BASE BALL

[illegible] Shot out for Flagstaff. Raton Defeats the Western Club this Morning.

The Flagstaffs were shot out yesterday afternoon by the Albuquerque Browns. Kelley was in the box again for the Flagstaffs and was an easy mark, the Browns making twenty nine hits and earning twelve runs. Jones pitched for the Browns and was invincible. The Flagstaffs realized what they were up against when Jones struck out all three men in the first inning.

They secured off Jones five hits, no two in same inning. Three times did the Flagstaffs come near scoring, in the fourth, fifth and eighth. In the fourth an error by Moore followed by a hit and another error by Metcalfe filled second and third and none out. Then Jones struck out two men and retired the third one at first.

In the eighth Moore fumbled and then threw wild over first nearly to the track. Dugan had plenty of time to reach home but between third and home fell down and Stanley secured the ball and put him out.

In the fifth a base on balls and a hit to pitched ball placed Kelley and Coggswell on first and second. Sharp hit to right but a beautiful throw by Metcalfe caught sharp at plate and Coggswell and Sharp were thrown out on bases.

The ninth inning ended with a double play by Moore, Raymer and O'Connor.

[illegible]

Flagstaff submitted to their third slaughter this morning at the hands of the Ratons. But they improved over the other games to the extent of scoring one unearned run. This is how it was done. Jones, whom Flagstaff picked up somewhere this morning, made a hit, stole second, took third on a sacrifice by Rand and came in on Farley's pass ball.

In the fourth inning Raton made ten hits, had twenty men at bat, and netted seventeen runs, fifteen being made before any one was out. After this the game became a farce, Raton indulging in betting exercise and refusing to run or running to third instead of first.

The game was called after the sixth inning.

[illegible]

The Flagstaff men say they did not expect to win against professional players, but came over to have some fun. However, they did not act this morning as if they enjoyed it.

From Thursday's Daily.

Thursday of fair week has become by custom the day on which the merchants and business men of the city attend the fair and this year is no exception and nearly all business places in the city are closed this afternoon. Postmaster Grunsfeld, too, has received permission from Washington to close the postoffice this afternoon, so in many respects it resembles a legal holiday. The attendance at the fair grounds this afternoon is the largest it has yet been at the fair.

To-morrow will be another great day at the fair. The chief attraction in the afternoon will be the game of base ball between the Browns and the Ratons, the game which will decide who the champions of the tournament will be. Owing to the departure of the Flagstaff team, which became discouraged with its disastrous defeats, the game that was to have been played to-morrow afternoon between Las Vegas and the Albuquerques will be postponed until Saturday afternoon.

There will be a Navajo war dance at the fair grounds this evening, and the committee is to have another dance to-morrow night.

YESTERDAY'S PROVERBIAL HAPPY.

Close and Interesting Livington Bicycle Contest in a Fair.

The first accident that has taken place at the fair grounds this week occurred in the half mile professional bicycle race, yesterday afternoon, when Livington was shoved into the fence. He was going at a lightning speed and had a very hard fall. His face was badly battered, but the accident was not of a serious character and after having his wounds dressed with plasters, he again appeared on the grounds to enjoy the remainder of the sports as a spectator. The general impression was that Livington would have won the race if it had not been for the accident.

The one mile race, for Indians only, was a funny affair and furnished a large amount of fun for the spectators. There were three Indians entered in the race, Louie, Montana and Goslend. They could not see any need of hurrying themselves and they came under the wire with the brilliant time record of [illegible].

In the three quarter mile amateur race Brock, Cahn, Wings, Lewis, Kercher, Insley and Weller were entered. The ride down the home stretch was close and exciting. Insley came in first, with Lewis a close second, and Brock third. Time, 2:[illegible]. Prizes $25 and $10 in merchandise.

The half mile professional was the third and last race of the afternoon. The racers entered were, Banks, Livington, Wood, Gammon and Kellett. Livington was injured quite early in the race by his accident. Woods, Banks and Gammon made a very pretty finish in the order named. Time, [illegible]. Prizes $20 and $5.

BASE BALL

Browns Beat the Las Vegas Team and Also Win the Morning.

A very large crowd of enthusiastic base ball people turned out to witness the important game of the series between Las Vegas and the Browns yesterday afternoon. Vegas was well represented and their rooters seemed full of confidence from the start. They had every thing their way until the fatal fifth inning, when a new chorus took up the refrain and they are singing yet.

Vegas made her first score in the second inning, taking two runs on a base on balls, a hit by Martz, Wanker got hit and with bases full Stoney singled. The score was Vegas 2, Browns 0, until the beginning of the fifth. Here the Browns got Vegas going and it was all up with them in a few minutes.

