A LETTER FROM
REPUBLICAN VALLEY

Editor News:

Our Sunshine trip was attended with so many pleasant and interesting incidents that we are sure your readers will be interested in a brief description of the journey.

It was a happy crowd of DeLandites that assembled for morning train for Enterprise, enjoy a day of pleasure at Jacksonville, Beaches, Daytona, St. Augustine, Ormond and Port Orange, in the fair Sunshine State, where the sight seeker can be left dazed and entranced with the wonders and beauties of nature, and where the weary can find rest and recuperation amid the unlike beauties of tropic vegetation and the splendid climate of the splendid country. We have learned how to get the most of happiness and health out of life in the South. Going we have come to know that it is best to start south early in the fall and remain later in the spring than go the large. Right months of the year in the vicinity of Florida and four in the South is where the right proportion to get long life.

There were seventeen DeLandites in the party. Are H. H. Dillon and Bert Dillon, Mr. and Mrs. Ed. Lyons and son Ed. Lyons, Mr. and Mrs. Ed. Lyons, Mr. and Mrs. Ed. Lyons, Mr. and Mrs.
