WILL BUILD THE ROAD.

J. A. Hendricks and George H. Clark attended the meeting of the County Com- missioners Monday evening and Tuesday as the representatives of the Florida East Coast Automobile Association. The object of their visit to DeLand was to see what could be done in the way of getting the road through between this city and New Smyrna. The County Commissioners without a single excep- tion were in favor of the road, and voted to commence work on it immediately. Melton & Cameron, the dredge owners, will start to work on the fills just as soon as a contract can be arranged with the county. If everything goes as now anticipated the road will be completed by the first of January next. Of course it must not be understood that the County Commissioners pay all the cost. They will pay $6,000, while the balance must be raised by private subscription.
