Ladies, take Particular Notice.

The Real Velpau Female Pills!

WARRANTED FRENCH,

These Pills, so celebrated many years ago in Paris, for the relief of female irregularities, and afterwards for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. Velpau, is a physician in Paris, of great wealth, and has strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes.

In overcoming Female Obstructions, Falling of the Womb, Whites, Green Sickness, Suppression, Retention, or Immoderate Flow of the Monthly Discharges, Nervous and Spinal Affections, Pains in the Back and Limbs, Fatigue on slight exertion, Palpitation of the Heart, Hysterics, &c., and will effect a cure when all other means have failed; and, although a powerful remedy, do not contain calomel, antimony, or anything hurtful to the constitution.

To married ladies and young girls who have never been regulated, they are peculiarly suited. They will, in a short time, bring on the monthly period with regularity.

CAUTION.—Married Ladies should never take them when there is any reason to believe themselves pregnant, for they will be sure to produce miscarriage.

Ladies can procure a box, sealed from the eyes of the curious, by enclosing one dollar, and six postage stamps to M. W. MACOMBER, General Agent for United States and Canadas, at Albany N. Y. or of any authorized Agent. my24dwly

LOCAL NOTICES.

Sprains are thoroughly cured—if there be not extensive lesion—by thoroughly using Renne's Pain-Killing Magic Oil. It is also good for other pains and aches. It is an excellent family remedy. Try a bottle.

Many persons who saw the corn bread exhibited at the State Fair in New Orleans, supposed it was pound cake, until correctly informed, and that it was made from Dr Price's Cream Baking Powder, for which a silver medal was there awarded.

Its no use, the poisonous hair preparations had their day and done their mischief. Now comes along NATURE'S HAIR RESTORATIVE, a perfectly clear article, which restores gray hair and keeps the head in a healthy condition. See advertisement.

SPECIAL BULLETIN TO THE SICK. Be it known that DR. WALKER'S VINEGAR BITTERS relieves every disorder of the digestive organs, restores the appetite, braces the nerves, elevates the depressed spirits, recruits the mental energies, allays irritation, regulates the secretions, improves the blood, is eminently useful in all diseases, acute or chronic, contains no alcohol, and may be taken fearlessly by the feeblest maiden, wife or mother, as it is composed solely of the juices of rare California herbs and roots, potent only to invigorate and restore.

EDEY'S CARBOLIC TROCHES.—For the cure of coughs, colds, sore throat, diptheria, scarlet fever, diseased lungs, asthma, bronchitis, whooping cough, kidneys, worms, dyspepsia, etc., etc. Edey's Carbolic Troches stand unrivalled for their healing qualities, their certain and instantaneous action. They arrest decay at once. Hence in cases of diseased lungs, tubercles, or diseases, decomposition is at once arrested. Parasites of every description are expelled by the use of these troches; and they should be used as a cure, as well as preventive, for cholera, diarrhœa, dyspepsia, cholera infantum, miasmatic fevers, etc. "Carbolic" is indorsed by the highest medical talent of the old and new world.

P. S. Sure cure for sore throat.

THE BEST TONIC OF IRON.—Phosphorus and Calisaya, known as Ferro—Phosphated Elixir of Calisaya Bark. The iron restores color to the blood, the phosphorus renews waste of the nerve tissue, and the calisaya gives a natural, healthful tone to the digestive organs, thereby curing dyspepsia in its various forms; wakefulness, general debility, depression of spirits: also, the best preventive against fever and ague. One pint contains the virtues of one ounce of calisaya, and one teaspoonful, a grain of iron and phosphorus. Manufactured only by Caswell, Hazard & Co., successors to Caswell Mack & Co., New York. Sold by Druggists.

IMPORTANT LETTER FROM DR. BARD, GOVERNOR OF IDAHO. Washington, April 2, 1870.

Messrs. Allcock & Co.: Your Porous Strengthening Plasters have proved of the greatest service to me. Some time since I was troubled with violent rheumatic or neuralgic pains in both my arms. They gradually grew worse, and approached the heart. Finding nothing I applied gave me relief, I tried your Porous Plasters, which I wore for two months, the pain ceased almost immediately, and I have had no pain since. As an external remedy your Plasters are incomparable. I have recommended them to many of my friends in the City of Atalanta, Ga., where I reside, and they are loud in their praise, the the Plasters having proved equally useful in their cases as in mine. SAMUEL BARD.

