WORK OF WILSON CLUB IS PRAISED BY NATIONAL HEAD

Allen Street, in Charge of Campaign Organization for Democratic Committee, Writes in Commendation of Workers.

Appreciation of the work that Col. D. K. D. Sellers and other active workers in the Woodrow Wilson campaign club have done in organizing and propagating support of the president and Democratic ticket has been expressed by Allen Street, in charge of the Woodrow Wilson clubs for the Democratic National committee, in a letter to Colonel Sellers. The letter follows:

Hon. D. K. D. Sellers,
"President Wilson Club,
"Albuquerque, N. M.

"My Dear Mr. Sellers:

"Allow me to extend to you my congratulations upon your good club in Albuquerque. I am sure it is a great club, and with fifteen hundred members can do lots of good work.

"I am having a shipment of literature and lithographs sent to you, and I know you will attend to the distribution of the same. Just such clubs as you have is what is going to decide the re-election of President Wilson.

"Mr. Sellers, write and tell me about some of the doings of your club. I will be interested to learn about it. If you have any suggestions or ideas to offer would appreciate them very much.

"We must do all we can for President Wilson. We owe it to him. He has been the greatest president since Lincoln. He has been true to every word, true to the hundred million people of this country.

"Very truly yours,
"ALLEN STREET,
"In charge of Woodrow Wilson Clubs."

"Mother doesn't think she'll go to the theater with us tonight, Albert."

"Is that so? I have got three tickets. What shall I do with the third one?"

"Give it to the man you always go out to see between the acts. He can sit with us, and you won't have to go out to see him."

ABOUT PEOPLE YOU KNOW

Auto Springs, all makes. Kuber Co.

The economic questions here for the national conference spoke yesterday at the Rotary club lunch at the Alvarado hotel. The speakers were Dr. Livingston Farrand, president of the University of Colorado, Col. C. E. Brodrick, commander at Fort Bayard, Dr. G. W. Hosley, Denver, I. G. Wash, Colorado Springs, Dr. E. E. Sullivan, Silver City.

Mrs. J. D. Bacon of 114 West Marquette avenue returned yesterday on No. 4 from a business trip to Arizona.

Mrs. W. F. Grimm returned Wednesday from Memphis, where she was called on account of the death of her sister. While in the south Mrs. Grimm visited her son, who is attending the Hendrix-Neffmit college.

F. P. McCanna was appointed receiver of the Albuquerque Abstract company today in the district court. Juan M. Moore is president of the company.

Cecil S. Healy has been granted a divorce from Ruth Thorne Healy. They were married in Kansas City, Mo., on July 2, 1913. She deserted him on February 25. There are no children.

Pearl Lindsey was granted judgment against Mrs. Hepsie Raymond for $100 alleged to be owed and interest of $10 on a note.

A woman stolen as here, was arrested as an city last night for drunkenness. She was still too drunk for arraignment this morning and her case was put over until 5 o'clock this afternoon.

Carload Eastern Concords

Now here in Albuquerque the carload of Concord grapes from Pennsylvania the state. Like the Colorado Rocky, the first to early and warm, unless an other carload will reach the city this week and outside prices are rapidly advancing, unless you take now later purchases will cost you much more for an inferior quality. Yours greedy,

"CASCARETS" FOR A COLD, BAD BREATH OR SICK HEADACHE

Best for Liver and Bowels, for Biliousness, Sour Stomach and Constipation.

Get a 10-cent box now.

Furred Tongue, Bad Color, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which ferments and ferments like garbage in a pail barrel. That's the first step to dumpish misery—indigestion, foul gases, bad breath, yellow skin, mental mists—everything that is horrible and miserable. A Cascaret tonight will give your sluggish bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

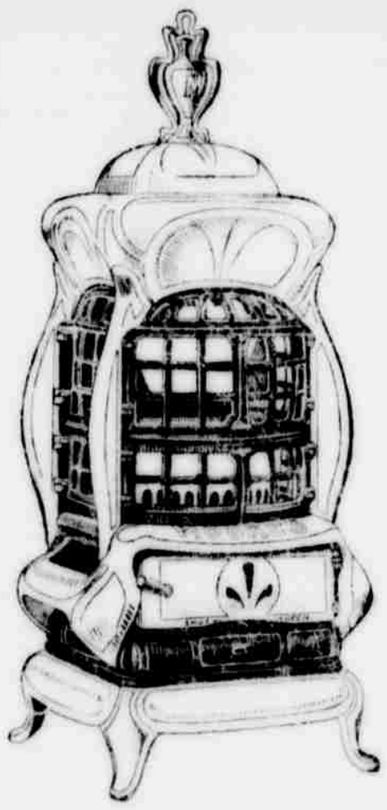
We want you to know exactly what the Best Shoe Store can do for you in Fall and Winter Footwear.

May we show you?



**Less Work to Do---
Less Coal to Buy
Moore's Base Burner**

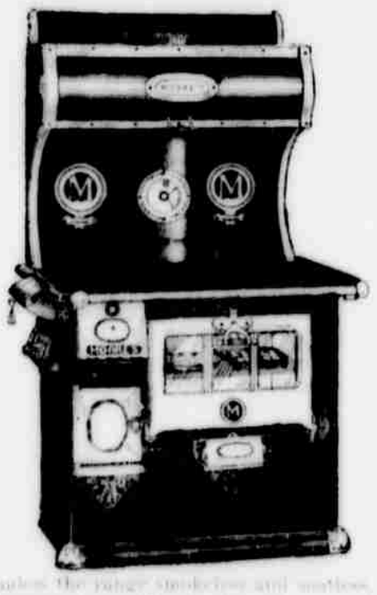
Gives twice as much heat on half as much coal. Warms your whole house—upstairs and down—and drops its ashes in the cellar is you wish. That's why—for economy and comfort—you ought to have a Moore's Base Burner in your house. Its extra size fire surface and circulating flue mean more heat per shovelful of coal than any other base burner will give—or indeed, any other two base burners! The Moore's Extra Heater Pipe (for heating upstairs) and its Portable Oven Attachment are sure to interest you, too. Come in and examine this wonderful stove today—let us show you how it pays for itself.

MOORE'S RANGE

When you've used a Moore's Range for a while you'll wonder how you ever did without it. It's so convenient—and so economical! In so many ways it lifts the drudgery from your kitchen work—for it's as nearly automatic as a cook-stove can be. And then it cuts your coal bills in half. Keeps your kitchen so much cleaner too.

With the Glass Oven-Door

That Glass Oven-Door—which saves half the work of baking—is only one of the many Moore features that mean "Kitchen Comfort plus Coal Economy." The Moore's Controller Damper—an exclusive feature—gives you the heat control of a gas stove, and saves lots of coal. The Everlasting Fireback lets you use coal that costs



two-thirds less than the grade you're using now—and makes the range smokeless and smutless. The Hinged Top (for smokeless heating). The Oven Thermometer and Guide (for failure proof baking) and the Auto-Scraper Cover are other Moore features that are sure to appeal to you. They put Moore's Ranges in a class by itself. Come and examine them.
