock Island fans through his sensational work of yesterday.

Louie Kolls was kept out of most of the game through an injury.

We cannot understand why Moline did not use Stow.

The Independents will stack up against the unbeaten Maywood A. C. eleven next Sunday at Island City park. Manager Flanigan yesterday received word that Maywood had posted its forfeit.

The National Association of Minor Leagues, in session at New Orleans, passed resolutions branding Ned Egan's methods in winning the pennant for Muscatine as unsportsmanlike.

Dubuque Nov. 20.—Dubuque German college and seminary won from Buena Vista (Storm Lake, Iowa) 89 to 0 regardless of the extra weight carried by the visitors. Butler, negro quarter for the locals, starred, making three touchdowns and a hundred yard run for one of them.

The Ray Schalk of the National league has been found, according to officials of the Chicago National league club. The youngster whom the scouts have recommended as the coming leading catcher of the National league is William "Pickles" Dillhoefer. Dillhoefer was obtained from the Milwaukee club of the American association by draft. He is 21 years of age and bats and throws right handed. He is built like his American league rival, and weighs 155 pounds. His height is five feet, eight inches. He was born in Cleveland, Ohio, and makes his home there. "Pickles" started his baseball career with the Portsmouth, Ohio, club in the Ohio State league in 1914.

Williams college Saturday won the annual New England college cross country championship, defeating the University of Maine, last year's winner, and six other colleges. H. H. Brown of Williams was the individual leader over the prescribed half mile course in Franklin Park, finishing in 29 minutes, 32 2-5 seconds.

A campaign for better football at Purdue university at Lafayette, Ind., is to be instituted by Clem O'Donnell, head coach of the boilermakers. A part of the plan is to hold a big mass meeting of alumni after the Indiana game on Nov. 25, and organize the graduates to work for a higher athletic standard. The various alumni organizations from Maine to Washington will be asked to encourage football players of ability to attend Purdue. "The trouble with the Purdue alumni is that they never had anything to do but criticise," O'Donnell said. "Now, I am going to put them to work and increase their interest in their alma mater. Purdue is entitled to a winning team and I am going to give it a winning team."

PRINCETON FALLS IN CONTEST 26 - 7

With Count Tied at End of First Half, Rock Island High Comes Back Strong in Second Period.

BACKFIELD MEN ARE STARS

Dempsey, Morris and Taber Gain Ground—Durling Intercepts Pass and Makes Long Run.

Dope was again thrown to the four winds when the Rock Island High school team defeated the fast Princeton eleven on the latter's field Saturday, to the tune of 26 to 7. Just as unexpected as its defeat at the hands of Davenport a week ago was its victory Saturday. Princeton had been rated as one of the fastest teams in the state, but the local warriors certainly showed their comebacks quick in the second half when they rushed across the goal line for three touchdowns. The fine showing of the high school men at Princeton is generally attributed to the change in lineup and the new formations adopted by Coach Anderson.

Ellingwood, who has been holding down the quarterback position all season, has been shifted to fullback and certainly made good at it. He opened holes for the backfield and through the game and executed some great tackling. The backfield, under the direction of Captain Dempsey, called signals, worked the ball in the second half played straight football in scoring one of their touchdowns. The local men have also developed the forward pass into a sure and safe play. The entire backfield played a splendid game, and the line showed itself much stronger than it has been earlier in the season. If the fellows can only put up as good a game as Princeton, they have an excellent chance of beating Clinton.

Rock Island won the toss and Dempsey kicked off to the visitors. The visitors failed to gain the opening line, holding well and he pleasing was punted back and forth. Young Dempsey and Morris started some fast plays and forced the ball down the field, and a forward pass [illegible] the Princeton [illegible] Durling intercepted the ball between the goal and Ellingwood scored goal. Rock Island 7, Princeton 0.

End runs by Kinsler and Dempsey, an [illegible] Peters and Wagner [illegible] the kicked and received it on [illegible] to the Rock Island five yard line. The opposing team carried it over and [illegible] goal. Score at end of half: Princeton 7, Rock Island 7.

The beginning of the second half showed Rock Island in [illegible] possession. Dempsey [illegible] the ball and by a forward pass [illegible] brought the ball to the [illegible] of the field. Morris [illegible] pass but the local [illegible] the ball. Princeton [illegible] Princeton [illegible] the ball to Rock Island's 35 yard line, but Durling [illegible] caught a lateral pass and ran [illegible] before he was downed. [illegible] the full scores for the [illegible] thrown for Rock Island [illegible] called to make goal. Rock Island 13, Princeton 7.

HAMMOND DEFEATED BY DAVENPORT TEAM

In perhaps the most [illegible] game ever witnessed by tri-city [illegible] Holm yesterday afternoon [illegible] ball 81 yards through [illegible] to within a yard of a [illegible] which place two line [illegible] the Davenport Athletic [illegible] second goal score in the game [illegible] Hammond. The Davenport [illegible] out at the long end of the [illegible] to 12. The game was played at Hammond.

Hammond started the scoring in the first period by heating [illegible] yards through the [illegible] kick score and likewise [illegible] work for the first half [illegible] ball from the 38 yard [illegible] series of steady plays [illegible] it over the line. The score at the end of the first half stood: Hammond 6, Davenport 0.

In the second half Davenport started [illegible] sensational work for the [illegible] a 47-yard end run, taking the ball across for Davenport's first [illegible] Murphy kicked goal. [illegible] mond, 19; Davenport, 7.

Before the quarter was over Hammond had forced the ball [illegible] Davenport's eight-yard line, but [illegible] fumble cost the game. Then of the Davenport crew picked the [illegible] up and made a run of 91 yards, being [illegible] on the Hammond one-yard line. The quarterback smashes [illegible] over the line. Score: Davenport, 19; Hammond, 19.
