Your grocer sells PURE MILK

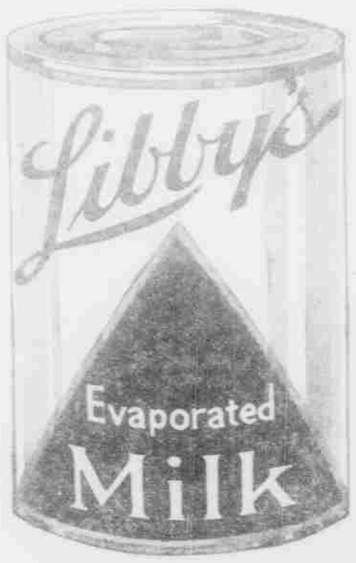
"Let your grocer be your milkman"

Ask for Libby's—Pure, rich milk with more than half the moisture removed and nothing added.

Use it in your coffee and cocoa, for cooking and on cereals.

In cooking, where the recipe calls for cream, use Libby's Milk undiluted; where the recipe specifies milk, use half as much Libby's Milk with an equal quantity of water.

Libby's Milk



Packed in the country