HOW IT WAS DONE.

Metcalfe hunted safety and Lucid drew a base on balls, advancing Metcalfe to second. Gregory threw wild over second and Metcalfe took third and Lucid second on King's grounder, Markley threw wild to plate, and Metcalfe scored, Lucid taking third. On Gilpatrick's grounder, Markley threw out Lucid at home plate. Pequinney got his base on balls. Bases full. Gregory gave Raymer a base on balls, forcing in King and tying score. Vegas now tried to field home plate and failed. On Martz's muff, Gilpatrick scored. On Markley's error, Pequinney scored. Stanley hit, scoring Raymer. Metcalfe out, scoring O'Connor and Young. Gregory's error scored Stanley. Metcalfe was forced out at third, on King's grounder. Lucid stole third and came in on Gilpatrick's hit, King taking third. Raymer went out from third to first, scoring Browns 9, Vegas 2.

The game was won, though both sides forced four more runs, none of which were earned. Donlin pitched the game out for Vegas, Gregory retiring and Gerhardt going to center.

The Browns won simply by batting their hits, as Vegas had one more hit to their credit. Five of Vegas' six errors came in that fatal inning, too. Pequinney made some beautiful plays at third, netting six assists. Walker, Donlin and Gerhardt did some excellent work in the field. Pequinney's fielding of Shoder's hot grounder for a double play with O'Connor and Gilpatrick was quite the prettiest play of the game.

O'Connor lost in one unnecessary run in the ninth inning, making a mistake of supposing three were out.

The score:

[illegible]

BROWNS WIN THEIR THIRD GAME.

The Browns defeated the Albuquerques this forenoon by the score of 21 to 4 in seven innings. The game was no credit to either team. C. McDonald pitched four innings for the Albuquerques but had lost control of the ball and surrendered his thirteen runs. Holland finished the game. Gilpatrick was in the box for the Browns. The fielding of both teams was wretched and the playing listless and uninteresting. In the inning in which the Albuquerques scored four runs, the Browns went to pieces and made six errors.

YESTERDAY'S SPEED PROGRAM.

Four Races Were Run Which Furnished Much Excitement and Entertainment.

There were four horse races yesterday afternoon, all of which furnished great entertainment for the spectators in the grand stand. A furious wind, which held sway for a few minutes, threatened to keep the crowd away, but it was of short duration, and with this exception the afternoon was all that could be desired.

The first race of six furlongs between Miss Redwood, owned by Baxter; Encino, owned by Culley. Owing to his victories of Monday and Tuesday Encino was considered almost a sure winner and the betting was strongly in his favor. Encino led the greater portion of the race, but Miss Redwood finally passed him and held the lead to the box, passing under the wire the winner amid great excitement. Time, [illegible].

In the second race, one mile, [illegible] were three horses entered. [illegible] Bernard, Barnett owned by Jones and Lucile, owned by Boyd. The race lay between Brooks and Barnett, but Brooks, [illegible], rounded the winning post with Barnett second and Lucile third. Time, 1:[illegible].

There were five horses entered in the third race, four and one-half furlongs. Fatty Dugan, owned by Mitchell, won the first prize. [illegible] second and [illegible]. Time, 1:[illegible].

In the fourth race, [illegible] horses owned by Jones won first money, Bob Lemon, owned by Henderson, second, and Sinner, owned by Sullivan, third. Time, 1:[illegible]. This race and the one immediately preceding the grand stand with the greatest enthusiasm. It seemed as if many friends and admirers for some time had lost money on Sinner and had a number who were on the road and startling fast it to the finish, they went wild with delight.

FAIR NOTES.

The seventeenth annual Territorial Fair of New Mexico is rapidly drawing to a close. Only one day now remains and it will pass into history as a very successful fair, and in every respect the greatest fair that has yet been held in the territory.

The crowd at the fair grounds yesterday afternoon in spite of the disagreeable weather, is said to have been the largest that ever attended a fair in this city. The grand stand and boxes were crowded to their utmost capacity and besides thousands of people lined up along the fence of the race track.

This afternoon there is another good sized crowd in attendance, and the most exciting feature of the entire fair, the base ball game between the Browns and Ratons, is now in progress.

To-morrow afternoon there will be a close game between Las Vegas and the Albuquerques to see which is to have the third and which the fourth prize. There will be some good horse races and there may also be some horse races.

BASE BALL.

One of the decisive games of the base ball series was played yesterday afternoon.
