In Northern Michigan where you can escape the summer months by the cool, clear water of lake and stream which teem with all kinds of game fish, including the famous brook trout.

Land is mostly level, being 440 feet above the level of Lake Michigan. Sufferers from hay fever and asthma get instant relief.

The soil is a dark sandy loam, especially adapted to fruit and vegetable raising with the best markets nearby.

This land is being offered at from $7.50 to $10.00 per acre—$1.00 per acre cash, balance easy monthly payments without interest—think of it, cheaper than renting.

The next excursion to these lands will leave Cairo Tuesday noon 28th, arriving in Chicago next morning, spending the day in Chicago leave there at 7:45 p. m. by boat for Muskegon, arriving there the next morning, where we take train for Baldwin, county seat of Lake county, where our lands are located. To get these lands before the people we will make a rate of $15.00 for the round trip to prospective purchasers—good for ten days which is much less than the fare one way. Fare will be refunded to purchasers of 40 acres or more and deduct from first payment.

Orders for tickets must be in our office by twelve o'clock each Monday. Please call at office for any further information desired—we will be glad to furnish it.
