There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

PARDON PETITION IS SIGNED BY MANY LOCAL PEOPLE

Albuquerqueans Have Responded Generously and Spontaneously in Effort on Behalf of Mrs. Napolitano.

If kindness and sympathy, earnestness, generosity and energetic effort can help Angelina Napolitana in the great crisis of her life, if the governor-general of Canada can be softened to grant mercy to her, many Albuquerque people will be happy in the realization that they shared in the work of pleading for a pardon for the unfortunate woman, now a prisoner in a Canadian prison, awaiting the death sentence.

Nothing could be more pitiful and desperate than the condition of Angelina Napolitano, wretchedly poor, obscure, condemned to death, in prison at Saulte Ste. Marie, Ontario, and soon to become a mother.

With dull resignation, the blunted indifference of despair, she faced her fate, asking nothing of any one; making, indeed, only one request—the simplest and most moving—that she be allowed to write to her old mother in Italy to ask her to pray for her; only that she extend—the consolation that her old mother, in the far home of her childhood that she has no hope of ever seeing again, might know and offer up her humble prayers for the soul of her unhappy daughter.

But the sympathy of people throughout the civilized world was aroused in her behalf. From those who had no other idea with her than the common one of decent humanity and the sisterhood of all womanhood, came offers of love and sympathy. From all over the world petitions asking for a pardon for the woman have been sent to Canada.

Albuquerque women took the initiative in sending out a protest from this city. The following petition for a pardon, addressed to the governor general of the Dominion of Canada, was signed by many prominent individuals and organizations and will be sent to Canada tonight.

"News of the pitiful case of Mrs. Angelina Napolitano, now confined in jail in Sault Ste. Marie, Can., awaiting the birth of a child that her execution may speedily follow, having touched our deepest sympathies and having aroused the sentiments of reverence and protection for motherhood, we, in common with other citizens throughout America and Canada, desire to be heard.

Therefore, we the undersigned residents of the city of Albuquerque, county of Bernalillo, territory of New Mexico, do earnestly petition that the death sentence for murder of her husband be not imposed on Ms. Angelina Napolitano, Saulte Ste. Marie, Ont., but that she be given a reprieve so that the child soon to be born to her may not be deprived of a mother's love and care during the first years of its life. The evidence shows that the condemned woman had great provocation for the crime committed. It is proved that at the time she was desperate from exposure, destitution, cruelty, fearful for her life, that her delicate condition predisposed her to mental aberration and ran in great measure, if not wholly, she was irresponsible.

In her ignorance of legal procedure, the poor woman did not request a trial by jury, and by not requesting it did not have a jury trial, but truthfully admitted her guilt of murder.

Therefore, we the undersigned, believe that the ends of justice would be served by pardoning Angelina Napolitano and appeal to your excellency to grant the prayer of.

Woman's Happiness

The highest point of woman's happiness is reached only through motherhood, in the clasping of her child within her arms. Yet the mother-to-be is often fearful of nature's ordeal and shrinks from the suffering incident to its consummation. But for nature's ills and discomforts nature provides remedies, and in Mother's Friend is to be found a medicine of great value to every expectant mother. It is an oily emulsion for external application, composed of ingredients which act with beneficial and soothing effect on those portions of the system involved. It is intended to prepare the system for the crisis, and thus relieve, in great part, the suffering through which the mother usually passes. The regular use of Mother's Friend will repay any mother in the comfort it affords before, and the helpful restoration to health and strength it brings about after baby comes. Mother's Friend is for sale at drug stores. Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

PRODUCTS SHOW AT ROSWELL TO BE A GOOD ONE

Arrangements for Coming Exposition in Pecos Valley Town Indicate That It Will Eclipse All Former Events.

(Special Correspondence to Herald.)

Roswell, N. M., July 13.—The main event of the meeting of the Roswell products exposition, fair and carnival association, held in the Commercial club rooms Tuesday, was the institution to the soliciting committee, composed of Albert Hatch, H. P. Saunders, W. T. Taylor, Morris Price, A. G. McEthanney and R. M. Parsons, to go after $2,000 to finance the proposition.

The committee is at work today and is receiving much encouragement; no one is objecting to the expense, realizing that back of the movement are conservative business men who will see that every cent will be judiciously spent, and astounding results will materialize for the valley.

W. M. Atkinson, chairman of the county commissioners, was unanimously chosen treasurer for the association.

The matter as to how the big crowds could be taken care of that will be here during the three days was thoroughly discussed, and it was thought best to allow churches to have dinner up town to help feed the enormous crowds that will be here. The hotels will not be able to handle a half of the crowds, although we have some of the largest and best in the southwest.

W. M. Baldwin, chairman of the horticultural display committee, reported that the apple and horticultural men would need all of the east side and the center of the armory building, which will be gotten for the display. There will be given not less than $500 in prizes in the horticultural department. Prizes conducive to entries from Dexter, Hagerman, Artesia, Hope, Carlsbad and other valley towns will be offered, each town to have a booth of its own, and prizes will be offered for the most attractive.

In the horticulture building will be a branch office of the Wells-Fargo Express company, which will make special low rates during the three days of the fair for small parcels of fruit, honey, etc., so any tourist desiring to send a sample of the Pecos valley product to friends in the states may do so. The fruits, honey or other products will be put up in small cartons or boxes, ready for shipment.

KLOCK WILL HANDLE SGANZINI CASE FOR TERRITORY

District Attorney to Appear at Preliminary at 9:30 Tomorrow Morning to Investigate Assault Case.

The preliminary hearing of Louis Rafanelli, Louis Giacomelli and Paul Giacomelli, accused of assault with intent to kill C. Sganzini, will be held before Justice of the Peace George R. Clark at 9:30 o'clock tomorrow morning. District Attorney G. S. Klock called on Sganzini last evening and held an extended conference with him. Sganzini expressed the belief that he would be in condition to appear tomorrow morning and testify at the hearing.

Rafanelli, and the two Giacomellis, it is understood, have retained attorneys and will fight the case from the preliminary on. It is said their defense at present will be an alibi.

A Healthful Old Age for Women

The turn of life is the most critical period in a woman's existence. Owing to modern methods of living not one woman in a thousand approaches this perfectly natural change without experiencing a train of very distressing symptoms.

Those dreadful hot flashes and the faint feeling that follows, sometimes with chills, extreme nervousness and despondency are symptoms of this condition.

Those hot flashes are just so many calls from nature for help. Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life.

If this period is safely passed through the prospect will be good for a long period of sound health and comparative immunity from disease.

Here is Proof that Lydia E. Pinkham's Vegetable Compound may be relied upon at this period:

Alton Station, Ky.—"I want other suffering women to know what Lydia E. Pinkham's Vegetable Compound has done for me. For months I suffered from female troubles in consequence of my age, and thought I could not live. I wrote you and after taking Lydia E. Pinkham's Vegetable Compound I feel like a new woman. I thank you so much for the good it has done me."—Mrs. Emma Bailey, R. R. No. 1, Alton Station, Ky.

Kewaskum, Wis.—"Your medicine was a blessing to me in my sickness at Change of Life. I cannot describe what I suffered for five long years from headache, backache, dizziness, no sleep, palpitation of heart and irregularities which are common at that period and sometimes continue for weeks at a time.

"I have been cured by Lydia E. Pinkham's Vegetable Compound in dry form. I am 54 years old and can do all my work."—Mrs. Carl Dahlke, Kewaskum, Wis.

If you want special advice write to Mrs. Pinkham, Lynn, Mass.