Late Editor Atalanta, (Ga.) Daily New Era.

PARALYSIS CURED.

Even in paralysis, where articulation was suspended, the use of Porous Plasters to the spine restores the articulation, and materially reduces the paralysis In fact, the patient could help herself, while before the Porous Plaster was applied she was as helpless as a baby. We refer to Mrs. Sally Elliot, Springfield Mass. Allcock's Porous Plasters are sold by all Druggists.

DR. A. G. OLIN, of Chicago, whose advertisement appears in to-day's issue is a gentleman of high Medical rank, he has won distinction by curing some of the most difficult and complicated diseases. The afflicted will find him worthy of all confidence.

A WORD TO MOTHERS!

You are all liable to diseases which are the results of natural causes, and which, in most cases do not recover without some assistance from a judicious source of treatment; and many of you are left with a weakly, broken-down constitution which makes life miserable, and, in many cases, death preferable.

Go to your Druggist and get a bottle of CONSTITUTION WATER.

Take forty drops three times a day in four times the quantity of water, and it will cure you. For sale by all Druggists. It is not a Spring Water.

GOOD ADVICE AND POETRY.

TUNE, "anything that Fits."

Magic Oil is "death on Fits."
Magic Oil is delicious, thank Renne for this!
All Pain it cures quickly for mother or miss,
Goes right to the trouble, rubbed in with the palm,
As sure as you're faithful "It works like a charm."

The directions please follow, but use your own skill
In Sprains and Neuralgia, but bathe with a will.
Used outward and inward it never does harm,
In headache or Colic "It works like a charm."

Sore Throat from Catarrh, or from Cold in the Head,
Or Chills from a Cold that would keep you in bed,
Magic Oil performs wonders, and acts like a balm.
For Gargle, or Swathing, "It works like a charm."

It cures you so nicely, it makes you feel brave,
So that ordinary pain is a luxury to have.
Magic Oil in Dyspepsia gives a feeling so calm,
The stomach in glee says "It works like a charm."

The "tooth horn of fame" most usually lies!
So the Magic Oil cranks took the folks by surprise!
The claims that it made caused wondrous alarm.
The trial now shows that "It works like a charm."

Horace Greeley at Cleveland.

Grant in New York.

What Mr. Voorhees said when he introduced Horace Greeley.

The Grant-Bourbons in Illinois have bad luck.

Another murder in Chicago

The Citizens greatly excited.

CLEVELAND, Sept. 24.—Horace Greeley and party arrived here this evening at 9:20 from Sandusky. They were received at the depot by the Greeley Clubs of the city and escorted to Monumental Park, where Greeley and Governor Walker, of Va., addressed a large and enthusiastic meeting. In his speech at Dayton Mr. Greeley said: "I take the Dayton *Journal* of this morning and find myself there credited with saying at Vicksburg last year that I hoped the time will come when the soldiers that fought with Lee and Johnson will occupy as proud a position in the hearts of the American people as the soldiers who fought with Grant and Sherman. No such words as these ever escaped my lips. No such thought as that ever entered my heart. (Cheers.) What I did say, speaking of that war-wasted, heart-broken people is that I trusted the day would come when the soldierly qualities and military genius of Lee and Stonewall Jackson would be regarded as part of the heritage of the American people (Cheers); that they would be spoken of as American soldiers who, though in a cause which I think a bad cause, illustrate the military capacity, the genius and the energy of the American people. For, after all, fellow-citizens, these were our mistaken countrymen—our misguided countrymen. They are dead, and are now our dead countrymen. I did say that, and if any man grudges that little word of consolation to that heart-broken people, let him vote against me."

NEW YORK, Sept. 24.—President Grant will leave Long Branch permanently for the season on Wednesday night, remaining Thursday at Philadelphia, and returning to Washington Friday night.

BALTIMORE, Sept. 24.—Both branches of the City Council last evening passed resolutions tendering the hospitalities of the city to Horace Greeley on his visit here on the 8th of October to deliver the annual address before the Agricultural Society of Maryland.

CHICAGO, Sept. 24.—A Joliet special announces that Judge Sidney Breese has written to a friend in that city refusing to accept the straight-out Democratic nomination for Governor.

NEW YORK, Nov. 24.—President Grant arrived in this city from Long Branch today, and after visiting the Republican headquarters, started for Washington this afternoon.

