NET MEN FORCE THROUGH ROUND

Stars Survive in Bitterly Fought Struggles During Third Day of Play Yesterday.

CHICAGOANS ARE ELIMINATED

Hayes and Burdick, Windy City Entrants, Beaten By Eastern Stars in Hard Fight.

Forest Hills, L. I., Aug. 29.—In a series of bitterly fought matches in which endurance played as prominent a part as skill in the majority the leading tennis players of the country forced their way to the fore in the third day of the annual national singles tennis championships on turf at the West Side Tennis club.

Only two of the more prominent players escaped being pushed to a fourth or fifth set before victory was theirs. The two outstanding favorites, R. Lindley Murray, the California expert playing from Niagara Falls, and W. T. Tilden, Jr., of Philadelphia, were the ones to demonstrate their class without delay.

The two Chicago entrants, Walter T. Hayes and Ralph H. Burdick, went down before the eastern opponents of many years' experience, but only after most bitterly fought contests. Niles of Boston was the victor over Burdick at 7-5, 6-4, 2-6, 7-5, the winner's chief advantage being his steadiness, accuracy, and ability to closely parallel the side lines for passing shots.

Walter Merrill Hall of New York eliminated Hayes in a five set match which threatened to equal in duration that of yesterday between Kashio and Dionne. Most of the time the play was from the base line, although both players moved to the net if openings appeared promising. There was little choice in their ability or skill, however, and Hall finally emerged winner due more to his staying powers than anything else, at 3-6, 6-4, 0-6, 6-4, 6-4.

Murray Trounces Backhand Star.

R. Lindley Murray disposed of Theodore R. Pell of New York, noted for superiority of his backhand play, in straight sets at 6-2, 6-0, 6-0. Murray's terrific service and smashing forced Pell on the defense the greater part of the time, and with the exception of an occasional brilliant cross court backhand stroke by Pell, Murray was always holding the advantage and the attention of the gallery of several thousand spectators.

Tilden eliminated Conrad B. Doye of Washington at 6-3, 6-1, 7-5, and showed he ranks as a star with Murray. Doye put up a game fight, but the superiority of the towering Philadelphia was entirely too great.

Other five set matches included the victory of Cadet S. H. Voshell of Brooklyn over Vincent Richards, the youthful phenomenon of the east, while Frederick B. Alexander of New York won from Harold Throckmorton, 2-6, 3-6, 7-5, 6-0, 6-3.

DOPE UPSET IN WOMEN'S MEET

Out of Town Golf Stars Eliminated In Second Round of Western Association Tourney.

Chicago, Aug. 29—The championship of the Women's Western Golf association has narrowed down to the third round. In the second round yesterday several upsets were recorded, among them the defeat of Mrs. Dave Gaut, Memphis, Tenn., champion. The southern visitor, who won the low qualifying medal, was eliminated by Miss Ernestine Pearce, Skokie, 3 and 2. The local entrant, playing at the top of her game, equaled the course record with her medal card of 88.

Another surprise was the elimination of Mrs. F. S. Colburn, Glen View, by Mrs. C. O. Gillette Ridge, 1 up, 19 holes. The defeat of Mrs. Melvin Jones, Glen Oak, at the hands of her clubmate, Miss Vera Gardiner, also caused a mild sensation.

Only one out-of-town player remains in the battle for the title—Miss Frances Hadfield, Milwaukee. She disposed of Mrs. W. G. Deemer, Evanston, 4 and 2. The other winners included Miss Elizabeth Klotz, Indian Hill, Miss Elaine Rosenthal, Ravisloe; Mrs. E. Byfield, Ravisloe, and Miss Corella Lukens, Edgewater.

COMISKEY PARK WILL BE SCENE WORLD'S SERIES

Chicago, Aug. 29.—The world's series will be played at Comiskey park. This decision was reached yesterday by Secretary Walter Craighead of the Cubs. The delay in handing out this announcement was due to the desire of the officials of the National league to ascertain how great the demand would be for tickets. The demand has come up to expectations, therefore it will be necessary to play the championship contests at the home of the White Sox.

"After receiving a bundle of requests for tickets we have decided to play the series at Comiskey park," said Secretary Craighead. "We held off until today to see what the mail would bring in. It brought more than we expected, therefore there is nothing else left for us to do but stage the games on the south side so as to give all the fans in Chicago a chance to see the series. Comiskey's plant is bigger and naturally will hold more people.

"Fans who wrote their names on rain checks, are not sending in their names as rapidly as expected. Probably they believe they did their share when they deposited their stubs in the boxes at the park. They must write and request seats the same as those who did not sign a stub."

