After 58 Years Old Town Boy Comes Back

When William H. Sloan Went Away the Present Albuquerque Wasn't Even Dream Of.

William H. Sloan, formerly of Mexico City, more lately of Las Cruces, who lived in Old Town from 1852 to 1856 and hasn't seen it since, was in Old Albuquerque today to see what changes have come to the ancient settlement.

Mr. Sloan and his wife arrived here last night. He left Mexico City where he lived for twenty-two years at the outbreak of the revolution against Madero. During the past school term he taught Spanish in the Las Cruces public schools.

Mr. Sloan lived in Old Albuquerque from 1852 to 1856 with his mother, the widow of Brigadier General Sloan, medical director of the United States army during the invasion of Mexico. When he left Old Town he was nine years old, and the town wasn't much bigger than he was. The new Albuquerque wasn't even dreamt of.

From his knowledge of Mexican men and affairs Mr. Sloan is doubtful of the effectiveness of the mediation proceedings. He doesn't think Huerta will withdraw or that Carranza will willingly yield any of the fruits of victory. He expects the former to die in the capital.

On his passage about Old Albuquerque Mr. Sloan was accompanied by Rev. H. A. Bassett of the Harwood school, whom he knew in Pueblo, Mexico, as a missionary. Mr. and Mrs. Sloan are on their way to Cleveland. He will stop at Stonewall, Colo., to visit a sister he hasn't seen for fifty-one years.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Nobody will Know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

It was said that Delaca attempted to force his attentions on the young woman, and persisted in spite of her protest against his behavior. When the incident reached the ears of the landlord, he promptly filed complaint against the man.

COMPANY G TO ESCORT G.A.R. DECORATION DAY

The company will assemble at the armory May 30 at 7:30 a. m. in khaki uniform and march from there to G. A. R. headquarters. At the cemetery the guardsmen will fire three rounds and the musicians will sound taps.

FREIGHT CARS ROBBED; SUSPECT UNDER ARREST

Two freight cars were broken into at the Santa Fe yards last night and a number of shirts and suits stolen. Paul Shultz was arrested by C. N. Draper, the new night stationmaster, and lodged in the city jail charged with the theft. The stolen things are said to have been recovered in the yard. It is said that Shultz had none of them when arrested.

Surprising Cure of Stomach Trouble.

Jacob Hindelang, of Chelsa, Mich., was ill with stomach trouble and in such bad shape that he lived for two months on lime-water and milk. He then began using Chamberlain's Tablets. He says: "I am seventy-six years of age but never in my life used any medicine that cured in such a short time as Chamberlain's Tablets." For sale by all druggists.
