## THE MARKETS

### New York Stock Market.

New York, Jan. 8.—The session of the stock exchange today was curtailed to half the regular period out of respect to the memory of Colonel Roosevelt. Trading was moderately active, however, with a strong undertone, shippings and coppers furnishing the only exception. Oils, motors, tobacco, sugars and leathers rose 1 to 3 points, some inactive specialties of the investment class 2 to 4 and Texas Land and Trust 27 points. Rails were sluggish but hardened on a demand for grangers and closing United States Steel featured the prominent industrials at an advance of 1 point. The closing was strong. Sales approximated 300,000 shares. Bonds, including the Liberty group, were steady.

Shippings and metals extended their losses during the morning, but elsewhere the movement was one of almost steady advancement, rails coming forward later. Oils rallied moderately but interest continued to center in the so called peace stocks and high grade specialties. United States Steel also gained a point, but related industrials were little changed.

### Chicago Board of Trade.

Chicago, Jan. 8.—Issuance of the revised of restrictions on imports from Argentina brought about fresh advances today in the corn market here. Highest prices yet this season were reached by all deliveries. On the bulge, however, profit taking was in evidence, and a reaction carried them the equivalent which ranged from ¾ to 1¾ cent higher, with January $1.45 to $1.49¾ and May $1.42½ to $1.42¾ were followed by a material setback and then moderate upturns.

Oats sympathized with corn. After opening ¼ off to ¼ cent up, with May 77⅞ to 78½c, moved further upward and then fluctuated within narrow limits.

Higher quotations on hogs and grain lifted provisions. It was said that contrary to recent gossip the average price of hogs for February would not be fixed today.

In the late trading March and May displayed greater firmness than other options. The close was unsettled, 1¼ to 1¾ cent net higher, with January $1.48 to $1.49¼ and May $1.41¼ to $1.41⅜.

Realizing sales in provisions at the finish wiped out most of the gains.

## Decide Yourself

### The Opportunity Is Here, Backed By Albuquerque Testimony.

Don't take our word for it.

Don't depend on a stranger's statement.

Read Albuquerque endorsement.

Read the statements of Albuquerque citizens.

And decide for yourself.

Here is one case of it.

A. M. Plotner, carpenter, 1423 So. John St., says: "I had severe attacks of kidney trouble and my back bothered me very much. I didn't feel well at all and when I exerted myself, I tired quickly. I finally learned of Doan's Kidney Pills and bought some at the Alvarado Pharmacy. They soon cured me of the attack. Since then I have generally had a box of Doan's Kidney Pills in the house in case I should need them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Plotner had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

## Annual Meeting of Y. M. C. A. Is to Be Held on January 17

At the annual meeting of the Y. M. C. A. to be held Friday evening, January 17, seven directors of the association will be elected to take the places of the five men whose term of office has expired and the two who have retired from the board. The nominating committee appointed at a recent meeting of the directors has suggested the following list of names from which the seven members of the board will be chosen: Reuben Perry, A. L. Martin, S. J. Abrahames, W. L. Hawkins, F. A. Noh, H. Lewis Hahn, Dr. Charles A. Eller, A. E. Parker and William H. Mauger.

Secretary Lynn Fox announces that additional names may be voted upon at the meeting by the written request of at least fifteen members of the association, these names to be submitted before January 17.