TRIS SPEAKER SUSPENDED.

President Johnson of the American league yesterday indefinitely suspended Tris Speaker of the Cleveland club for his run in with Umpire Tommy Connolly in Philadelphia Tuesday.

OFFICIAL PERMIT FOR WORLD GAMES SENT A. HERRMANN

Cincinnati, Ohio, Aug. 29.—August Herrmann, chairman of the national baseball commission, has received the official permission of Provost Marshal General Crowder for the world's series.

The telegram sent to Herrmann reads:

"Washington, Aug. 27.—August Herrmann, chairman National Baseball Commision, Cincinnati. The request contained in your letter of Aug. 20 for the extension of the application of the work or fight order to professional ball players of the winning teams of the National and American leagues is granted by the secretary of war. The period of extension will be until Sept. 15. Necessary instructions have been issued by telegraph.

(Signed) "CROWDER."

This permission removes the last obstacle to holding the world's series, which will start in Chicago Sept. 4.

The Theater

In the Movies.

Spencer Square—Tonight, Friday and Saturday: Alice Brady in "The Whirlpool"; Mack Sennett comedy.

Majestic—Tonight and Friday: Griffith's "The Great Love."

At the Majestic.

Miss Violet Keppel of the English nobility was among those of the nobility who posed for Mr. Griffith's latest picture which shows Queen Alexandra cheering wounded soldiers in a hospital, while Lady Diana Manners and others also appeared engaged in a practical exercise of "The Great Love," the production of that name which sets forth the joy of unselfish service. This is a play in which American society will take special interest, since it shows how the war has brought about a transformation of the fashionable world of Britain, the butterfly existence being sacrificed for actual service, amusements taking their rightful place of recreation, rather than monopolizing the whole of existence. Manager Quinn of the Majestic will run the picture tonight and Friday.

GREEK FEARS OLIN.

Chicago, Aug. 29.—William Demetral, Greek heavyweight wrestler, appears to have a fear of John Olin, his opponent on the mat at the Haymarket theatre tomorrow night. Demetral appealed to Matchmaker Thiry asking that instead of it being a finish affair, best two in three falls, that he decide to call it a handicap match. Thiry flatly refused, declaring it was made as a finish and as such it will remain.

UMPS RIGLER TO FRANCE.

Chicago, Aug. 29.—Umpire Rigler, who is working in the current Cub-Red series, will go to France directly after the season ends to engage in Y. M. C. A. work. He previously had accepted an offer to work in the oil industry in northern Ohio at a remunerative salary, but when the Y. M. C. A. asked him to go overseas in its service Rigler gave up his other job and accepted the Y. M. C. A. work at a much smaller salary.

CUBS GENEROUS IN TWIN GAMES

Halve Doubleheader With Heinie Groh's Proteges, Winning First and Losing Second.

Chicago, Aug. 29. — Under the management of Heine Groh, who succeeded Christy Mathewson yesterday, the Reds of Cincinnati broke even with our new National league champions in the inaugural double header of their final series of the year. Chicago won the first game, 7 to 5, and Cincinnati the second, 9 to 0.

The Reds were battling for third place and the Cubs practicing for the world's series.

Both games were full of batting and other things, 22 hits being peeled off in the first half and 23 in the second. They were equally distributed in the opening contest, but the Cubs made better use of the 11 they got than the Reds of theirs. Cincinnati piled up 15 safeties off Speed Martin in the second game, while the Cubs could get only eight off Roy Mitchell, who recently had a comeback tryout with the White Sox.

NOVICES SCRAP AT JACKIE MITT FEST

Great Lakes, Ill., Aug. 29.—Novice boxers predominated in the 18 bouts at the weekly ring show yesterday, as most of the belt holders were on a tour to Dubuque, Iowa, for a Red Cross benefit. Eddie Kennedy also was absent and Ritchie Mitchell, chief quartermaster, refereed.

The Stock Yards Cup honors were divided between the Twelfth regiment and the hospital school. Each scored 6½ points. Last week the trophy went to the armed guards.

SUN BRIAR FOR NEW MARK.

Saratoga, N. Y., Aug. 29.—Willis Sharp Kilmer will start his three-year-old horse Sun Briar here today in an attempt to break the mile record of one minute 34 4-5 seconds recently made by Roamer. Sun Briar will carry 100 pounds and will be paced by Hank O'Day for the first half mile and by Exterminator for the second.

RAIN HALTS SOX GAME.

Massillon, Ohio, Aug. 29.—The White Sox were unable to play an exhibition game here yesterday on account of rain. The Sox took the afternoon interurban to Toledo, playing the Rail Lights there tomorrow.