CHICAGO, Sept. 24.—There was another cold blooded, unprovoked murder here last night. James P. McWilliams, a young man about 18 years of age, employed as a compositor in the *Times* office, was shot and almost instantly killed while walking along Clinton street, near Adams, about midnight, with a companion, by one of four men, to whom they had spoken civilly, but with whom they had no quarrel. The assassin and his companions fled, and up to an early hour this morning escaped detection or arrest.

CHICAGO, Sept. 24.—Six men have been arrested on suspicion of being the murderers of McWilliams last night. Popular feeling runs very high over the tragedy.

What Mr. Voorhees said when he Introduced Horace Greeley.

Special to the Chicago Tribune.

INDIANAPOLIS, Sept. 23.—Mr. Greeley was introduced to the vast audience in the State House yard, to-night, by Hon. Daniel W. Voorhees, as follows:

MY FELLOW CITIZENS: The honor of introducing the distinguished guests to-night has been assigned to me. It is well known, my friends, that when this great movement commenced my relations to it were not what they are now. I complied, however, with the behests of my party when the exponent of our principles, who is here to-night, was placed in nomination. Since that time my judgment, my heart, and my mind has become thoroughly impregnated with the belief that we are engaged in a great movement for the redemption and benefit of our country. The gentleman who is here to night is your candidate. He has commended himself in a large degree to our support and our confidence by his public utterances, both in letter and speech. The speeches which he has been delivering in his present tour will be among the few specimens of political literature preserved for the admiration of future ages. I do not hesitate to say in your presence, and before the whole country, that for purity of sentiment, elevation of thought, integrity of purpose, broad philanthropy, lofty benevolence, and elevated statesmanship, the speeches that Horace Greeley has delivered on his present tour through the West have no equal, no parallel in American history, in the politics of our country. [Great applause.] If I had never been for him before, I would be for him to-night. [Cheers.] His election signifies peace and reconciliation—signifies love among the sections where love has prevailed. It signifies purity in every department of the Government. I stood forth once to oppose this movement, but bowed to it when my party decided to embrace it. To-night I go further. To-night, I embrace with all my heart, with all my mind, with all my strength, as tending to purification, the redemption of our whole country, North and South, everywhere. [Loud applause.] This spectacle is a bright omen of success. I propose to introduce to you, my fellow-citizens, one of the men who, by his own brain and hands has carved for himself a foremost place, not merely in the history of the country, but in the history of the world. I propose to introduce one who, from the position of labor and toil has placed himself in the front ranks of mankind—Horace Greeley. [Loud and prolonged cheering.]

To Dyspeptics.

From a careful analysis of DOOLEY'S YEAST POWDER, we can safely recommend it producing bread, biscuits, pastry, &c., which can be relished by the most sensitive dyspeptics, as healthy and nutritious.

Cameron Mixed Gloss Paint Co.,

No. 149 West 5th Street,

CINCINNATI,.....OHIO

Our Paint is made from the same materials that all painters claim to use, best White Lead Zinc and Linseed Oil, but scientifically combined with other materials that give it strength, beauty, and make it economical, adhesive, and more durable than any other paint. It cannot be equalled for outside work; the gloss being a part of its body, gives it a hard, glossy, enameled surface, which will resist the action of the weather longer than any other paint. It is equally good for inside work, whether on wood plastered walls and ceilings, or over wall paper; the enameled surface given by the gloss is not affected by scrubbing and washing. It has been thoroughly tested, being in use over nine years, and has given entire satisfaction. Suitable for all purposes, and warranted to stand in any climate.

Our celebrated Car, Bridge and Roof Paint cannot be equaled.

As our paints are made of the ordinary pigments and oil, do not confound them with those styled "Chemical," "Rubber," or any other mixed paints.

Watch Buyers Attention!

The undersigned respectfully call the attention of persons contemplating the purchase of Watches to the superiority of the celebrated Nickle Movements, manufactured by Messrs BORREL & COURVOISIER, of Neuchatel, Gents and Ladies' sizes, Key and stem Winders, quartier-plate. These watches have Equilibrium escapements, chronometer balances, exposed ruby pallets, Breguet hair-springs, and full ruby-jewelled, and combine all modern improvements in watch making.

These Watches were awarded the Grand Prize at the Paris Exposition of 1867, for the best performance and greatest accuracy in adjustment, and can be warranted to perform with the same degree of regularity as those made by the best manufacturers of Europe and America.
